Sir,

I beg to submit that the Government has
passed G.O. No. 401 Ins. Financial dated 21-2-1893 and
G.O. Nos. 968 M. Ins. dated 15-5-14 and 544 M. Ins. do
20.3.16, for the putting up of railed enclosures round
the Local Sri Meenakshi Sundareswaral Temple and
Sri Gudal Alagar Temple respectively. There are
many a Temple in India (some of them, worthy re-
mark of antiquity already included in the list of Protec-
monuments or fit to be included in those
lected for Conservation) the authorities of
would provide suitable railed enclosures, so as
add to the beauty of the Temples and prevent the
nuisance committed by the side thereof, if, in
light of Section II (1), (a), (b), (c), of the Ancient Mon-
uments Preservation Act III of 04 and in the
of the judgment of the High Court
at Madras in Se

recognised, in Consultation with the Archaeological and Revenue Departments, that the piece of land surrounding the temples within the line of the Gopuram frontage and the corresponding extent on the other three sides are a part and parcel of the Temple sites.

There are two Temples in Madura Town, viz., Sri Hanmai Tharuvar Temple and Ellakulam Sri Pradenna Venkatesaperumal Temple, which would be benefitted by such an order.

I have ventured to write these lines as I am convinced that this is a step in the right direction to advance the cause of Archaeology and Architecture in this great and ancient land. I have no other interest in this matter than that of the public at large.

I beg to remain,
Sir,

Your most obedient Servant,

M. V. Subramania Iyer

Archaeologist.

Second Appeal against the Decree of the District Court of Trichinopoly in Appeal Suit No. 20 of 1903 presented against the Decree of the Court of the District Munsiff of Kulitalai in Original Suit No. 289 of 1902. This Second Appeal coming on for hearing, the Court delivered the following

JUDGMENT:—We think the District Judge was not justified in relying on the Judgment in T. Seshaiyengar, v. R. Regunatha Row, 5 M. H. C. R. 345, to prove the Plaintiff's ownership of the site of the proposed Market, but, under the circumstances, we do not think it necessary to ask for a fresh finding. It is not and could not be seriously questioned that the temple wall, against which it is proposed to erect the Market, is the property of the Devasthanam. If this be so, the presumption is that the property in the street adjoining the wall is *usque ad medium filum Vias* in the Devasthanam subject to the rights vested in the Municipality as owners of the street. The proposed site of the Market is on this side of the street and the Plaintiffs as owners are entitled to institute the suit for an injunction restraining the Municipality from erecting a Market thereon which would be using the site otherwise than for the purpose of a street. The Second Appeal is dismissed with costs.

Sir,

I have the honour to return herewith the original enclosures received with Government Home (Education) Department endorsement No. 4370-1, dated the 2nd December 1916 concerning the provision of railed enclosures to protected monuments and to state that it is not clear from the letter what particular lands Mr. M. V. Subramania Ayyar alludes to. I am of opinion that the matter rests with the Collector. Should that officer consider the proposal to be advisable, there would be no objection to it so far as this Department is concerned.

Subject:- Enclosing the sites adjoining certain temples in the Madras town with railings.

At the instance of the authorities of the Sri Meenakshi Swamy temple and of the Sri Sudal Nagar temple permission was given, subject to certain conditions, to enclose the site adjoining those temples with railings with a view to converting the enclosed portion into a flower garden and to preventing the commission of nuisance in the vicinity of temples. In both these cases the municipality asserted the right of ownership over the strips of land concerned, though the Devasthanam authorities laid claim to them as temple sites. The Govt. however considered that the position taken up by the Devasthanams was untenable and

1914 as modified by No. 544 M., of the

2. Abstract. Mr. M. V. Sulechannayya
 Aygar now asks for a ^{general} broad
 declaration of principle to the
 effect that the pieces of land
 surrounding the temples within the
 line of the Gopuram frontage and the
 corresponding extent on the other
 two sides are a part and parcel of
 the temple sites and adds that such
 an order will be benefitting two
 particular temples in the Madurai town
 viz., the Sri Nannuval Thiruvett temple
 and Telukulam Sri Prasanna
 Venkatesaperumal temples. Mr.

Supt. always a Agent is further of
opinion that a Govt: order of the
kind referred to above may be held to
be justified by the high cost
p. 3e-F. Judgment forwarded by him and
Section 2 (1) of the Ancient Monuments
Preservation Act.

3 The High Court judgment cannot, it is submitted, be safely relied

on in the case of ^{all} temples. The two given
away have been all right in the particular
case which gave rise to it. It is
doubtful whether Section 2 (1) of the Act
can also be interpreted in the way in
which the petitioner does. For that
Section speaks only of such portion of
land adjoining the site of an ancient
monument as may be required for
keeping it in a state of good pre-
servation. In the cases of individual
temples which are protected generally
by walls around, it is doubt not ~~obvious~~
^{necessary} that the land encircling the walls
should be declared to form part and
parcel of the temple for the exclusive
object of preserving it. Each case
will have to be decided on its merits.
By issuing a general order of the
kind suggested the Govt. will most
likely be saving litigation and
unnecessary correspondence. If in the
case of the two temples mentioned in
the current a mailed envelope is
desirable the temple authorities con-
cerned will have to ^{the Municipal Council} move ~~the~~
matter. In any case ^{the issue of} a general
order seems inexpedient. If this view
