Sir,

11 of G.O. 296/16 (V)

In continuation of my letter R.C. No. 10329 of 1913,
dated 7th March 1916 relating to the acquisition of a site for
the P. S. High School, Mylapore, and with reference to para 2
(V) of G.O. No. 296 Edl. Mis., dated 20th March 1916, I have the
honour to submit herewith the valuation statement of the
Revenue authorities with a sketch showing the site proposed
to be acquired and to state that the question may now be taken
up for consideration. Out of the total estimated cost of
Rs. 50,976/-, the management will contribute Rs. 6,372/- and

Acquisition of a site for the P. S. high school, Mylapore.

[C4406] From the Dir. of Pub. Insts., R.C. No. 10329/13, dated the 28th November 1915.
For Rego.

g

In G.O. No. 157 Ed., dated the 13th February 1915, the Govt. directed the acquisition of certain sites in Brodie's Road, Mylapore, required for a playground for the P. S. high school, Mylapore, among others, and stated that the cost of acquisition, which was estimated at Rs 14,436, would be met from the provision of five lakhs made in the C.B.E., under 45 Civil Works, P.W.D., for playgrounds in the Madras city. Subsequently, the Dir. of Pub. Insts. ^(having) reported that the site selected was unsuitable ~~was~~ the Govt. directed the collector ^{of Madras} to desist from taking further proceedings in connection with the acquisition and requested the Director to submit a plan of the new site selected by him - vide G.O. No. 316, Ed., dated the 18th March 1915. The second site selected having been found to be very far from

Mylapore, from which the majority of the pupils attended the school, the D.P.F.

- (V) in consultation with the school authorities selected a third site, R.Y. No. 3543, at an estimated cost of Rs 50,976 and he stated that the correspondent of the school had reported that he was prepared to bear a half of one-fourth of this cost, or Rs 6,372 towards the cost of the acquisition of the portion required for the location of the school itself. As the D.P.F. was then unable to point out any source from which the balance of the cost in question, viz. Rs 44,604, could be met, the Govt. in para 2 of their order No. 296, Ed., dated the 20th March 1916, requested the D.P.F. to note the claim for consideration when funds became available.

2. The D.P.F. now states that the question of the acquisition of a site for the P.F. high school may be taken up for consideration. As noted in para 1 above, the estimated cost of the proposed acquisition is Rs 50,976, out of which the Govt. will have to meet Rs 44,604. It is observed that the proposed acquisition is not only for a playground, but also for a site for the erection of a new

building for the school. The D.P.F. has not indicated the source from which ^{the} Rs 44,604 can be met.

~~It is not clear from the statement of the D.P.F. that the Rs 44,604 is to be met from the sale of the land.~~

It is subo. the case may be sent to me D.P.F. u.o. for remarks ^{on this point} ~~the~~

^{8MD}
^{5.12.16} recommends that the question may now be taken up ^{for} "for consideration". It may also be asked to state

what the circumstances are that warrant the revival of the question at this juncture.

but have now declared their willingness
to incur such liability up to
Rs. 40,000, and I assume that they
would be prepared to promise that they
able out of the balance of the five lakhs
grantee promise for playground
which ~~was~~ was for the city of
Madras.

2. Of this Rs 500000 Rs 28240 was
transferred by Govt to other heads in Rs 150000
was retained by Govt the financial Dept. leaving
a balance of Rs 67580. A sum of Rs 138923
only has been spent on the purchase of play
grounds in the city. This amount I
presume included the Rs 67580 mentioned
above. There is consequently ^{will} be available
for playground Rs 78657 as seen
in the margin if the Rs 150000 resumed could be
reallocated.

3. Of the whole amount required the
different portions might be apportioned
as follows

Managers 6372
Daily work 6372 } 64604.
Grounds for play 38232
Total 50796

and I propose that this total sum should
be promised to be paid when funds are
available perhaps only after the war.

The scheme is of such a kind that it would hardly be practicable to acquire or the taking of the ground actually required for the school building. The school has some claims with other schools for the provision of a playground and in fact Government have approved the purchase of the plot in Rs. 18. xii. 14.

For Regr.

Home (Eon) Dept.

The Dir. states that there is still a balance of Rs 78,657 available out of the five lakhs grant for playgrounds and that the grant of Rs 44,604 may be promised to be paid when funds are available - perhaps after the war - and allocated as follows -

(1) A half grant for the acquisition of site for the building, the management contributing the other half	Rs 6,372
(2) Special grant for playground	Rs 38,232
Total	Rs 44,604

Thus a sum of Rs 38,232 will have to be allotted from the Special grant for playgrounds

 This is one of the schools re-
 5.7.17. Commended, by the Special Committee appointed by Govt. in 1913, for provision of a play ground as being in need of one. If the site selected had not subsequently proved unsuitable ^{aloud} the school would have been provided with a play ground ~~aloud~~ in accordance with the orders in G.O. 1448-Ed, of the 18th December 1914. The site has now been chosen; but the funds originally ^(allotted) have ~~not~~ lapsed. The need, however, has been admitted and

and the claim has been noted. ~~As~~ As in other similar cases under the scheme the land is to be acquired by foot at their cost and will remain the property of the institution being allowed only its use as a play ground. The construction of a new building for the school is connected with this scheme of provision of a play ground. The D.P.D. proposal at "K" on page 4 ~~supra~~ to approve the scheme generally and to promise the grant may be approved, as it will enable the school to proceed further with its own scheme of building. The amount needed should, it is submitted, come out of the provision for building grant as surmised by the D.P.D. at "M" on page 4 above. There is ~~no~~ ^{likelihood of} separate allotment for playground being provided in the near future. All this relates to that portion of the proposal regarding the provision of a play ground estimated to cost Rs 35,232.

2 The other portion relating to the ~~needed~~ site needed for school building estimated to cost Rs 12,744 should be dealt with

under the ordinary rules of the grant-in-aid Code. The half grant (Rs 6,372) may come from the allot for building fund. 3. Financial may be asked whether they agree to these arrangements.

*cf Rule 54 of the
Grant-in-aid
Code Rules (not put up)

The acquisition of a site including playground for the P. S. High School, Mylapore is estimated to cost Rs. 50,976 made up of

- (1) Rs. 12,744 for buildings, and
- (2) Rs. 38,232 for playgrounds.

2. In regard to item (1) above, one-half of the cost will be borne by the management and the other-half viz Rs. 6,372 will have to be borne by Govt.

In regard to item (2), the entire cost will have to be

met by Govt. 15-16. One 15.
Of the total cost, viz Rs. 50,976,
the amount to be met by Govt.
is thus Rs. (6,372 + Rs. 38,232) or
Rs. 44,604.

3. Para: 2 of the note of the D.P.D.
dated 13-12-16 on page 4 ante:—

In the budget for 1914-15, a total
provision of 6 lakhs was entered
for playgrounds to Educational
institutions - (5 lakhs for insti-

1 lakh for institutions in the
mufassal). The expenditure
on account of playgrounds
is taken, in the pro. forma
account as coming out of the
non-recurring grant of 49 lakhs
given by the Govt. of India in
1912-13 - (this has merged in
Provincial balances) - for expenditure
on Education during 1913-14
and subsequent years. The
several items on which the total
Imperial grant of 49 lakhs
may be spent are given in

The Home (Educn) dept. have, however, noted that this postponement of the payment relates only to playgrounds estimated to cost Rs. 38,232, and that the half-grant for buildings, (viz. The Govt. accept the recommendation of the Dir. of Pub. Wkns. that the site bearing R. G. No. 3543 of Mylapore should be acquired under the Land Acqn. Act for the purposes of the constr. of a building for the P. G. high school, Mylapore, and the provision of a playground therefor.

2 Towards the total Estimated cost of acquisition of the site, viz: Rs 50,975, the Govt. sanction a grant not exceeding one-half of the cost of that portion of the site required for the construction

of a building for the school, no Rs 6372, and this amount will be met out of the provision made for building grants.

3. As regards that portion of the site required for the purposes of a playground, ~~the Govt. will take steps to acquire it~~

Rs 38,232, when funds become available. The site when acquired will remain the property of the Govt, the institution being allowed only its use as a playground subject to the conditions imposed on similar playgrounds in Madras in para 9 of G.O. No. 1448, Est., dated the 18th Dec. 1914.
