To

The Secretary to Government,

Home (Judicial) Department,

Through: The Chief Presidency Magistrate,

Egmore, Madras.

S i r,

I beg to submit the following few lines for favourable consideration:

2. I have been working as Typist and Telephone Clerk in the Presidency Magistrates' Court, Egmore, and have put in a permanent service of more than nine years, excluding the temporary service of about a year in the same court. During this period, I have done clerical work now and then and am well conversant with office routine.

3. I have passed the following subjects of the Government Technical Examinations:--

1. Type-writing--Elementary--First Class--First in the Presidency.
2. Type-writing--Intermediate.
3. Book-Keeping--Elementary--First Class.
4. Commercial Correspondence.
5. Commercial Geography. }--Elementary.
6. B a n k i n g.

and 7. Type-writing--Intermediate Examination of the London Chamber of Commerce in the First Class.

4. The Chief Presidency Magistrate in his letter to Government Ref: No.41/Genl., dated the 15th January 1916 submitted my case, (myself being a failed Matriculate) to exempt me from the Educational qualifications so that I may be absorbed in the cadre of clerks up to a limit of Rs.50/- in the Presidency Magistrates' Courts, but Government were not then pleased to consider my case favourably-- (Vide: G.O. No. 117 Edl. Mis., dated 5th February 1916).

5. The Chief Presidency Magistrate has endorsed about me in the above letter to Government as follows:

"Para 4:-- He is working under me as Typist and Telephone Clerk and I have had occasions and opportunities to note his character, conduct and ability and I am glad to certify that his character is exemplary, conduct uniformly good and ability more than t h e

average. My predecessors under whom he has worked, have, I also understand entertained a high opinion of his intelligence, conduct and capacity. He has done clerical work now and then and is well acquainted with this office routine". x x x. "I consider that having regard to the merits of the applicant, this disqualification of his not being a Matriculate should not be bar to his absorption in the clerical ranks of this office as I am of opinion that his services as clerk would be more useful to this office than as Typist".

"Para 6:- Public service will not suffer, I think, by encouraging such deserving cases and Government are approached with such requests only in very exceptional and deserving cases".

6. I may submit that favours like the one sought by me are being shown by Government to their deserving servants. As, to my misfortune, my request was not then viewed favourably, I had to lose the post of Assistant Cashier on Rs.40/- in this office, which was then vacant and proposed for me.--(Vide: para 5 of Chief Magte.'s letter).

7. Though I can rise as Typist to Rs.50/-, I shall have to wait for it for another 15 years after my passing the Advanced Grade in Type-writing.

8. For the foregoing reasons and in view of the Chief Presidency Magistrate's recommendation that my services as clerk would be more useful to office than as a Typist and considering that similar concessions are shown by Government to their servants, I request that Government will be pleased to ^{permanently} exempt me from Educational qualifications so that I may be eligible for appointments as clerks up to Rs.50/- in the Presidency Magistrates' Courts, Madras.

I beg to remain,

Sir,

Your Most Obedient Servant,

K Ramachandra aiyar

Typist and Telephone Clerk.

This is an application
for exemption from examination rules
so as to enable ^(applicant) ~~him~~ to hold
appointments on pay up to Rs 50.
The applicant is a typist in the
Chief Pres. Magistrate's Office.
His previous petition was rejected in
S. 117 Sd. of 5.2.16. on the last
occasion the Chief Pres. Magistrate
recommended the grant of the
exemption very strongly and maintained
that "his services as a clerk would
be more useful to this office than
as typist". He went on to say
that the applicant's character
is exemplary, conduct uniformly
good, and ability more than the
average." The Chief Pres. Magistrate
repeats his recommendation ~~in~~ in
endorsing the present application
for orders that it should be
accepted. Exemptions have
been granted in the past to

The situation has not
 altered & I am sure
 we have had this application
 now but for Mr. Peel's
 impending departure.

On the other hand,

Good clerks are rare & one
 often finds these unpaired men
 (when they are any good at all)
 brighter & better than the
 matriculates. The typist's
 qualifications, however, are
 very moderate.

18.12.17

We have recently prescribed a
 minimum educational qualification.
 It is open to the applicants to rise
 to Rs 50 as a typist.

There is no reason to
 reconsider the order already passed
