(EDUCATION)

Sir,

I have the honour to request that you will be so
good as to obtain the sanction of Government for the regular
supply to the educational institutions mentioned in the enclosed
list of a copy each of the journal entitled "Kalpatharu" in Tamil
edited and published by M.A.M. K.R. Krishnamachari, 47, Rama-
swami Street, Georgetown, Madras, beginning with the issue of
the 26th May 1917. The journal is reported to be a useful one
and written in good style and judging from the fact that its
supply has been recommended by more than one Inspectress it may

be presumed that it is worthy of support. I think it is desirable to extend Government patronage to wholesome vernacular literature.

2. The journal is a monthly and its annual subscription, inclusive of postage, is Rs. 3/-.

I have the honour to be,

S i r,

Your most obedient servant,

G. M. S. S.

(Continuation of ~~routine~~ notes.)

With reference to the Financial Assets Secy's remarks on the previous page, it may be noted that the D.P.D. in para 1 of his current letter states that it is desirable to extend Govt patronage to wholesome vernacular literature. The D.P.D. in recommending the patronage of the journal has apparently in mind the resolutions often moved at the meetings of the League Council in regard to the encouragement of scientific literature in vernaculars.

(T) Cf. notes & pos. in G.O. No. 681 Est dated the 22nd June 1916 and Resoln. V moved at the meeting of the League Council of the 2nd April 1917, but withdrawn.

(U) His ^{present} proposal appears ~~to~~ to be in consonance with the ^{attitude then} ~~position~~ taken up by the Govt. It is therefore for consideration whether it may be approved. If so, the draft may issue, since Financial has left the ultimate decision to this Dept.

15/12/17

The proposal of the D.P.D. is obviously made not ^{so much} with the object of patronizing the

(Continuation of routine notes.)

Journal as supplying the schools
in question with a useful journal.
If the former, the application would
have come up to Govt. direct.
As the proposal emanates from
the ~~Department itself~~ ^{Department itself}, it may be
presumed that the interests of
the institutions has ~~been~~ ^{been}
the first consideration in the
matter. It is further desirable
to bring within the reach of leaders
living in distant corners ^{Some reports of the} ~~the~~ ^{program}
that is taking place in the East
world. There is no doubt that
the journals supplied will be
properly made use of.

Draft may be approved

The staff may be sent to Financial
u.o. for acceptance as the supply involves
a recurring expenditure. The D.P. is interested
in the question of reimbursement to the staff of journals etc.
