The Hon'ble Mr. K. R. V. Krishna Rao Pantulu.

Home (Education) Department.

Q. 114. Will the Government be pleased to state whether any amount and if so how much and in what directions has been spent within the last four years for the improvement of the condition of the artisan classes in this Presidency?

Figures relating to the expenditure on industrial education in the Presidency are given in the annual report of the Department of Industries which is placed on the table.

The Additional member may perhaps be referred to the annual report of the Dept.

3. The file may be sent to the Revenue Dept. who will presumably prepare a draft answer to the question.

Before this is done, the file may be referred to the Revenue Dept. who will prepare a draft answer to the question.

any useful information

The question on page 2 supra which relates to the condition of the artisan classes seems to be one which concerns primarily the Revenue Dept. It is understood that a copy of it has been sent to that Dept. by the L.H. (Legislative) Dept.

2. Figures relating to the expenditure on industrial education in this Presidency are given in the annual report of the Department of Industries which is placed on E.T.

The Additional member may perhaps be referred to the annual report of the Dept.

3. The file may be sent to the Revenue Dept. who will presumably prepare a draft answer to the question.

In view of the Revenue Dept's note on pages ante the draft answer may be prepared in this Dept. 2. Mr. Innes considers that it will be sufficient to refer ~~the~~ the Additional member to the annual report of the Dept of Industries. Instruction is also given in the School of Arts in woodwork, carpet weaving, metal work, jewellery, etc., and the annual report on the working of the school is usually placed on E.T. The Addl member may be referred to these two reports. The following draft answer is submitted for approval:—

"The Hon'ble Member is referred to the annual reports of the Dept of ~~the~~ Industries and of the School of Arts, Madras, placed on E.T."
