No. 346 by

Station Madras, Dated the 24 May 1917.

Enclosures.
1 application &
copy of D.S.E.,
S.W's letter.

From (Name) W. Hutton, Esq., A.M.I.C.E.,
Superintending Engineer,
(Designation) Sanitary Engineer to Government.

To The Chief Engineer,
Public Works Department, Madras.

Sir,

I have the honour to forward herewith the marginally
noted papers relating to M.R.Ry P.A.Ramakrishna Naidu,
Provincial Temporary Surveyor now in charge of the --
Kodaikanal water supply extension and to request that
sanction of Government may be obtained to his general
exemption from passing the Lower Subordinate Test of
the College of Engineering.

2. The Surveyor has put in a total service of about
8 years in this department and has during this period
carried out many water supply investigations and con-
struction works and proved himself superior in capacity
to an ordinary Lower Subordinate of the College of Engi-

Ad 246
25/5

Engineering. He has passed the Government technical examinations in 'Building drawing and estimating,' 'Earthwork and Road making' and 'Mensuration' and also the Sanitary Engineering course of a London institution.

3. The exemption applied for in this office No.720 G. dated 19th September 1913 was granted only up to 31st March 1914 in G.O.No.302-R Edl. dated 20th November 1913 for the first time and this has been renewed year after year. For the last time in G.O.No.121 Edl. dated 25th May 1916 the exemption has been extended up to 31st March 1917. The Deputy Sanitary Engineer Southern and Western Circles under whom the surveyor is working now applies for the permanent exemption of the surveyor as he "is equally good in investigation as well as in execution and, what is more, he has intelligence, tact and energy to carry out any work entrusted to him without any hitch or hindrance even in the most trying circumstances" and as "his work was well done and perfectly satisfactory."

4. Last year permanent exemption was granted to the following unpassed men:--

- (1) Padmanabhan (Vide G.O.No.632-Edl, Mis dated 7th June 1916)
- (2) Venkatarama Ayer (Vide G.O.No.91 Edl-Mis, dated 31st January 1916.)
- (3) Janardanam (Vide G.O.No.45-Edl Mis., dated 11th January 1916.)
- (4) K.V.Narasimha Aiyangar (Vide G.O.No.1253 Home (Education) dated 27th November 1916.)

Mr. P.A.Ramakrishna Naidu is, I venture to say, equal in knowledge and experience to each of these men and in fact even superior to some of them and I am convinced that his retention in Public Works Department by obtaining the exemption sought for will be of benefit to the department.

I have the honour to be,
Sir,
Your most obedient servant,

Superintending Engineer,
Sanitary Engineer to Government.

OFFICE OF SANITARY ENGINEER TO GOVT. MADRAS.
Accompanying to Sanitary Engineers
3464 dated 24.5.17
PUBLIC WORKS DEPARTMENT.

Copy of letter S.W.No.220-S.E. dated 21st April 1917.

From J.R.Thurai Singham, Deputy Sanitary Engineer to Government, Southern and Western Circles; to the Superintending Engineer, Sanitary Engineer to Government, Madras.

I have the honour to submit an application for permanent exemption from the Examination Rules for appointment as a Lower Subordinate in the Public Works Department in the case of Provincial Surveyor M.R.Ry., P.A.Ramakrishna Naidu who has put in so far about 8 years and 3 months of continuous service with us. It is needless for me to remind you about his capabilities as a Surveyor. He is equally good in investigation as well as in execution and what is more he has intelligence, tact and energy to carry out any work entrusted to him without any hitch or hindrance even in the most trying circumstances. His work was always well done and perfectly satisfactory.

He has passed the Government Technical Examinations in Building drawing and Estimating, Earthwork and Road making and Mensuration all before he joined this office. In 1913 he has passed the Sanitary Engineering course of a London Institution.

The Government were pleased to grant him exemption for employment as a Provincial Surveyor from year to year during the past 3 years. I therefore request you will be good enough to get him a permanent exemption as he has without any shadow of doubt proved himself quite suitable for continued employment here as a Provincial Surveyor.

K.R. 22-5-17.

Application for exemption from the Examination rules of an unpassed candidate for employment in the office of Deputy Sanitary Engineer, Southern & Western Circles.

1	Name, age and educational qualifications of the unpassed candidates for whose exemption sanction is sought.	Pagadala Ramakrishna Naidu Age 30	
2	The post in which it is proposed to employ him and the pay proposed to be given to him, whether acting or sub- <i>pro tem</i> , or temporary.	Lower secondary examination .. 1901 Building drawing & estimating .. 1905 Earthwork & Road making .. 1904 Mensuration .. 1905 Sanitary Engineering course of London Institution. .. 1913	
3	The sanctioned pay of the post from which exemption is sought.	Pay of the appointment Rs 85/- Pay proposed to be given Rs 85/-	
4	The examination from which exemption is sought.	Lower subordinate examination of the College of Engineering Madras.	
5	The period for which the appointment is expected to last.	Temporary appointment sanctioned from year to year.	
6	The period for which sanction is now sought (with dates of commencement and termination).	From 1st April 1917 to as long as he holds his present appointment of a temporary Surveyor on the Provincial establishment.	
7	One for a renewal of a sanction, upon the previous order granting sanction the candidate has already been exempted.	Renewal of the exemption sanctioned in G.O.No. 121 Edl., dated 25-5-16. Exempted up to 31-3-17.	
8	What steps have been taken to procure the services of a passed candidate and with what result?	The applicant is one of the Surveyors engaged on investigation work. In this case it is not merely a question of securing a passed man but a man with training and experience in the special work he has to do.	
9	Recommendation of the head of the department.	Ramakrishna Naidu though an unpassed man has experience and qualifications above the average of the investigation Surveyors in this Department. He has been about 6 years in this office as temporary establishment charged to works and since 9th May 1914 as Surveyor on the Provincial temporary establishment.	
10	Remarks.

Bo

Cno. 1583 AD. from the Sanitary Department No. 3462
24-5-17

Subject: Exemption from the Lower Subordinate List

The Sanitary Engineer strongly recommends the permanent exemption from the Lower Subordinate List of MRS. P. A. Ramaschandra Naidu, a Temporary Surveyor, employed in his grade. Permanent exemptions from the Lower Subordinate List are not now generally recommended, but this man's case is quite different to that of ordinary 'draftsmen'. The 'draftsmen' could be easily replaced by equally good paid men, but good 'Surveyors' are rare. ^{set.} We want all we can ~~set.~~ Not only is this man a good Surveyor, but he is a specialised man in Sanitary work, and with many years experience. It would take years to train a man of equal value, and it is obviously to the interest & advantage of Government to retain him. I am strongly in favour of his permanent exemption from the Lower Subordinate List, to enable him to hold the post of a Surveyor in the P.W.D.
