Current No. 36 Ed. 3, From the D. P. D., R. C. No. 10452, dated 11.1.1917.

SUBJECT. Supply of certain

publications of the Archaeological Survey of India to the Govt. College at Rajahmundry.

The Govt. College, Rajahmundry

is one of the institutions included in the

p. 8. of No. 717 P. 11.6.12

(18)

Govt. of India distribution list of

Archaeological Survey reports and has

been since 1913 in receipt of all the

reports of the Archaeological Dept.,

Imperial as well as Provincial. The

publications the supply of which is now

asked for are those that are included

in the "New Imperial Series" - Vols. IV, V

and VI. (Vide pp 30 & 31 of the catalogue

of books in the Secretariat Library).

Of these vols IV and V appear to have

been published by the Govt. of Bombay

while vol. VI is a publication of this

Govt.:

2. When in 1913 the D. P. D. desired

the supply of the publications wanted:

reference among several others to

the Rajahmundry and the Kumbakonam

† The copies belonging
to the Secy. Library
are put up.

(Since
received)

6
 colleges it was found that Vol. VI -
 - a Madras publication - was not
 available at the Govt. Press and in
 regard to the others Mr. Burgen
 (Deputy Secretary) remarked
 that there was no need to get the
 reports of other circles unless
 specifically pressed to do so. This
 was presumably because some of
 them were very old publications
 and were consequently difficult
 to get - (vide the notes on page 5
 of G.O. No. No. 1021 Pub, dt the 14th
 August 1913). Perhaps the Govt. of
 India Bombay may ~~now~~ be asked
 whether the two publications of
 that Govt. now specifically
 applied for, viz, vols. IV and V of
 the New Imperial Series can be
 made available and if so to
 arrange for the supply of a copy
 each of them to the Rajahmundry
 College. In regard to Vol. VI, the
 S.G.P. has, as noted above, already
 stated that it is not available.

3 A draft letter to the Govt.
 of Bombay is submitted for approval.
