READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.M.E., Director of Public Instruction.

To—the Secretary to Government Home (Education) Department.
Dated—the 19th November 1917.

No.—Ref. on Cur. 8059.

In this office letter to Government Ref. on Cur. No. 2795, dated 29th May 1912, on which orders were passed in G.O. No. 683, Educational, dated 26th July 1912, on the subject of the opening of the Queen Mary's High School, Vizagapatam, provision was made for the grant of ten general scholarships of the monthly value of Rs. 3 each in form I. The Inspectress, Northern Circle, reports that the ten scholarships were for the first time awarded in form I and that in subsequent years the scholarships were continued to deserving pupils in forms II and III, in addition to fresh scholarships sanctioned in form I, the total number of scholarships however, never exceeding ten in all the forms I to III and the total expenditure in any year being limited to the allotted provision of Rs. 360. The original proposal, however, does not specifically mention the continuance of the scholarships in the higher forms, but obviously the intention must have been to continue them in the higher forms and not to confine them to form I. I accordingly recommend that the Inspectress' action may be approved and request that formal sanction may be accorded for these scholarships to be held in any of the forms I to III provided the total number in all the three forms does not at any time exceed the sanctioned number ten.

2. The Inspectress also requests that as forms IV to VI have now been opened, *four of the scholarships* may be continued up to the VI form at Rs. 6 each per mensem which is the value of the secondary grade scholarships in the higher forms, awarded under the scholarship notification. I consider that it is very desirable as an encouragement to deserving pupils who may wish to complete their course in the school that a few scholarships should be instituted for award in the higher forms also. I have the honour accordingly to recommend that *four general scholarships* of the monthly value of Rs. 6 each may, *in addition to the ten scholarships* now proposed for award in forms I to III, be instituted for award in forms IV to VI in the school. The maximum number of scholarships awarded in any one year will thus be 14, four in forms IV to VI and ten in forms I to III.

3. The additional expenditure involved will be Rs. $(4 \times 12 \times 6)$ 288. If the additional scholarships be sanctioned for award from the current year, the amount required, viz., Rs. 216 for nine months from July 1917, can be met from the savings anticipated in the provision under '22. H. Scholarships' for the current year, or by re-appropriation, if necessary.

Order—No. 1615, Home (Education), dated 18th December 1917.

The Government approve the action of the Inspectress of Girls' Schools, Northern Circle, in having continued the scholarships sanctioned in G.O. No. 683, Educational, dated the 26th July 1912, for award in form I of the Queen Mary's High School, Vizagapatam, in forms II and III of that school. They also sanction the future award of those scholarships in forms I to III of the school subject to the condition that the total number in all the three forms does not at any time exceed ten.

2. The Government also sanction the award of four additional scholarships of the monthly value of Rs. 6 each in forms IV to VI of the school with effect from July 1917.

3. The charge during the current year should be met from the anticipated savings in the provision under '22. H. Education—Scholarships' in the Civil Budget Estimate for 1917-18.

NOTES CONNECTED WITH G.O. No. 1615, HOME (EDUCATION),
DATED THE 18TH DECEMBER 1917

[SUBJECT.—Scholarships in the Queen Mary High school, Vizagapatam.]

From the Director of Public Instruction, dated the 19th November 1917,
R.O.O. No. 8059/17.

The Director of Public Instruction requests sanction—

(1) to the continuance of the ten scholarships of the monthly value of Rs. 3 already sanctioned for Form I of the Queen Mary High school, Vizagapatam, in Forms II and III, and

(2) to the institution of four additional scholarships of the monthly value of Rs. 6 each for award in Forms IV to VI of that school.

2. As regards (1) attention is solicited to G.O. No. 683, Educational, dated the 26th July 1912, and to paragraph 1 of the current letter. There is no evidence in the former to warrant the Director of Public Instruction's statement that those scholarships were intended to be continued in higher forms. However, in view of the fact that similar scholarships awarded under the Government scholarship notification are awarded not only in the lower form but are continued in the higher forms also, the special scholarships now under reference may be continued in Forms II and III also.

3. With regard to proposal (2), it is submitted that the value of the additional scholarships proposed is the same as that of the existing general scholarships—vide the scholarships notification. Their number (4) also appears to be moderate especially having regard to the present state of secondary education of the girls. The proposal may be accepted.

4. The Director of Public Instruction requests sanction to the additional scholarships with effect from July 1917. The award of the scholarships with retrospective effect will not improve the admission to the school for the current year which has been made already. Hence the advantage of retrospective sanction is not clear. As some of the students in Forms IV to VI will, however, be those who would have already received scholarships in Forms I to III, and as the difference in cost is not great (Rs. 288), submitted that the sanction may be made to take effect from the date specified by the Director.

5. A draft order is submitted for approval. If approved, it may be forwarded to the Financial Department for acceptance. That department may also be requested to provide for the charge for the next year amounting to Rs. 288 in the Civil Budget Estimate for 1918-19.

Paragraph 1 of draft.—The total expenditure on scholarships in Forms I to III incurred by the Inspector has not been in excess of the amount (viz. Rs. 360 per annum) sanctioned in G.O. No. 633, Educational, dated 26th July 1912; nor is it proposed to incur any extra expenditure in these forms in future. The proposals may, it is submitted, be accepted.

2. *Paragraph 2 of draft.*—In the circumstances stated by the Director of Public Instruction and in paragraph 3 of the Home (Education) note on page 1 ante, the proposal to sanction four scholarships of the value of Rs. 6 per mensem in forms IV to VI of the school with effect from July 1917, may, it is submitted, be agreed to.

3. Provision of funds—

For 1917-18.—Please see paragraph 3 of draft.

For 1917-18.—Please see paragraph 5 of *ibid.*

For 1918-19.—The extra provision required is only Rs. 288. It does not seem necessary to alter the budget on account of this small amount, which the Director of Public Instruction may be left to meet from the total provision under "22. H. Education, scholarships".
