In letter No. 590, 24th May 1917, this Govt. recommended the grant of a state technical scholarship to Mr. P. J. Mathai for the study of plumbing and sanitary engineering. The Govt. of India however declined to award a scholarship to Mr. Mathai on the ground that he did not possess the requisite qualification to enable him to pursue with advantage a course of study in the subject selected. This position was corroborated in this Govt's letter No. 884, 4th July 1917 and the name of Mr. B. K. Ramaprasad was put forward as an alternative ^{candidate} for the award of the scholarship. The Govt. of India however declined to reconsider their original decision in respect of Mr. Mathai and stated that it was too late to consider Mr. Ramaprasad's application.

2. The following answer to the question on p 2 ante is for consideration:-

"The scholarship was ^{not} awarded this year." ~~as the same was not~~
