Urgent. From (Name) Mr. P. H. Stone, Director of Public Instruction.

To The Secretary to the Government of Madras,
 HOAL (EDUCATION) Department.

Sir, Through the Accountant-General, Madras.

I have the honour to state that the total amount required for payment of teaching grants to elementary schools, boys and girls for the current official year according to the rough estimates submitted by the inspecting officers comes to Rs. 19.44 lakhs in round figures. As there is a budget provision of only Rs. 18.09 lakhs under teaching grants to elementary schools for the current year and as the amounts provided for grants-in-aid to elementary schools in the budget estimates of certain Municipal Councils for the current year will give a sum of Rs. 0.55 lakhs, an additional allotment of Rs. 80,000 will be required during the current year if the amounts

estimated by the Inspecting officers are to be paid in full. I have therefore the honour to submit the enclosed re-appropriation statement in duplicate for the sanction of Govt. as I consider it very important that grants to elementary schools should be paid in full.

2. The favour of very early orders is requested so that the necessary instructions may issue to the Inspecting officers before the conference for assigning teaching grants to elementary schools for the current year begins its sittings which commenced from the 3rd January 1918.

3. I have also the honour to request that Government will be pleased to pass very early orders on the proposal made in para. 2 A (b) (111) of my letter R.O. No. 3146/17 dated 24th June 1917 for raising the rates of certification grants to trained teachers in aided elementary schools so as to enable the conference to calculate the grants for the schools at the increased rates. If the increased rates are not communicated to the Inspecting officers before the conference is over they will have to work out fresh figures for all the schools in which such trained teachers are employed and this will entail a lot of additional work on them and indeed will be practically impossible.

I have the honour to be,
Sir,
Your most obedient servant,

R. A. Srinivas

On this point a reference has been made in L.M. to local bodies. The orders were passed in regard to the teaching grants to be paid to aided schools for the reason that if the minimum pay of teachers in schools under public management is fixed at Rs. 12 ~~and no~~ ~~not to pass~~ uniformly a further small increase in the rate of teaching grants may be necessary. It will be some time before replies to this reference ^{in L.M.} are received and a final decision is arrived at in the matter. If it is finally decided that the minimum pay in schools under public management should be Rs. 12 and if it is found ~~con~~ necessary to raise further the rates of teaching ~~grants~~ ~~this question is~~ increase may be given effect to from 1918-19 onwards. In view of the urgency of the matter ^(it is submitted) that the rates which have already been accepted

Whether the increase to the pay of the teachers in schools under public management is to stop at Rs. 11 or Rs. 12, the increase in the rate of teaching grants is to be uniform.
