Letter—from the Hon'ble Mr. J. H. Stone, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department (through the Accountant-General).

Dated—Madras, the 7th August 1917.

No.—R.C. 4229 of 1916.

In enclosing herewith copies of the marginally-noted communications from the Government Agent, Gōdāvari, R.C. No. 245/Ag., dated 10th May 1916. Government Agent, Gōdāvari, D. Dis. No. 189/Ag., dated 9th April 1916. Endorsement of the Inspector of Schools, I Circle, R.C. Mis. No. 722, dated 21st February 1917. Letter from Inspector of Schools, I Circle, R.C. Mis. No. 256, dated 2nd July 1917. Inspector of Schools, I Circle, and the Government Agent, Gōdāvari, for the perusal of Government, I have the honour to submit for their sanction the following proposals for the grant of local allowances to the officers of this department employed in the Agency tracts of the Ganjam, Vizagapatam and Gōdāvari districts and their establishments.

2. The Government Agent, Gōdāvari, states that the Government servants of departments other than the Educational employed in the Bhadrāchalam division are being granted local allowances and that in the absence of any reasons for treating the servants of this department differently in this respect the privilege should be extended to the employees of the Educational Department. He therefore proposes the grant of local allowances as shown in the enclosed proposition statements received from him (1) to all the teachers employed in the Government secondary school, Bhadrachalam, in proportion to their pay excepting the Urdu munshi who is at present paid from private funds, (2) to the establishment of the Sub-Assistant Inspector of Schools, Bhadrachalam range, and (3) to the peon of the Supervisor, Bhadrachalam, the Supervisor himself having already been granted a local allowance of Rs. 10 per mensem in G.O. No. 513, Education, dated 11th May 1916. He does not propose the grant of local allowance to the Sub-Assistant Inspector, Bhadrachalam, as he considers that the double fixed travelling allowance of Rs. 50 per mensem now drawn by that officer is sufficient to cover the extra expenses incurred in travelling. As regards the teachers in the Government elementary schools the Government Agent states that there is at present much disparity in their salaries for which there is no reasonable justification and that the need for a uniform scale has long been felt, and he accordingly proposes a revision of the scale of their pay on the model of the rates sanctioned for schools in the Nugur taluk. He thinks, however, that no local allowance is necessary for the teachers whose pay is not more than Rs. 20 as they are usually men of the locality who do not require any special addition to their pay on account of the unhealthiness, etc., of the locality, and living in the Agency is cheap.

3. On receipt of the Agent's proposals, I asked the Inspector of Schools, I Circle, to ascertain from the Government Agents of Ganjam and Vizagapatam districts whether they are in favour of recommending similar allowances to the educational officers employed in their respective Agencies.

The Government Agent, Vizagapatam, considers (1) that the Sub-Assistants and their establishments who are required to reside in the agency may be granted local allowances, viz., Rs. 25 in the case of a Sub-Assistant Inspector, Rs. 3 in the case of the clerk and Rs. 2 in the case of the attender;

(2) that Sub-Assistant Inspectors who have their headquarters in the plains and who have to visit the agency occasionally may be given a local allowance of Rs. 10 per mensem, their clerks Rs. 2 and the attenders Rs. 1 per mensem;

(3) that as regards the teachers in Government Elementary Schools the scale of salaries, honoraria, and rent-free quarters to which teachers in hill schools will be entitled under the scheme sanctioned in G.O. No. 594, Educational, dated 29th May 1916, are sufficient inducement to attract the right sort of men for these posts and that no special allowance is needed for them.

4. The Government Agent, Ganjam, agrees with the Government Agent, Vizagapatam, in thinking that local allowances should be granted to the Sub-Assistant Inspectors who have work in the Agency, those who have their headquarters in the agency being given a higher rate than those who have their headquarters in the plains and who tour in the agencies occasionally. Like the Government Agent, Godavari, he is not in favour of granting local allowance to teachers in elementary schools as in his opinion most of the agency teachers in Ganjam belong to the agency tracts and do not require any special treatment.

5. The Inspector of Schools, First Circle, in supporting the views of the Government Agents suggests that the Assistant Inspectors and their establishment who have to tour in the agencies periodically be also granted local allowance.

6. In the circumstances set forth, I agree with the Government Agents in thinking that the grant of local allowance to the officers and other servants employed in this department, is but reasonable, the grounds being the same as those which actuated Government to sanction similar allowances to the supervisors of hill schools (vide G.O. No. 513, Educational, dated 11th May 1916) and I beg accordingly to make the following proposals, viz. (i) that the Sub-Assistant Inspectors having their headquarters in the agency including the Sub-Assistant Inspector, Bhadrachalam range, and their establishments be allowed a higher rate of local allowance and those who reside outside the agency and make occasional tours into it a lower rate of local allowance and that the rates of allowance may be as follows:—

(i) (a) *Sub-Assistant Inspectors who have headquarters in the agency.*

- (1) Bhadrachalam range.
- (2) Jeypore range (Vizagapatam district).
- (3) Balliguda range (Ganjam district).

Rate of local allowance.

	Rs.
Sub-Assistant Inspector	20 per mensem.
Clerk	5 "
Attender	3 "
Peon	2 "

(b) *Sub-Assistant Inspectors whose headquarters are outside the agency but who occasionally tour into it.*

- (1) Parlakimedi range (Ganjam district),
- (2) Yellamanchilli,
- (3) Vizagapatam district,
- (4) Parvatipur,
- (5) Palaconda (Vizagapatam district),
- (6) Peddapur (Godavari district) and
- (7) Vizagapatam Muhammadan range.

Rate of local allowance.

	Rs.
Sub-Assistant Inspector	10
Clerk	2
Attender	1
Peon	1

The Balliguda range attender being given the allowance only if he goes into camp.

(ii) that a local allowance of 20 per cent of their pay be granted to the teachers and establishment in the Government Secondary school, Bhadrachalam, excepting the Urdu munshi who is at present paid from private funds.

(iii) that the supervisors' peons be granted a local allowance of Rs. 1 each, the supervisors having already been granted a local allowance of Rs. 10 each.

(iv) that the clerk and peon accompanying the Assistant Inspectors who have to tour in the Agencies be allowed the maximum rates of travelling allowance admissible to them under the rules, the Assistant Inspectors who are allowed travelling allowance under the Civil Service Regulations being left out of account.

(v) that peons accompanying inspecting officers on tour to the Agency tracts be allowed a daily allowance of 4 annas in all cases.

(iv) that instead of any local allowance the scale of salaries of the teachers in the Government elementary schools in the Bhadrachalam taluk be revised and fixed on the principle that a school with two teachers should be allowed Rs. 20 and 15, with three teachers Rs. 25, 20 and 15, with four teachers Rs. 25, 20, 2 (15) and so on—the difference in pay proposed by the Government Agent and the Inspector for trained and untrained man, i.e., Rs. 15 in the case of the former and Rs. 12 in the case of the latter being observed—and teachers employed in schools situated in unhealthy localities being given an extra allowance of Rs. 3 per mensem. The present scale and the revised scale recommended are given below:—

ENCLOSURES

(1)

Letter—from the Government Agent, Gōdāvari.
Dated—the 10th May 1916.
No.—R.C. 245/Ag.

With reference to paragraph 2 of your Proceedings Dis. No. 1171, dated the 25th February 1916, the Sub-Collector, Bhadrachalam, reports that an Agency allowance is being granted to all the officers of the other Government departments in the Bhadrachalam division and that he sees no reason why the members of the Educational Department should not enjoy the same privilege, and submits proposals for the grant of local allowance to the following according to the rate allowed to the officers of the Revenue Department:—

- (1) All the teachers and peons in the Government Secondary School, Bhadrachalam.
- (2) Supervisors of elementary schools.

(3) In regard to the teachers in the elementary schools of the Bhadrachalam taluk, he observes that there is much disparity in their salaries and that there is no reason sufficient to justify its continuance any longer. He suggests therefore that the rates of pay prescribed in G.O. No. 381 of 19th June 1911, for most of the teachers in the schools of the Nugur taluk, may be ordered to be adopted and proposes that sanction for the scale of pay noted hereunder may be obtained—

Single teacher—trained Rs. 15 per mensem—untrained Rs. 10.
Two teachers—Rs. 20, 15.
Three teachers—Rs. 20, 15, 15.
Four teachers—Rs. 25, 20, 15, 15.
Five teachers—Rs. 30, 25, 20, 15, 15.

2. The Inspector of Schools who has been consulted in the matter recommends Agency allowance to all the educational staff in the Agency including the Sub-Assistant Inspector of Schools and his office establishment. He however differs from the Sub-Collector in the rates of pay of the untrained teachers and proposes Rs. 12 instead of Rs. 10. I am of opinion that Rs. 10 is quite sufficient for an untrained man.

3. I have therefore the honour to request that you will be so good as to obtain the sanction of Government for the grant of Agency allowance and for the revised scale of pay of the elementary school teachers of the Bhadrachalam division as proposed by the Divisional Officer, Bhadrachalam. A proposition statement in duplicate and another showing the rates of pay in the several schools of the Bhadrachalam division are enclosed.

4. The Divisional Officer adds that there is one objection to the general uniformity in the scale of pay proposed by him. Under the existing system it is possible for him to reduce a teacher from Rs. 15 to 12 or 10, but as now proposed, there will be 37 on Rs. 15, if trained, Rs. 10, untrained but there will be no possibility of reducing them. I therefore suggest that he may be empowered after due formalities to reduce any individual teacher on Rs. 15 to 10.

D. Dis. No. 189/Ag, dated 9th April 1917.

In reply to your letter R.C. No. 4229 of 1916, dated the 23rd January 1917, I have the honour to forward copy of the Bhadrachalam Assistant Agent's report, D. Dis. No. 393, Revenue, dated the 24th March 1917, together with copies of statements A to E submitted by him.

2. I support the proposals generally, but am doubtful of necessity of local allowances for men whose salaries are not more than Rs. 20. Such men are usually men of the locality who do not require local allowance on account of their families having to live separately in the plains, while living in the Agency is cheap.

Endorsement—of the Inspector of Schools, I Circle.
No.—R.C. 722 Mis. of 1916.
Dated—the 21st February 1917.

Submitted to the Director of Public Instruction, Madras, with reference to his Proceedings R.C. No. 4229/16, dated 5th January 1917, and recommended that the allowances should be given to the Agency officers at the rates mentioned by the Agent. The Agent, Ganjam, stated in his letter Dis. No. 829, dated 27th November 1916, that he is not in favour of the proposal, as most of the Agency teachers in Ganjam Agency belong to the Agency tracts and that there is no need to grant the allowance to them.

2. With reference to paragraph 4 of the Agent's letter, the presidents of district boards, Vizagapatam and Koraput, have been addressed. A report with regard to the allowance to teachers under the control of local boards will be submitted on receipt of their replies.

(4)

Letter—from the Inspector of Schools, I Circle.
Dated—the 2nd July 1917.
No.—R.C. 256 Mis.

In reply to Proceedings R.C. No. 4229/16, dated 28th May 1917, I have the honour to report as follows.

The Agent to the Governor in Ganjam thinks that Sub-Assistant Inspectors who live in the Agency should have a local allowance of Rs. 20, Rs. 5 and Rs. 2, for themselves, their clerk and peon and that for those who only tour in the agency occasionally, it is sufficient to draw Agency rates of travelling allowance.

The attender may, in the case of Ganjam district, be left out of account, as the headquarters of Balliguda range is in the plains, at Russellkonda, and the attender need never be taken into the Agency either there or at Parlakimedi. But in case an additional Agency range be constituted, as already proposed, the attender could be given a local allowance of Rs. 3.

It may be noted that the Agent to the Governor in Vizagapatam proposed Rs. 25, Rs. 3, and Rs. 2 in place of the figures of the Agent to the Governor in Ganjam and Rs. 10, Rs. 2 and Re. 1, with regard to officers occasionally touring in Agency.

I. Ganjam.—The ranges concerned are:—

(a) Balliguda.—The Sub-Assistant Inspector draws Rs. 50, travelling allowance, throughout the year and mileage at ordinary travelling allowance rates. The Deputy Tahsildars get a local allowance of Rs. 80 and Rs. 100 respectively, and in addition a daily allowance of half as much again as in the plains, and their clerks get Rs. 10 per mensem.

(b) Parlakimedi.—Sub-Assistant Inspector and clerk draw double fixed travelling allowance and mileage when in the Agency.

The Sub-Assistant Inspectors' peons should, in all cases in Ganjam, Vizagapatam and Gōdāvari, be given a daily allowance of four annas (As. 4) similar to all other Agency peons including even the peons of the Supervisors of Hill Schools, instead of As. 3 as at present. This was recently sanctioned for the peon of the Sub-Assistant Inspector of Schools, Jeypore.

II. Vizagapatam.—(1) Ellamanchilli, (2) Vizagapatam, (3) Parvatipur, (4) Palkonda, (5) Vizagapatam Muhammadan Range, (6) Jeypore.

As Agency travelling is viewed with such apprehension and is undertaken with such extreme reluctance, I think that in all these eight cases as well as Bhadrachalam and Peddapur (Gōdāvari district), the existing rates may be supplemented by a uniform local allowance, viz., for Sub-Assistant Inspectors resident in the Agency.

Rupees 25 Sub-Assistant Inspector (as suggested by Vizagapatam Agent).

" 5—clerk
" 2—peon
" 3—attender } (as suggested by Ganjam Agent),

i.e., Bhadrachalam (Gōdāvari), Jeypore, (Vizagapatam), and Balliguda (Ganjam) may be reckoned in this category. (The Balliguda attender only if he goes into camp).

And for Sub-Assistant Inspectors who occasionally tour in the Agency; this will include the Assistant Inspector and his establishment and the establishment of the Inspector.

Rupees 15 or Rs. 20—Assistant Inspector (who has not even a medicine chest).

" 10—Sub-Assistant Inspector
" 5—clerk
" 1—attender
" 1—peon } (as suggested by Vizagapatam Agent),

i.e., Parlakimedi (Ganjam), Yellamanchilli, Vizagapatam, Parvatipur, Palkonda (Vizagapatam), Peddapur (Gōdāvari), and Vizagapatam Muhammadan Sub-Assistant Inspector.

Peons in all cases to get As. 4 daily allowance.

Endorsement of the Accountant-General, No. Godi. 2-9237, dated 27th August 1917.

Forwarded.

2. The entries in the column 'Present scale' have been compared with the registers of this office and are found to be correct.

3. There is no audit objection to the proposed revision of pay of the teachers in the elementary schools in the Bhadrachalam taluk and to the grant of local allowances in other cases being sanctioned by Government. Attention is however invited to the Confidential Memorandum of Government, No. 8349-1, Financial, dated the 28th December 1915.

4. The allowances may be classed as 'compensatory.'

5. The rates of daily allowance and mileage now admissible to the clerk and peon of assistant inspectors and to the peons of other inspecting officers on tour in the Agency tracts are half as much again as the ordinary rates under articles 1063 and 1034, respectively, of the Civil Service Regulations, except the peons of the Superintendent of Hill Schools, Northern Circars, and the Sub-Assistant Inspector of Schools, Jeypore range, who are, however, allowed daily allowance at the rate of 4 annas. There is no audit objection to the peons being allowed a rate of 4 annas in all cases and to the daily allowance or mileage or both of the assistant inspector's clerk being increased either in a definite ratio or in any other suitable manner under article 1139 of the Civil Service Regulations. The scale of allowances now prescribed for members of other office establishments while on tour in the Agency tracts is given under article 1140 in the Madras Supplement to the Civil Service Regulations.

Deputy Accountant-General.

(iii) Peons employed under supervisors of schools Rupee 1 each.

2. The Government are unable to entertain the proposal to grant local allowances to officers who have their headquarters in the plains but who occasionally tour in the Agency tracts as they are granted increased rates of travelling allowances when touring in those tracts.

3. The Director's proposals for the revision of the pay of the teachers employed in the Government elementary schools in the Bhadrachalam taluk are approved subject to the undermentioned modifications :—

(i) The pay of the three teachers employed in each of the schools at Gowri-devipeta and Venkatapuram will be fixed at Rs. 20, Rs. 15 and Rs. 15.

(ii) The proposal to grant a duty allowance of Rs. 3 per mensem to the teachers employed in the schools at Marayagudem, Chintur, Kummuru, Jidiguppa, Poehavaram and Kunnavaram (Muhammadan) is disallowed.

The sanction will have effect from the 1st March 1918 and has been registered as No. 9 of 1918-19.

With effect from the introduction of the new scale of pay, grain compensation allowance will be withdrawn and such of the teachers as are adversely affected by the arrangement will be granted personal allowances which will not however count for leave allowances and pension.

4. The Government also sanction the grant to the clerks accompanying the assistant inspectors and the peons accompanying all inspecting officers on tour in the Agency tracts, of increased daily allowances at the rates sanctioned for the clerks and peons of the Superintendent of Hill Schools, Northern Circars—vide paragraph 1 (b) under article 1140 of the Madras Supplement to the Civil Service Regulations.

From the Director of Public Instruction, dated 7th August 1917, No. 4229.

The proposals of the Director are examined below. The need for the grant of local allowances to officers of the Educational department serving in the Agency tracts was first brought to notice by the Sub-Collector, Bhadrachalam in 1914—page 17 of G.O. No. 2685, Judicial, dated 2nd December 1914. The question has been under correspondence since then between the Director of Public Instruction and the Government Agents.

2. *Grant of local allowances to the sub-assistant inspectors and their establishments in the Agency tracts.*—The rates of allowances proposed by the Director are shown below :—

Designation.	Rate of allowance per mensem in the case of officers	
	who have head-quarters in the Agency (a).	who have head-quarters in the plains but tour also in the Agency (b).
	Rs.	Rs.
(a) (1) Bhadrachalam range.		
(2) Jeypore range.		
(3) Baliguda range.		
(4) (1) Pakhalimeti range.		
(2) Yallananchilli range.		
(3) Vizagapatam range.		
(4) Baccavampur do.	Sub-Assistant Inspector (Rs. 75 to Rs. 200)	20 10
(5) Palakonda do.	Clerk (Rs. 20)	5 2
(6) Boddapur do.	Attender (Rs. 10)	3 1
(7) Vizagapatam Muhammadan range.	Peon (Rs. 7)	2 1

The scales of allowances sanctioned in the case of Revenue officials in the Agencies are as follows:—

Ganjam (Balliguda).				Godavari (Bhadrachalam).			
		Salary.	Allowances.			Salary.	Allowances.
		RS.	RS.			RS.	RS.
<i>Vizagapatam Agency.</i>							
(i) Officers on Rs. 30 and over—30 per cent of salary.	Clerk	25	10	Clerks	70	20	
(ii) Officers below Rs. 30 including attenders—50 per cent subject to a maximum of Rs. 8.	Peons	7	1	Muchi	20	5	
(iii) All peons (Rs. 2) 1 Re. [Grain composition allowance has been recently withdrawn in the case of all revenue subordinates.]				Daffadar	10	2	
				Peon	7	1	
	Deputy Tahsildar	150	100	Deputy Tahsildar	150	25	

From the above it will be seen that the scale of allowance proposed for the sub-assistant inspectors and their clerks who have their headquarters in the Agencies is very moderate. As regards the attenders and peons, it is for consideration whether the allowances proposed may be reduced from Rs. 3 and Rs. 2 to Rs. 2 and 1 respectively following the rates in force in the Bhadrachalam Agency.

As regards the grant of local allowances to the officers whose headquarters are in the plains but who have also to tour in the Agency, it is submitted that no exactly analogous case in other departments is traceable. As the jurisdiction of these officers includes a large portion of the Agency tracts, it is probably desirable to grant them allowances though at reduced rates. In that case the scale proposed by the Director seems reasonable and may be adopted.

It may be noted in this connexion that the higher rate of travelling allowance now received by the sub-assistants in the Agency tracts is intended to meet their actual travelling expenses, which are naturally very heavy in those tracts and could not well be taken into account in considering the question of the payment of local allowances.

3. *Grant of a local allowance at the rate of 20 per cent of their pay to the teachers and establishment in the Government Secondary School, Bhadrachalam.*—The scale of pay sanctioned for the teachers and establishment in the school is shown in the statement in the current file. The Director proposes to grant a local allowance of 20 per cent of the pay actually drawn to all teachers except the Urdu Munshi. This will result in some cases of the addition of a fraction of a rupee. To avoid this, it appears desirable to fix the local allowance at a definite figure. The scale of local allowance proposed by the Government Agent appears to be somewhat liberal.

Perhaps the rate may be fixed at about one-fifth of the maximum pay of the appointment. The following statement shows the rates recommended by the Director of Public Instruction and the Government Agent and that suggested by the office:—

Designation of appointment.	Sanctioned rate of pay.	Local Allowance proposed by		
		Director of Public Instruction.	Government Agent.	By the office.
Headmaster	Rs. 80—4—80	One-fifth of the actual pay drawn.	20	15
First Assistant	40—2—50	Do.	15	10
Second	35—1—40	Do.	10	8
Third	30—1—35	Do.	10	7
Fourth	25—1—30	Do.	10	6
Fifth	20—1—25	Do.	5	6
Sixth	15—1—20	Do.	5	6
Seventh	15—1—20	Do.	5	6
Pandit	20—1—30	Do.	5	6
Drawing master	20—1—25	Do.	5	5
Gymnastic Instructor	15—1—20	Do.	5	5
Peon	7		1	1

4. *Grant of a local allowance of Re. 1 each to the supervisors' peons.*—The supervisors in the agencies (9 in number) have already been granted local allowances of Rs. 10 each in G.O. No. 513, Educational, dated the 11th May 1916. It is now

proposed to give their peons a local allowance of one rupee each per mensem. This is the amount sanctioned for peons in the Revenue and other departments and seems unobjectionable.

5. *Grant of the maximum rates of travelling allowance admissible under the rules to the clerks and peons accompanying the assistant inspectors touring in the agencies and the grant of a daily allowance of annas four to all peons accompanying inspecting officers on tour in the Agency tracts.*—As pointed out by the Accountant-General, the above clerks and peons are allowed half as much again as the ordinary rates in respect of daily allowances and mileage, except in the case of the peons of the Superintendent of Hill Schools, Northern Circars (now included among the supervisors) and the Sub-Assistant Inspector of Schools, Jeypore range, who get a fixed daily allowance of four annas each. It may not be desirable to accord differential treatment in the case of peons touring in the agency and the proposal to grant all peons a daily allowance of annas four may be approved. As regards the clerks under assistant inspectors touring in the agency, it is for consideration whether the daily allowance referred to in paragraph 1 (b) under article 1140 of the Madras Supplement to the Civil Service Regulations may be held to apply as in the case of the clerk under the Superintendent of Hill Schools (now supervisor). The pay of the clerks employed under the assistant inspectors is either Rs. 20 or Rs. 30. Under the existing rules, those who draw Rs. 20 are entitled to a daily allowance of annas six and those whose pay is Rs. 30 to a daily allowance of annas nine. If the concession referred to above is extended to them, they can draw daily allowances at the rate of annas eight and one rupee respectively. No additional concession as regards mileage appears necessary—vide page 218 of the Madras Supplement to the Civil Service Regulations.

6. *Revision of the salaries of teachers in the elementary schools in the Bhadrachalam Agency.*—The present and proposed scales of pay are shown in paragraph 6 of the Director's letter. The present proposal is to raise the minimum pay in all schools to Rs. 15 following the scale—sanctioned in G.O. No. 351, Educational, dated the 19th June 1911, for elementary schools in the Nugur taluk and to raise correspondingly the higher grades. In G.O. No. 594, dated the 29th May 1916, the pay of school masters in hill schools in the Vizagapatam Agency has been fixed at Rs. 15— $\frac{2}{2}$ —20 per mensem. There appears therefore to be no objection to the fixing of the minimum pay of trained teachers at Rs. 15 per mensem.

The Director proposes that the pay of an untrained teacher may be fixed at Rs. 12. It is, however, observed that in certain recent cases (e.g. G.O. No. 28, Educational, dated the 9th January 1915 and G.O. No. 584, dated the 3rd May 1917) the Director recommended only Rs. 10 for such teachers and this rate is also considered sufficient by the Agent. No reasons have been advanced in support of the present proposal. For orders whether the Director of Public Instruction may be asked (u.o.) to report on the point.

As regards the rates of pay to be given to teachers employed in schools having more than one teacher, the Divisional officer and the Government Agent appear to have no fixed ideas on the subject. The rates proposed for some schools in the abstract statement differ from those given in the proposition statement, and on the whole, the scale suggested by the Director of Public Instruction seems suitable. In respect of schools at Gowridevipeta and Venkatapuram employing three teachers, the Director proposes Rs. 25, Rs. 20 and Rs. 15 while the Government Agent, Gōdāvari, recommends only Rs. 20, 15 and Rs. 15. The reasons for this departure are not clear. The present scale in the school at Venkatapuram is only Rs. 20, Rs. 15 and Rs. 15. The Director of Public Instruction may perhaps be consulted and it is proposed to grant to the teachers employed in the schools at Marayagudam, Chintur, Kummuru, Jidiguppa, Pochavaram and Kunnavaram (Muhammadan) a duty allowance of Rs. 3 in addition to the pay on account of the unhealthiness of the locality. In the statement in the current file, it is stated that the allowance is now being paid and should be continued. In calculating the extra cost, the Director of Public Instruction however treats these allowances as new allowances to be sanctioned by the Government. The position is not therefore clear. The Director may therefore be asked to state whether the allowances are now being actually paid and if so to quote the Government Orders sanctioning them. The

teacher employed in the Kunnavaram school draws a local allowance of Rs. 3 under the sanction accorded in G.O. No. 559, dated the 11th August 1911, but this must of course be extinguished when the pay is raised from Rs. 12 to Rs. 15. If the allowances are to be newly sanctioned, the Director may be asked to specify more clearly the reasons for the recommendation. All parts of the agency are more or less unhealthy, and it does not appear desirable to grant a concession which will inevitably be claimed by teachers employed in other portions of the agency also.

7. For orders whether the file may be sent (u.o.) to the Director of Public Instruction for remarks on the above.

S.A.—25-9-17.

N.K.—27-9-17.

The need for the grant of agency allowances generally has already been placed before Government and it is presumed that difficulty is felt in filling up the posts and that the allowances are proposed with a view to make the appointments attractive.

The Director of Public Instruction may be requested u.o. to note further with reference to points A to E on pages 2 to 3 supra.

C. RAMANUJA ACHARIYAR—1-10-17.

Regarding M on page 2 supra I notice that the agency area of the jurisdiction of the officers varies considerably; and it is unfair to give the same allowance to all such officers.

If the enhanced rate of travelling allowance is inadequate to secure complete inspection, it seems to be that the additional allowance recommended should be in the form of so many annas per diem spent in the agency.

R. RAMACHANDRA RAO—2-10-17.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

A Rupees 3 and Rs. 2 were proposed by the Inspector and approved by the Government Agent to mark a difference between the peons of officers of the agency tracts and of those who only occasionally tour in them—the allowances found sufficient for revenue peons in Bhadrachalam should however suffice for educational peons and attenders.

2. E The teachers of the six schools now get Rs. 15, those of Marayagudem and Kunnavaram (Muhammadan) getting each Rs. 12 pay and Rs. 3 local allowance and those of the other four Rs. 15 pay. These rates have been given on account of the unhealthiness of the localities. See my letter in G.O. No. 737, Educational, dated the 28rd October 1911.

Now that the minimum pay of teachers in the agency tracts is proposed to be fixed at Rs. 15—it has been held that the six teachers above referred to who are to be employed in unhealthy localities in the interior of the agency tracts should have a preference by being awarded a local allowance of Rs. 3. The statement that the allowance is now being paid was made by the Government Agent and seems to mean that Rs. 12+Rs. 3 local allowance is equivalent to Rs. 15 pay.

As for the special unhealthiness of the six schools for which a duty allowance of Rs. 3 is proposed, I have perforce to rely on the statements of the local officers. They are, I presume, in a position to resist claims for similar allowances from teachers employed in more healthy places. It may be presumed that there are degrees of insalubrity even in the agency.

The fundamental principle of the changes is clear, i.e., a minimum pay of Rs. 15 for all Agency teachers.

3. C I did not fix Rs. 10 but Government in sanctioning Rs. 15 for the school at Sitampeta Government remarked * that the pay would be limited to Rs. 10 if the teacher be untrained. In consequence of this when the Government Agent recommended Rs. 12 for an untrained teacher if employed in the new school at Erida and the inspector Rs. 10, I supported the latter (G.O. No. 584, dated the 3rd May 1917). I now consider that the difference between a trained and untrained teacher would be sufficiently marked by that between Rs. 15 and Rs. 12. This is the view of the Assistant Agent, Bhadrachalam, the Assistant Inspector, Gōdāvari, and the Inspector of Schools, I Circle, notwithstanding his suggestion of Rs. 10 in one case.

J. H. STONE—11-10-17.

HOME (EDUCATION) DEPARTMENT.

A on page 2 ante.—The Director agrees that the allowances found sufficient for revenue peons in Bhadrachalam should suffice for educational peons and attenders. It is observed that the ordinary revenue peons (on Rs. 7 per mensem) get an allowance of Re. 1 per mensem, while the much (on Rs. 10) in the Divisional office, Bhadrachalam, gets an allowance of Rs. 2 per mensem. Apparently as suggested in paragraph 2 of the office-note on page 2 ante, the Director thinks that the attenders who get Rs. 10 should be given Rs. 2. These suggestions may be accepted.

2. M on page 2 ante and the Secretary's note on page 4 ante.—The Director has not offered any remarks on this point. Apparently he has no modification to suggest in his original proposals.

3. B on page 2 ante.—Here again the Director of Public Instruction has offered no remarks. Probably he sees no objection to the scale suggested by the office.

I presume so.

R.R.—30-10-17.

4. C on page 3 ante.—Please see the Director's remarks above. For orders whether, in the circumstances explained by him, the pay of an untrained teacher may be fixed at Rs. 12 each per mensem.

Yes.

R.R.—30-10-17.

5. D on page 3 ante.—No remarks have been offered by the Director on this point. It is presumed that he accepts the scale of Rs. 20, Rs. 15 and Rs. 15 for the schools at Gowridevipeta and Venkata-puram.

Yes.

R.R.—30-10-17.

6. E on page 3 ante.—The Director's remarks on this point will be found on page 3 ante. It is for consideration whether his suggestion to pay an allowance of Rs. 3 each to the teachers in the six schools may be accepted.

Yes.

R.R.—30-10-17.

7. The file has now to be forwarded to Financial for remarks.

S.A.—19-10-17.

N.K.—22-10-17.

It may probably be better to get a definite reply from the Director of Public Instruction on the points referred to in paragraphs 2, 3 and 5 of the above note.

C. RAMANUJA ACHARIYAR—26-10-17.

M I shall be thankful to Financial for advice.

R. RAMACHANDRA RAO—30-10-17.

FINANCIAL DEPARTMENT.

The proposals of the Director of Public Instruction as modified by Home (Education) Department for the grant of certain concessions to the officers of the Educational Department serving in Ganjam, Vizagapatam and Godavari Agencies may be considered under the following heads:—

	Extra cost per mensem.
I. Revision of pay of teachers in certain elementary schools in Bhadrachalam taluk.	Rs. 147
II. Grant of local allowances to certain subordinates of the Educational Department.	268
III. Grant of increased rates of travelling allowance to certain clerks and peons.	Not known.
Total extra cost (under establishments) ...	415
	per mensem or
	Rs. 4,980 per annum.

2. *Necessity for the proposals.*—In 1914, the Sub-Collector, Bhadrachalam, brought to notice the necessity for the grant of local allowances to Educational Department officers in that division—vide paragraph 11 of his letter on page 17 of G.O. No. 2685, Judicial, dated 2nd December 1914. The Government Agent, Godavari, now states that, in the absence of any reasons for treating the servants of the Educational Department differently in the matter of the grant of local allowances, the privilege should be extended to the employees of this department. The question of these allowances seems therefore to require consideration, but it is not clear whether such consideration is of “imperative and immediate necessity.” If it is decided that it may be so treated the details of the proposals are examined below.

3. *I. Revision of pay.*—The main features of the proposed revision are—

(a) raising the minimum pay of teachers from the present general rate of Rs. 10 or Rs. 12 to Rs. 15 and the consequent revision of the higher grades. The rate of Rs. 15 is to be given only for trained teachers; for untrained teachers the rate is to be Rs. 12.

(b) grant of duty allowances of Rs. 3 each per mensem to six teachers on account of their serving in more unhealthy tracts.

4. *Item (a).*—In the circumstances stated in paragraph 6 on pages 3-4 ante, the proposal to fix the minimum pay at Rs. 15 may, it is submitted, be accepted. The

L.E.K.—27-11-17. pay proposed for untrained teachers, viz., Rs. 12, may also be agreed to—please see

paragraph 3 of Director of Public Instruction's note on page 5 ante. The scales of pay for schools having more than one teacher (including the schools at Gowridevipeta and Venkatapuram) as proposed in the current file, and modified with reference to the notes on pages 3 and 5 ante do not call for special remarks.

5. *Item (b).*—These allowances are proposed in view of the special unhealthiness of the localities, as compared with other parts of the Agency. Attention is in this connexion solicited to pages 30-33 of notes to G.O. No. 2688, Revenue, dated 31st August 1917, where this department has held that, for purposes of local allowances, a uniform rate should be adopted throughout the Vizagapatam Agency in respect of revenue subordinates irrespective of the degree of unhealthiness in the various localities. If this principle is applied in the present case, the six teachers in question need not be granted the allowances proposed. It is for orders

I don't think we can differentiate in this fashion. This would open the door to proposals for the grant of local allowances to men in other parts. I think Financial must advise against this proposal.

Yes; especially as the men are usually local residents.
L.D.—27-11-17.

L.E.K.—27-11-17.

whether the grant of the allowances will be accepted as a special case. If so, the allowances may be classed as ‘local’ and not as ‘duty’ as they will be granted in view of the unhealthiness of the localities.

The Director of Public Instruction has not proposed a general grant of local allowances, as these teachers are usually men of the locality and living in the Agency is cheap. It is submitted that these teachers seem to be practically permanently employed in the Agency throughout their service and as such the proper remuneration for them may, as proposed by the Director of Public Instruction, be by the grant of increased rates of pay (when compared with the rates in the plains) and not by granting local allowances (cf. Mr. Horne's note, dated 18th February 1914, on pages 4-5 of notes to G.O. No. 897, Revenue, dated 23rd March 1914).

6. In view of the substantial increase of remuneration now to be sanctioned, it is submitted that all teachers in the 35 schools may, it is submitted, be declared ineligible for grain compensation allowance. Present incumbents who may be adversely affected may be granted personal allowances which will not count for leave allowances and pension.

L.E.K.—27-11-17.

T.R.N.N.—10-11-17.

7. *II Grant of local allowances.*—The proposals are for the grant of local allowances to—

- Sub-Assistant Inspectors and their establishments in the Agency tracts.
- The teachers and establishment in the Government Secondary School, Bhadrachalam, Godavari district.
- The Supervisor's peons.

8. *Item (a).*—These are divided into two classes.

- Those whose headquarters are in the Agency tracts.
- Those who have headquarters on the plains but tour also in the Agency tracts.

The rates of allowances proposed in respect of these are as follow:—

	Class (i).	Class (ii).
	RS.	RS.
Sub-Assistant Inspectors (Rs. 75 to 200) ...	20	10
Clerk (Rs. 20) ...	5	2
Attender (Rs. 10) ...	2	1
Peon (Rs. 7) ...	1	1

Compared with the scales sanctioned for revenue officers (vide table at top of page 2 ante), the rates proposed for class (i) are moderate and may, it is submitted, be approved.

As regards the class (ii) officials, it is submitted that it does not appear that local allowances can be sanctioned. These officials are granted increased rates of travelling allowance when they tour through the Agency tracts and this seems sufficient. Please see in this connexion the Financial Department notes marked in blue chalk on page 9 of notes to G.O. No. 341, Home (Judicial), dated 24th April 1917. For orders.

I agree.

L.E.K.—30-10-17.

L.D.—30-10-17

9. *Item (b).*—Please see the statement on page 2 ante. The Director of Public Instruction proposed the grant of a local allowance of 20 per cent of the pay actually drawn. As this would result in some cases in the addition of a fraction of a rupee, the Home (Education) Department suggests a fixed local allowance at about 20 per cent of the maximum pay as shown in the last column of the statement referred to

L.E.K.—30-10-17.

L.D.—30-10-17.

10. *Item (c).*—It is proposed to grant a local allowance of Re. 1 each to the peons of the 9 supervisors in the Agency tracts. The supervisors have already been granted a local allowance of Rs. 10 each in G.O. No. 513, Educational, dated 11th

May 1916. The proposal to grant a local allowance of Re. 1 to each of their peons

L.E.K.—30-10-17. may be accepted. This is the amount
L.D.—30-10-17. sanctioned for the peons in the Revenue
Department—vide G.O. No. 2688, Revenue, dated 31st August 1917.

11. *III Increased rates of travelling allowances.*—The proposals are to grant the maximum rates of travelling allowance admissible under the rules to the clerks and peons accompanying the Assistant Inspectors touring in the Agency, and the grant of a fixed daily allowance of 4 annas each to all the peons accompanying inspecting officers on tour in the Agency tracts.

These clerks and peons are now allowed half as much again as the ordinary rates in respect of daily allowances and mileage.

The Home (Education) Department states that the clerk and peons accompanying the Superintendent (now Supervisor) of Hill schools, Northern Circars, are now given increased daily allowances at rates specified in paragraph 1 (b) under article 1140 of the Madras Supplement to Civil Service Regulations and recommends that the same rates of daily allowance should be given to the clerks and peons in question, as it is not desirable to accord a differential treatment to these men. They do not however recommend any increase in the rate of mileage.

Enhanced rates of daily allowances specified in paragraph 1 (b) under article 1140 of the Madras Supplement to Civil Service Regulations were granted to the clerks and peons of the Superintendent of Hill schools apparently because of the expensiveness of travelling in hill tracts (vide letter to Government of India No. 1107, Financial, dated 10th October 1899, and G.O. No. 1298, Financial, dated 27th November 1899). The members of the office establishment of the Agent and Special Assistant Agent of Godavari when touring throughout the agency tracts (including apparently also the hill portions) and the clerks and peons of the Public Works Department touring in the agency tracts of Gānjām, Vizagapatam and Godavari are also given the same increased rates of daily allowance (vide letter to Government of India No. 1107, Financial, dated 10th October 1899 and G.O. No. 43, Financial, dated 17th January 1913).

Presumably the clerks and peons of the assistant inspectors and the peons of the other inspecting officers in question have also to travel through the hill and other portions of the agency tracts where travelling is very expensive. For orders therefore whether the proposal of the Home Department may be approved. If approved, the peons will get As. 4 each instead of

We may accept this. L.E.K. As. 3, as hitherto, and the clerks of assistant inspectors whose pay is either Rs. 20 or 30 will get As. 8 and one rupee instead of As. 6 and As. 9 respectively.

12. The proposals set out in the foregoing paragraphs are to take effect only from 1st March 1918, and no extra cost will therefore be incurred in the current year.

A draft order is submitted for approval. It may be sent to Financial for acceptance and for noting the number of sanction.

2. The 'Urdu munshi' has also been included in the list of teachers in the Bhadrachalam Secondary school who are to be granted local allowances. The Director of Public Instruction has separately reported that the munshi's pay is to be met hereafter from Government funds, as the private contribution hitherto received has ceased, and has definitely proposed the payment of local allowance to him also. In connexion with that case it has been noted that the munshi would be included in the present proposals.

3. Orders regarding the payment of enhanced rates of travelling allowance are presumably to issue in Financial (please compare G.O. No. 214, Financial, dated 12th April 1916). Paragraph 4 of the draft has accordingly been put in.

Please see paragraph (ii) of Director of Public Instruction's letter. It was not then proposed to grant any local allowance to the Urdu munshi (pay Rs. 20) as he was paid from private funds (vide also proposition statement from which it will be seen that the appointment was also temporary). The post has now been made permanent and the cost is to be met from Provincial funds. It is therefore now proposed to grant this munshi also a local allowance of Rs. 5. From the statement on page 2 ante it will be seen that the Gymnastic Instructor whose maximum pay is Rs. 20 is to be given a local allowance of Rs. 5, and the Urdu munshi may also, it is submitted, be allowed the same allowance.

2. With reference to paragraph 4 of the draft order, it is submitted that separate orders may issue in the department on receipt of the Government order and a copy of the notes.

3. The draft order may, it is submitted, be accepted in the department, the sanction being registered as No. 9 of 1918-19, and the file returned to Home (Education) unofficially.

Submitted that there seems to be nothing either in the Council Rules or Inter-departmental rules prohibiting the course suggested by the Assistant Secretary. The following paragraph is accordingly submitted for approval. If approved, the Home (Education) Department may be requested to incorporate it in their order:—

"The Government also sanction the grant to the clerks accompanying the assistant inspectors and the peons accompanying all inspecting officers on tour in the agency tracts, of increased daily allowance at the rates sanctioned for the clerks and peons of the Superintendent of Hill Schools, Northern Circars (vide paragraph (b) under article 1140 of the Madras Supplement to Civil Service Regulations)."

Letter—from J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government Home (Education) Department (through the Accountant-General).

Dated—Madras, the 7th August 1917.

No.—R.O. 4229 of 1916.

In enclosing herewith copies of the marginally-noted communications from the Government Agent, Gōdāvari, R.O. No. 245/Ag., dated 10th May 1916.
Government Agent, Gōdāvari, D. Dis. No. 189/Ag., dated 8th April 1916.
Endorsement of the Inspector of Schools, I Circle, R.O. Mis. No. 722 dated 21st February 1917.
Letter from Inspector of Schools, I Circle, R.O. Mis. No. 256, dated 2nd July 1917.

Inspector of Schools, I Circle, and the Government Agent, Gōdāvari, for the perusal of Government, I have the honour to submit for their sanction the following proposals for the grant of local allowances to the officers of this department employed in the Agency tracts of the Ganjām, Vizagapatam and Gōdāvari districts and their establishments.

2. The Government Agent, Gōdāvari, states that the Government servants of departments other than the Educational employed in the Bhadrachalam division are being granted local allowances and that in the absence of any reasons for treating the servants of this department differently in this respect the privilege should be extended to the employees of the Educational Department. He therefore proposes the grant of local allowances as shown in the enclosed proposition statements received from him (1) to all the teachers employed in the Government secondary school, Bhadrachalam, in proportion to their pay excepting the Urdu munshi who is at present paid from private funds; (2) to the establishment of the Sub-Assistant Inspector of Schools, Bhadrachalam range and (3) to the peon of the Supervisor, Bhadrachalam, the Supervisor himself having already been granted a local allowance of Rs. 10 per mensem in G.O. No. 513, Education, dated 11th May 1916. He does not propose the grant of local allowance to the Sub-Assistant Inspector, Bhadrachalam, as he considers that the double fixed travelling allowance of Rs. 50 per mensem now drawn by that officer is sufficient to cover the extra expenses incurred in travelling. As regards the teachers in the Government elementary schools the Government Agent states that there is at present much disparity in their salaries for which there is no reasonable justification and that the need for a uniform scale has long been felt, and he accordingly proposes a revision of the scale of their pay on the model of the rates sanctioned for schools in the Nugur taluk. He thinks, however, that no local allowance is necessary for the teachers whose pay is not more than Rs. 20 as they are usually men of the locality who do not require any special addition to their pay on account of the unhealthiness, etc., of the locality, and living in the Agency is cheap.

3. On receipt of the Agent's proposals, I asked the Inspector of Schools, I Circle, to ascertain from the Government Agents of Ganjām and Vizagapatam districts whether they are in favour of recommending similar allowances to the educational officers employed in their respective Agencies.

The Government Agent, Vizagapatam, considers (1) that the Sub-Assistants and their establishments who are required to reside in the agency may be granted local allowances, viz., Rs. 25 in the case of a Sub-Assistant Inspector, Rs. 3 in the case of the clerk and Rs. 2 in the case of the attender;

(2) that Sub-Assistant Inspectors who have their headquarters in the plains and who have to visit the agency occasionally may be given a local allowance of Rs. 10 per mensem, their clerks Rs. 2 and the attenders Re. 1 per mensem;

(3) that as regards the teachers in Government Elementary Schools the scale of salaries, honoraria, and rent-free quarters to which teachers in hill schools will be entitled under the scheme sanctioned in G.O. No. 594, Educational, dated 29th May 1916, are sufficient inducement to attract the right sort of men for these posts and that no special allowance is needed for them.

4. The Government Agent, Ganjām, agrees with the Government Agent, Vizagapatam, in thinking that local allowances should be granted to the Sub-Assistant Inspectors who have work in the Agency, those who have their head-quarters in the agency being given a higher rate than those who have their head-quarters in the plains and who tour in the agencies occasionally. Like the Government Agent, Gōdāvari, he is not in favour of granting local allowance to teachers in elementary schools as in his opinion most of the agency teachers in Ganjām belong to the agency tracts and do not require any special treatment.

5. The Inspector of Schools, First Circle, in supporting the views of the Government Agents suggests that the Assistant Inspectors and their establishment who have to tour in the agencies periodically be also granted local allowance.

6. In the circumstances set forth, I agree with the Government Agents in thinking that the grant of local allowance to the officers and other servants employed in this department, is but reasonable, the grounds being the same as those which actuated Government to sanction similar allowances to the supervisors of hill schools (vide G.O. No. 513, Educational, dated 11th May 1916) and I beg accordingly to make the following proposals, viz. (i) that the Sub-Assistant Inspectors having their headquarters in the agency including the Sub-Assistant Inspector, Bhadrachalam range, and their establishments be allowed a higher rate of local allowance and those who reside outside the agency and make occasional tours into it a lower rate of local allowance and that the rates of allowance may be as follows:—

(a) Sub-Assistant Inspectors who have headquarters in the agency.

- (1) Bhadrachalam range.
- (2) Jeypore range (Vizagapatam district).
- (3) Balliguda range (Ganjām district).

Rate of local allowance.

	Rs.
Sub-Assistant Inspector	20 per mensem.
Clerk	5
Attender	3
Peon	2

(b) Sub-Assistant Inspectors whose headquarters are outside the agency but who occasionally tour into it.

- (1) Parlakimedi range (Ganjām district),
- (2) Yellamanchilli,
- (3) Vizagapatam district,
- (4) Parvatipur,
- (5) Palaconda (Vizagapatam district),
- (6) Peddapur (Gōdāvari district) and
- (7) Vizagapatam Muhammadan range.

Rate of local allowance.

	Rs.
Sub-Assistant Inspector	10
Clerk	2
Attender	1
Peon	1

(* The Balliguda range attender being given the allowance only if he goes into camp.)

(ii) that a local allowance of 20 per cent of their pay be granted to the teachers and establishment in the Government Secondary school, Bhadrachalam, excepting the Urdu munshi who is at present paid from private funds.

(iii) that the supervisors' peons be granted a local allowance of Rs. 1 each/the supervisors having already been granted a local allowance of Rs. 10 each.

(iv) that the clerk and peon accompanying the Assistant Inspectors who have to tour in the Agencies be allowed the maximum rates of travelling allowance admissible to them under the rules, the Assistant Inspectors who are allowed travelling allowance under the Civil service Regulations being left out of account.

(v) that peons accompanying inspecting officers on tour to the Agency tracts be allowed a daily allowance of 4 annas in all cases.

(vi) that instead of any local allowance the scale of salaries of the teachers in the Government elementary schools in the Bhadrachalam taluk be revised and fixed on the principle that a school with two teachers should be allowed Rs. 20 and 15, with three teachers Rs. 25, 20 and 15 with four teachers Rs. 25, 20, 2 (15) and so on—the difference in pay proposed by the Government Agent and the Inspector for trained and untrained man, i.e., Rs. 15 in the case of the former and Rs. 12 in the case of the latter being observed—and teachers employed in schools situated in unhealthy localities being given an extra allowance of Rs. 3 per mensem. The present scale and the revised scale recommended are given below:—

ENCLOSURES

(1)

Letter—from the Government Agent, Gōdāvari.

Dated—the 10th May 1916.

No.—R.C. 245/Ag.

With reference to paragraph 2 of your Proceedings Dis. No. 1171 dated the 25th February 1916, the Sub-Collector, Bhadrachalam, reports that an Agency allowance is being granted to all the officers of the other Government departments in the Bhadrachalam division and that he sees no reason why the members of the Educational Department should not enjoy the same privilege, and submits proposals for the grant of local allowance to the following according to the rate allowed to the officers of the Revenue Department:—

- (1) All the teachers and peons in the Government Secondary School, Bhadrachalam.
- (2) Supervisors of elementary schools.

In regard to the teachers in the elementary schools of the Bhadrachalam taluk, he observes that there is much disparity in their salaries and that there is no reason sufficient to justify its continuance any longer. He suggests therefore that the rates of pay prescribed in G.O. No. 381 of 18th June 1911, for most of the teachers in the schools of the Nūgar taluk, may be ordered to be adopted and proposes that sanction for the scale of pay noted hereunder may be obtained—

Single teacher—trained Rs. 15 per mensem—untrained Rs. 10.

Two teachers—Rs. 20, 15.

Three teachers—Rs. 20, 15, 15.

Four teachers—Rs. 25, 20, 15, 15.

Five teachers—Rs. 30, 25, 20, 15, 15.

The Inspector of Schools who has been consulted in the matter recommends Agency allowance to all the educational staff in the Agency including the Sub-Assistant Inspector of Schools and his office establishment. He however differs from the Sub-Collector in the rates of pay of the untrained teachers and proposes Rs. 12 instead of Rs. 10. I am of opinion that Rs. 10 is quite sufficient for an untrained man.

I have therefore the honour to request that you will be so good as to obtain the sanction of Government for the grant of Agency allowance and for the revised scale of pay of the elementary school teachers of the Bhadrachalam division as proposed by the Divisional Officer, Bhadrachalam. A proposition statement in duplicate and another showing the rates of pay in the several schools of the Bhadrachalam division are enclosed.

The Divisional Officer adds that there is one objection to the general uniformity in the scale of pay proposed by him. Under the existing system it is possible for him to reduce a teacher from Rs. 15 to 12 or 10, but as now proposed, there will be 37 on Rs. 15, if trained, Rs. 10, untrained but there will be no possibility of reducing them. I therefore suggest that he may be empowered after due formalities to reduce any individual teacher on Rs. 15 to 10.

D. Dis. No. 189/Ag, dated 9th April 1917.

In reply to your letter R.C. No. 4229 of 1916, dated the 23rd January 1917, I have the honour to forward copy of the Bhadrachalam Assistant Agent's report, D. Dis. No. 393, Revenue, dated the 24th March 1917, together with copies of statements A to E submitted by him.

2. I support the proposals generally, but am doubtful of necessity of local allowances for men whose salaries are not more than Rs. 20. Such men are usually men of the locality who do not require local allowances on account of their families having to live separately in the plains, while living in the Agency is cheap.

(3)
Endorsement—of the Inspector of Schools, I Circle.
No.—R.O. 722 Mis. of 1916.

Dated—the 21st February 1917.

Submitted to the Director of Public Instruction, Madras, with reference to his Proceedings R.O. No. 4229/16, dated 5th January 1917, and recommended that the allowances should be given to the Agency officers at the rates mentioned by the Agent. The Agent, Ganjam, stated in his letter Dis. No. 829, dated 27th November 1916, that he is not in favour of the proposal, as most of the Agency teachers in Ganjam Agency belong to the Agency tracts and that there is no need to grant the allowance to them.

2. With reference to paragraph 4 of the Agent's letter, the presidents of district boards, Vizagapatam and Koraput, have been addressed. A report with regard to the allowance to teachers under the control of local boards will be submitted on receipt of their replies.

(4)
Letter—from the Inspector of Schools, I Circle.
Dated—the 2nd July 1917.

No.—R.O. 256 Mis.

In reply to Proceedings R.O. No. 4229/16, dated 28th May 1917, I have the honour to report as follows.

The Agent to the Governor in Ganjam thinks that Sub-Assistant Inspectors who live in the Agency should have a local allowance of Rs. 20, Rs. 5 and Rs. 2, for themselves, their clerk and peon and that for those who only tour in the agency occasionally, it is sufficient to draw Agency rates of travelling allowances.

The attender may, in the case of Ganjam district, be left out of account, as the headquarters of Balliguda range is in the plains, at Russelkonda, and the attender need never be taken into the Agency either there or at Parlakimedi. But in case an additional Agency range be constituted, as already proposed, the attender could be given a local allowance of Rs. 3.

It may be noted that the Agent to the Governor in Vizagapatam proposed Rs. 25 Rs. 3 and Rs. 2 in place of the figures of the Agent to the Governor in Ganjam and Rs. 10 Rs. 2 and Re. 1, with regard to officers occasionally touring in Agency.

I. Ganjam.—the ranges concerned are:—

(a) Balliguda.—The Sub-assistant Inspector draws Rs. 50, travelling allowance, throughout the year and mileage at ordinary travelling allowance rates. The Deputy Tahsildars get a local allowance of Rs. 80 and Rs. 100 respectively, and in addition a daily allowance of half as much again as in the plains, and their clerks get Rs. 10 per mensem.

(b) Parlakimedi.—Sub-Assistant Inspector and clerk draw double fixed travelling allowance and mileage when in the Agency.

The Sub-Assistant Inspectors peons should, in all cases in Ganjam, Vizagapatam and Godavari, be given a daily allowance of four annas (As. 4) similar to all other Agency peons including even the peons of the Supervisors of Hill Schools, instead of As. 3 as at present. This was recently sanctioned for the peon of the Sub-Assistant Inspector of Schools, Jeypore.

II. Vizagapatam.—(1) Eilamanchili, (2) Vizagapatam, (3) Parvatipur, (4) Palkonda, (5) Vizagapatam Muhammadan Range, (6) Jeypore.

As Agency travelling is viewed with such apprehension and is undertaken with such extreme reluctance, I think that in all these eight cases as well as Bhadrachalam and Peddapur (Godavari district), the existing rates may be supplemented by a uniform local allowance, viz., for Sub-Assistant Inspectors resident in the Agency.

Rupees 25 Sub-Assistant Inspector (as suggested by Vizagapatam Agent).

" 5—clerk
" 2—peon
" 3—attender } (as suggested by Ganjam Agent),

i.e., Bhadrachalam (Godavari), Jeypore, (Vizagapatam) and Balliguda (Ganjam) may be reckoned in this category. (The Balliguda attender only if he goes into camp).

And for Sub-Assistant Inspectors who occasionally tour in the Agency; this will include the Assistant Inspector and his establishment and the establishment of the Inspector.

Rupees 15 or Rs. 20—Assistant Inspector (who has not even a medicine chest).

" 10—Sub-Assistant Inspector
" 2—clerk
" 1—attender
" 1—peon } (as suggested by Vizagapatam Agent),

i.e., Parlakimedi (Ganjam), Yellamanchili, Vizagapatam, Parvatipur, Palkonda (Vizagapatam), Peddapur (Godavari), and Vizagapatam Muhammadan Sub-Assistant Inspector. Peons in all cases to get As. 4 daily allowance.

Endorsement of the Accountant-General, No. Godi. 2-9237, dated 27th August 1917.

Forwarded.

2. The entries in the column 'Present scale' have been compared with the registers of this office and are found to be correct.

3. There is no audit objection to the proposed revision of pay of the teachers in the elementary schools in the Bhadrachalam taluk and to the grant of local allowances in other cases being sanctioned by Government. Attention is however invited to the confidential Memorandum of Government, No. 8349-1, Financial, dated the 28th December 1915.

4. The allowances may be classed as 'compensatory.'

5. The rates of daily allowance and mileage now admissible to the clerk and peon of assistant inspectors and to the peons of other inspecting officers on tour in the Agency tracts are half as much again as the ordinary rates under articles 1063 and 1034, respectively, of the Civil Service Regulations, except the peons of the Superintendent of Hill Schools, Northern Circars, and the Sub-Assistant Inspector of Schools, Jeypore range, who are, however, allowed daily allowance at the rate of 4 annas. There is no audit objection to the peons being allowed a rate of 4 annas in all cases and to the daily allowance or mileage or both of the assistant inspector's clerk being increased either in a definite ratio or in any other suitable manner under article 1139 of the Civil Service Regulations. The scale of allowances now prescribed for members of other office establishments while on tour in the Agency tracts is given under article 1140 in the Madras Supplement to the Civil Service Regulations.

Sanctionment of the Accountant General, No. 252, dated 1918

2. The Government are unable to entertain the proposal to grant local allowances to officers who have their headquarters in the plains but who occasionally tour in the Agency tracts as they are granted increased rates of travelling allowances when touring in those tracts.

3. The Director's proposals for the revision of the pay of the teachers employed in the Government elementary schools in the Bhadrachalam taluk are approved subject to the undermentioned modifications :—

(i) The pay of the three teachers employed in each of the schools at Gowri-devipeta and Venkatapuram will be fixed at Rs. 20, Rs. 15 and Rs. 15.

(ii) The proposal to grant a duty allowance of Rs. 3 per mensem to the teachers employed in the schools at Marayagudem, Chintur, Kummuru, Jidiguppa, Pochavaram and Kunnavaram (Muhammadian) is disallowed.

The sanction will have effect from the 1st March 1918 and has been registered as No. 9 of 1918-19.

With effect from the introduction of the new scale of pay, grain compensation allowance will be withdrawn and such of the teachers as are adversely affected by the arrangement will be granted personal allowances which will not however count for leave allowances and pension.

4. The Government also sanction the grant to the clerks accompanying the assistant inspectors and the peons accompanying all inspecting officers on tour in the agency tracts, of increased daily allowances at the rates sanctioned for the clerks and peons of the Superintendent of Hill Schools, Northern Circars—vide paragraph 1 (b) under article 1140 of the Madras Supplement to the Civil Service Regulations.

From the Director of Public Instruction, dated 7th August 1917, No. 4229.

The proposals of the Director which are summarised on pages 4 and 5 of current file are examined below.

The need for the grant of local allowances to officers of the Educational department serving in the Agency tracts was first brought to notice by the Sub-Collector, Bhadrachalam in 1914—page 17 of G.O. No. 2685, Judicial, dated 2nd December 1914. The question has been under correspondence since then between the Director of Public Instruction and the Government Agents.

2. Grant of local allowances to the sub-assistant inspectors and their establishments in the Agency tracts.—The rates of allowances proposed by the Director are shown below :—

Designation.	Rate of allowance per mensem in the case of officers	
	who have head-quarters in the Agency (a).	who have head-quarters in the plains but tour also in the Agency. (b).
	RS.	RS.
(a) (1) Bhadrachalam range.		
(2) Jeypure range.		
(3) Bangada range.		
(4) Parlakimedi range.		
(5) Yellanchilli range.		
(6) Vinagipatnam range.		
(7) Pervur do.		
(8) Palakonda do.		
(9) Peddajur do.		
(10) Vissapattam range.		
Sub-Assistant Inspector (Rs. 75 to Rs. 200) ...	20	10
Clerk (Rs. 20) ...	5	2
Attender (Rs. 10) ...	3	1
Peon (Rs. 7) ...	2	1

The scales of allowances sanctioned in the case of Revenue officials in the agencies are as follows :—

	Ganjam (Baltiguda).		Godavari (Bhadrachalam).	
	Salary.	Allowances.	Salary.	Allowances.
<i>Vissapattam Agency.</i>	RS.	RS.	RS.	RS.
(i) Officers on Rs. 30 and over—30 per cent of salary.	25	10	70	20
(ii) Officers below Rs. 30 including attenders—50 per cent subject to maximum of Rs. 8.	20	10	40	15
(iii) All Peons (Rs. 9) —1 Ro. [Grain compensation allowance has been recently withdrawn in the case of all revenue subordinates.]	7	1	20	5
			Muchi ...	10
			Daffadar ...	9
			Peon ...	7
			Deputy Tahsildar ...	150
			Tahsildar ...	100
			Deputy Tahsildar ...	150
			Tahsildar ...	25

From the above it will be seen that the scale of allowance proposed for the sub-assistant inspectors and their clerks who have their headquarters in the Agencies is very moderate. As regards the attenders and peons, it is for consideration whether the allowances proposed may be reduced from Rs. 3 and Rs. 2 to Rs. 2 and 1 respectively following the rates in force in the Bhadrachalam Agency.

As regards the grant of local allowances to the officers whose headquarters are in the plains but who have also to tour in the agency, it is submitted that no exactly analogous case in other departments is traceable. As the jurisdiction of these officers includes a large portion of the Agency tracts, it is probably desirable to grant them allowances though at reduced rates. In that case the scale proposed by the Director seems reasonable and may be adopted.

It may be noted in this connexion that the higher rate of travelling allowance now received by the sub-assistants in the Agency tracts is intended to meet their actual travelling expenses, which are naturally very heavy in those tracts and could not well be taken into account in considering the question of the payment of local allowances.

3. Grant of a local allowance at the rate of 20 per cent of their pay to the teachers and establishment in the Government Secondary School, Bhadrachalam.—The scale of pay sanctioned for the teachers and establishment in the school is shown in the statement on page 17, current file. The Director proposes to grant a local allowance of 20 per cent of the pay actually drawn to all teachers except the Urdu Munshi. This will result in some cases of the addition of a fraction of a rupee. To avoid this, it appears desirable to fix the local allowance at a definite figure. The scale of local allowance proposed by the Government Agent (page 17, current file) appears to be somewhat liberal. Perhaps the rate may be fixed at about one-fifth of the maximum pay of the appointment. The following statement shows the rates recommended by the Director of Public Instruction and the Government Agent and that suggested by the office :—

Designation of appointment.	Sanctioned rate of pay.	Local Allowance proposed by		
		Director of Public Instruction.	Government Agent.	By the office.
Headmaster	Rs. 60—4—80	One-fifth of the actual pay drawn.	20	15
First Assistant	40—2—50	Do.	15	10
Second	35—1—40	Do.	10	8
Third	30—1—35	Do.	10	7
Fourth	25—1—30	Do.	10	6
Fifth	20—1—25	Do.	5	5
Sixth	15—1—20	Do.	5	5
Seventh	15—1—20	Do.	5	5
Pandit	20—1—30	Do.	5	5
Drawing master	20—1—25	Do.	5	5
Gymnastic Instructor	15—1—20	Do.	5	5
Peon	7		1	1

4. *Grant of a local allowance of Rs. 1 each to the supervisors' peons.*—The supervisors in the agencies (9 in number) have already been granted local allowances of Rs. 10 each in G.O. No. 513, Educational, dated the 11th May 1916. It is now proposed to give their peons a local allowance of one rupee each per mensem. This is the amount sanctioned for peons in the Revenue and other departments and seems unobjectionable.

5. *Grant of the maximum rates of travelling allowance admissible under the rules to the clerks and peons accompanying the assistant inspectors touring in the agencies and the grant of a daily allowance of annas four to all peons accompanying inspecting officers on tour in the Agency tracts.*—As pointed out by the Accountant-General, the above clerks and peons are allowed half as much again as the ordinary rates in respect of daily allowances and mileage, except in the case of the peons of the Superintendent of Hill Schools, Northern Circars (now included among the supervisors) and the Sub-Assistant Inspector of Schools, Jeypore range, who get a fixed daily allowance of four annas each. It may not be desirable to accord differential treatment in the case of peons touring in the agency and the proposal to grant all peons a daily allowance of annas four may be approved. As regards the clerks under assistant inspectors touring in the agency, it is for consideration whether the daily allowance referred to in paragraph 1 (b) under article 1140 of the Madras Supplement to the Civil Service Regulations may be held to apply as in the case of the clerk under the Superintendent of Hill Schools (now supervisor). The pay of the clerks employed under the assistant inspectors is either Rs. 20 or Rs. 30. Under the existing rules, those who draw Rs. 20 are entitled to a daily allowance of annas six and those whose pay is Rs. 30 to a daily allowance of annas nine. If the concession referred to above is extended to them, they can draw daily allowances at the rate of annas eight and one rupee respectively. No additional concession as regards mileage appears necessary—vide page 218 of the Madras Supplement to the Civil Service Regulations.

6. *Revision of the salaries of teachers in the elementary schools in the Bhadrachalam Agency.*—The present and proposed scales of pay are shown in paragraph 6 of the Director's letter, ~~pages 5 and 6 of current file~~. The present proposal is to raise the minimum pay in all schools to Rs. 15 following the scale—sanctioned in G.O. No. 381, Educational, dated the 19th June 1911, for elementary schools in the Nugur taluk and to raise correspondingly the higher grades. In G.O. No. 594, dated the 29th May 1916, the pay of school masters in hill schools in the Vizagapatam Agency has been fixed at Rs. 15—~~2~~—20 per mensem. There appears therefore to be no objection to the fixing of the minimum pay of *trained* teachers at Rs. 15 per mensem.

The Director proposes that the pay of an untrained teacher may be fixed at Rs. 12. It is, however, observed that in certain recent cases (e.g. G.O. No. 28, Educational, dated the 9th January 1915 and G.O. No. 584, dated the 3rd May 1917) the Director recommended only Rs. 10 for such teachers and this rate is also considered sufficient by the Agent. No reasons have been advanced in support of the present proposal. For orders whether the Director of Public Instruction may be asked (u.o.) to report on the point.

As regards the rates of pay to be given to teachers employed in schools having more than one teacher, the Divisional officer and the Government Agent appear to have no fixed ideas on the subject. The rates proposed for some schools in the statement ~~on page 13 of current file~~ differ from those given in the proposition statement ~~on pages 18-20, current file~~, and, on the whole, the scale suggested by the Director of Public Instruction ~~on page 5 of current file~~ seems suitable. In respect of schools at Gowridevipeta and Venkatapuram employing three teachers, the Director proposes Rs. 25, Rs. 20 and Rs. 15 while the Government Agent, Godavari, recommends only Rs. 20, 15 and Rs. 15. The reasons for this departure are not clear. The present scale in the school at Venkatapuram is only Rs. 20, Rs. 15 and Rs. 15. The Director of Public Instruction may perhaps be consulted

(u.o.). It is proposed to grant to the teachers employed in the schools at Marayagudam, Chintur, Kummuru, Jidiguppa, Pochavaram and Kunnavaram (Muhammadian) a duty allowance of Rs. 3 in addition to the pay on account of the unhealthiness of the locality. In the statement on page 14, current file, it is stated that the allowance is now being paid and should be continued. In calculating the extra cost, the Director of Public Instruction however treats these allowances as new allowances to be sanctioned by the Government. The position is not therefore clear. The Director may therefore be asked to state whether the allowances are now being actually paid and if so to quote the Government Orders sanctioning them. The teacher employed in the Kunnavaram school draws a local allowance of Rs. 3 under the sanction accorded in G.O. No. 559, dated the 11th August 1911, but this must of course be extinguished when the pay is raised from Rs. 12 to Rs. 15. If the allowances are to be newly sanctioned, the Director may be asked to specify more clearly the reasons for the recommendation. All parts of the agency are more or less unhealthy, and it does not appear desirable to grant a concession which will inevitably be claimed by teachers employed in other portions of the agency also.

7. For orders whether the file may be sent (u.o.) to the Director of Public Instruction for remarks on the above.

S.A.—25-9-17.

N.K.—27-9-17.

The need for the grant of agency allowances generally has already been placed before Government and it is presumed that difficulty is felt in filling up the posts and that the allowances are proposed with a view to make the appointments attractive.

The Director of Public Instruction may be requested u.o. to note further with reference to points A to E on page 14 supra.

C. RAMANUJA ACHARIYAR—1-10-17.

Regarding M on page 2 supra I notice that the agency area of the jurisdiction of the officers varies considerably; and it is unfair to give the same allowance to all such officers.

If the enhanced rate of travelling allowance is inadequate to secure complete inspection, it seems to be that the additional allowance recommended should be in the form of so many annas per diem spent in the agency.

R. RAMACHANDRA RAO—2-10-17.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

A Rupees 3 and Rs. 2 were proposed by the Inspector and approved by the Government Agent to mark a difference between the peons of officers of the agency tracts and of those who only occasionally tour in them--the allowances found sufficient for revenue peons in Bhadrachallam should however suffice for educational peons and attenders.

2. E The teachers of the six schools now get Rs. 15, those of Marayagudem and Kunnavaram (Muhammadian) getting each Rs. 12 pay and Rs. 3 local allowance and those of the other four Rs. 15 pay. These rates have been given on account of the unhealthiness of the localities. See my letter in G.O. No. 737, Educational, dated the 23rd October 1911.

Now that the minimum pay of teachers in the agency tracts is proposed to be fixed at Rs. 15, it has been held that the six teachers above referred to who are to be employed in unhealthy localities in the interior of the agency tracts should have a preference by being awarded a local allowance of Rs. 3. The statement on page 14 of the file that the allowance is now being paid was made by the Government Agent and seems to mean that Rs. 12 + Rs. 3 local allowance is equivalent to Rs. 15 pay.

As for the special unhealthiness of the six schools for which a duty allowance of Rs. 3 is proposed, I have perforce to rely on the statements of the local officers. They are, I presume, in a position to resist claims for similar allowances from teachers employed in more healthy places. It may be presumed that there are degrees of insalubrity even in the agency.

The fundamental principle of the charges is clear, i.e., a minimum pay of Rs. 15 for all Agency teachers.

3. I did not fix Rs. 10 but Government in sanctioning Rs. 15 for the school at Sitampeta Government remarked

*G.O. No. 28, Educational, dated the 9th January 1915. In this case the Director did not propose any scale for an untrained teacher. The Government however, fixed it at Rs. 10 following the recommendation made by the Director himself on a previous occasion—please see paragraph 1, page 1 of notes to G.O. No. 28, Educational, dated 9th January 1915, and page 2 of G.O. No. 675, dated the 6th June 1914.

untrained teacher would be sufficiently marked by that between Rs. 15 and Rs. 12. This is the view of the Assistant Agent, Bradrachalam, the Assistant Inspector, Godavari, and the Inspector of Schools, First Circle, notwithstanding his suggestion of Rs. 10 in one case.

J. H. STONE—11-10-17.

HOME (EDUCATION) DEPARTMENT.

A on page 2 ante.—The Director agrees that the allowances found sufficient for revenue peons in Bhadrachalam should suffice for educational peons and attenders. It is observed that the ordinary revenue peons (on Rs. 7 per mensem) get an allowance of Re. 1 per mensem, while the muchis (on Rs. 10) in the Divisional office, Bhadrachalam, gets an allowance of Rs. 2 per mensem. Apparently as suggested in paragraph 2 of the office-note on page 2 ante, the Director thinks that the attenders who get Rs. 10 should be given Rs. 2. These suggestions may be accepted.

2. M on page 1 ante and the Secretary's note on page 1 ante.—The Director has not offered any remarks on this point. Apparently he has no modification to suggest in his original proposals.

3. B on page 1 ante.—Here again the Director of Public Instruction has I presume so. R.R.—30-10-17. offered no remarks. Probably he sees no objection to the scale suggested by the office.

3/ 4. C on page 1 ante.—Please see the Director's remarks on pages 8 and 9 ante. For orders whether, in the circumstances explained by him, the pay of an untrained teacher may be fixed at Rs. 12 each per mensem. Yes. R.R.—30-10-17.

3/ 5. D on page 1 ante.—No remarks have been offered by the Director on this point. It is presumed that he accepts the scale of Rs. 20, Rs. 15 and Rs. 15 for the schools at Gowridevipeta and Venkatapuram. Yes. R.R.—30-10-17.

4/ 6. E on page 1 ante.—The Director's remarks on this point will be found on page 7 and 8 ante. It is for consideration whether his suggestion to pay an allowance of Rs. 3 each to the teachers in the six schools may be accepted. Yes. R.R.—30-10-17.

7. The file has now to be forwarded to Financial for remarks.

6 NOTES TO G.O. No. 1654, HOME (EDUCATION), 22ND DECEMBER 1917

It may probably be better to get a definite reply from the Director of Public Instruction on the points referred to in paragraphs 2, 3 and 5 of the above note.

C. RAMANUJA ACHARIYAR—26-10-17.

M I shall be thankful to Financial for advice.

R. RAMACHANDRA RAO—30-10-17.

FINANCIAL DEPARTMENT.

The proposals of the Director of Public Instruction as modified by Home (Education) Department for the grant of certain concessions to the officers of the Educational Department serving in Ganjam, Vizagapatam and Gōdāvari Agencies may be considered under the following heads:—

	Extra cost per mensem. RS.
I. Revision of pay of teachers in certain elementary schools in Bhadrachalam taluk.	147
II. Grant of local allowances to certain subordinates of the Educational Department.	268
III. Grant of increased rates of travelling allowance to certain clerks and peons.	Not known.

Total extra cost (under establishments) ... 415
per mensem
or
Rs. 4,980 per annum.

2. *Necessity for the proposals.*—In 1914, the Sub-Collector, Bhadrachalam, brought to notice the necessity for the grant of local allowances to Educational Department officers in that division—vide paragraph 11 of his letter on page 17 of G.O. No. 2685, Judicial, dated 2nd December 1914. The Government Agent, Gōdāvari, now states that, in the absence of any reasons for treating the servants of the Educational Department differently in the matter of the grant of local allowances, the privilege should be extended to the employees of this department. The question of these allowances seems therefore to require consideration, but it is not clear whether such consideration is of “imperative and immediate necessity.” If it is decided that it may be so treated the details of the proposals are examined below.

3. *I. Revision of pay.*—The main features of the proposed revision are—

(a) raising the minimum pay of teachers from the present general rate of Rs. 10 or Rs. 12 to Rs. 15 and the consequent revision of the higher grades. The rate of Rs. 15 is to be given only for trained teachers; for untrained teachers the rate is to be Rs. 12.

(b) grant of duty allowances of Rs. 3 each per mensem to six teachers on account of their serving in more unhealthy tracts.

4. *Item (a).*—In the circumstances stated in paragraph 6 on pages 14 ante, the proposal to fix the minimum pay at Rs. 15 may, it is submitted, be accepted. The

L.E.K.—27-11-17.

pay proposed for untrained teachers, viz., Rs. 12, may also be agreed to—please see paragraph 3 of Director of Public Instruction's note on page 14 ante. The scales of pay for schools having more than one teacher (including the schools at Gowridevi-peta and Venkatapuram) as proposed on pages 5-6, current file, and modified with reference to the notes on pages 7 and 11 ante do not call for special remarks.

5. *Item (b).*—These allowances are proposed in view of the special unhealthiness of the localities, as compared with other parts of the Agency. Attention is in this connexion solicited to pages 30-33 of notes to G.O. No. 2685, Revenue, dated 31st August 1917, where this department has held that, for purposes of local allowances,

I don't think we can differentiate in this fashion. This would open the door to proposals for the grant of local allowances to men in other parts. I think Financial must advise against this proposal.

Yes; especially as the men are usually local residents.
L.D.—27-11-17.

L.E.K.—27-11-17.

whether the grant of the allowances will be accepted as a special case. If so, the allowances may be classed as 'local' and not as 'duty' as they will be granted in view of the unhealthiness of the localities.

The Director of Public Instruction has not proposed a general grant of local allowances, as these teachers are usually men of the locality and living in the Agency is cheap. It is submitted that these teachers seem to be practically permanently employed in the Agency throughout their service and as such the proper remuneration for them may, as proposed by the Director of Public Instruction, be by the grant of increased rates of pay (when compared with the rates in the plains) and not by granting local allowances (cf. Mr. Horne's note, dated 18th February 1914, on pages 4-5 of notes to G.O. No. 897, Revenue, dated 23rd March 1914).

6. In view of the substantial increase of remuneration now to be sanctioned, it is submitted that all teachers in the 35 schools mentioned on pages 5 of current file,

L.E.K.—27-11-17.

may, it is submitted, be declared ineligible for grain compensation allowance. Present incumbents who may be adversely affected may be granted personal allowances which will not count for leave allowances and pension.

T.K.N.N.—10-11-17.

7. *Grant of local allowances.*—The proposals are for the grant of local allowances to—

- Sub-Assistant Inspectors and their establishments in the Agency tracts.
- The teachers and establishment in the Government Secondary School, Bhadrachalam, Gōdāvari district.
- The Supervisor's peons.

8. *Item (a).*—These are divided into two classes.

- Those whose headquarters are in the agency tracts.
- Those who have headquarters on the plains but tour also in the Agency tracts.

The rates of allowances proposed in respect of these are as follow:—

	Class (i).		Class (ii).	
	RS.	RS.	RS.	RS.
Sub-Assistant Inspectors (Rs. 75 to 200)	...	...	20	10
Clerk (Rs. 20)	...	...	5	2
Attender (Rs. 10)	...	...	2	1
Peon (Rs. 7)	...	...	1	1

Compared with the scales sanctioned for revenue officers (vide table at foot of page 1 ante), the rates proposed for class (i) are moderate and may, it is submitted, be approved.

As regards the class (ii) officials, it is submitted that it does not appear that local allowances can be sanctioned. These officials are granted increased rates of travelling allowance when they tour through the Agency tracts and this seems

I agree.

sufficient. Please see in this connexion the Financial Department notes marked in blue chalk on page 9 of notes to G.O. No. 841, Home (Judicial), dated 24th April 1917. For orders.

2
9. *Item (b).*—Please see the statement on page 3 ante. The Director of Public Instruction proposed the grant of a local allowance of 20 per cent of the pay actually drawn. As this would result in some cases in the addition of a fraction of a rupee, the Home (Education) Department suggests a fixed local allowance at about 20 per cent of the maximum pay as shown in the last column of the statement referred to

L.E.K.—30-10-17.

L.D.—30-10-17.

above. Submitted that this scale does not seem to be high and may perhaps be approved.

10. *Item (c).*—It is proposed to grant a local allowance of Rs. 1 each to the peons of the 9 supervisors in the Agency tracts. The supervisors have already been granted a local allowance of Rs. 10 each in G.O. No. 513, Educational, dated 11th May 1916. The proposal to grant a local allowance of Rs. 1 to each of their peons

L.E.K.—30-10-17.

L.D.—30-10-17.

may be accepted. This is the amount sanctioned for the peons in the Revenue Department—vide G.O. No. 2688, Revenue, dated 31st August 1917.

11. *III Increased rates of travelling allowances.*—The proposals are to grant the maximum rates of travelling allowance admissible under the rules to the clerks and peons accompanying the Assistant Inspectors touring in the Agency, and the grant of a fixed daily allowance of 4 annas each to all the peons accompanying inspecting officers on tour in the Agency tracts.

These clerks and peons are now allowed half as much again as the ordinary rates in respect of daily allowances and mileage.

The Home (Education) Department states that the clerk and peons accompanying the Superintendent (now Supervisor) of Hill schools, Northern Circars, are now given increased daily allowances at rates specified in paragraph 1 (b) under article 1140 of the Madras Supplement to Civil Service Regulations and recommends that the same rates of daily allowance should be given to the clerks and peons in question, as it is not desirable to accord a differential treatment to these men. They do not however recommend any increase in the rate of mileage.

Enhanced rates of daily allowances specified in paragraph 1 (b) under article 1140 of the Madras Supplement to Civil Service Regulations were granted to the clerks and peons of the Superintendent of Hill schools apparently because of the

NOTES TO G.O. No. 1654, HOME (EDUCATION), 22ND DECEMBER 1917

expensiveness of travelling in hill tracts (vide letter to Government of India No. 1107, Financial, dated 10th October 1899, and G.O. No. 1298, Financial, dated 27th November 1899). The members of the office establishment of the Agent and Special Assistant Agent of Godavari when touring throughout the agency tracts (including apparently also the hill portions) and the clerks and peons of the Public Works Department touring in the agency tracts of Ganjam, Vizagapatam and Godavari are also given the same increased rates of daily allowance (vide letter to Government of India No. 1107, Financial, dated 10th October 1899 and G.O. No. 43, Financial, dated 17th January 1913).

Presumably the clerks and peons of the assistant inspectors and the peons of the other inspecting officers in question have also to travel through the hill and other portions of the agency tracts where travelling is very expensive. For orders therefore whether the proposal of the Home Department may be approved. If approved,

We may accept this.

the peons will get As. 4 each instead of As. 3, as hitherto, and the clerks of assistant inspectors whose pay is either Rs. 20 or 30 will get As. 8 and one rupee instead of As. 6 and As. 9 respectively.

12. The proposals set out in the foregoing paragraphs are to take effect only from 1st March 1918, and no extra cost will therefore be incurred in the current year.

HOME (EDUCATION) DEPARTMENT.

A draft order is submitted for approval. It may be sent to Financial for acceptance and for noting the number of sanction.

2. The 'Urdu munshi' has also been included in the list of teachers in the Bhadrachalam Secondary school who are to be granted local allowances. The Director of Public Instruction has separately reported that the munshi's pay is to be met hereafter from Government funds, as the private contribution hitherto received has ceased, and has definitely proposed the payment of local allowance to him also. In connexion with that case it has been noted that the munshi would be included in the present proposals.

3. Orders regarding the payment of enhanced rates of travelling allowance are presumably to issue in Financial (please compare G.O. No. 214, Financial, dated 12th April 1916). Paragraph 4 of the draft has accordingly been put in.

FINANCIAL DEPARTMENT.

Please see paragraph (ii) of Director of Public Instruction's letter. It was not then proposed to grant any local allowance to the Urdu munshi (pay Rs. 20) as he was paid from private funds (vide also proposition statement from which it will be seen that the appointment was also temporary). The post has now been made permanent and the cost is to be met from Provincial funds. It is therefore now proposed to grant this munshi also a local allowance of Rs. 5. From the statement on page 2, ante it will be seen that the Gymnastic Instructor whose maximum pay is Rs. 20 is to be given a local allowance of Rs. 5, and the Urdu munshi may also, if submitted, be allowed the same allowance (vide page 2 of the draft).

2. With reference to paragraph 4 of the draft order, it is submitted that separate orders may issue in the department on receipt of the Government order and a copy of the notes.

10 NOTES TO G.O. No. 1654, HOME (EDUCATION), 22nd DECEMBER 1917

3. The draft order may, it is submitted, be accepted in the department, the sanction being registered as No. 9 of 1918-19, and the file returned to Home (Education) unofficially.

N.K.M.—11-12-17.

Necessary provision has been proposed in the budget estimate for 1918-19.

We might as well make the draft self-contained and have done with the case. If this is no breach of the Council Rules involved please draft a paragraph about travelling allowance for incorporation in the draft.

L. E. KERSHAW—13-12-17.

Submitted that there seems to be nothing either in the Council Rules or Inter-departmental rules prohibiting the course suggested by the Assistant Secretary. The following paragraph is accordingly submitted for approval. If approved, the Home (Education) may be requested to incorporate it in their order :—

"The Government also sanction the grant to the clerks accompanying the assistant inspectors and the peons accompanying all inspecting officers on tour in the agency tracts, of increased daily allowance at the rates sanctioned for the clerks and peons of the Superintendent of Hill Schools, Northern Circars (vide paragraph (b) under article 1140 of the Madras Supplement to Civil Service Regulations)."
