G.O. No. 853.

DATED 26-6-1917

INDEXED

[Despatch Abstract.]

Scholarship.

Declining to award a scholarship to S.Srinivasa Rao to undergo a course of study in Mechanical Engineering in the Victoria Technical Institute, Bombay.

To,

The Secretary to Government,

Educational,

Madras.

Sir,

I, S. Srinivasarao, beg to represent that I am a --- native of Guntur, domiciled in Ganjam District ; my father being in public service as Tahsildar of Aska Taluk, Ganjam.

I passed my Intermediate Examination this year from - the Pachaiyappa's College, Madras, but the circumstances - of my father with a large family of children, whose ----- education much expense, are so narrow that he is unable to continue pecuniary assistance in the prosecution ^{of} the - studies.

I learn that the Madras Government has been pleased - to provide scholarships for the Madras students undergoing Mechanical Engineering Course in Bombay. I beg to suggest that the Telugu Districts and much more an Oriya District like Ganjam which are particularly backward in Technical Education deserve special encouragement in this respect.

I have special aptitude for the Engineering profession and if my claims for a scholarship be sympathetically ---- considered, my services will doubtless be very useful in this backward Ganjam or any of the Telugu Districts, where native Mechanical Engineers are rare.

Under these circumstances, I fervently pray that you will be pleased to move for the grant of a ~~sch~~ scholarship to ~~me~~ enable me to undergo the Mechanical Engineering ----

C.No.2228 A. From S. Srinivasa Rao, Aska, dated the 7th June 1917.

(Subject.)

Application of S.Srinivasa Rao for a Govt. scholarship

The applicant prays for ^{the grant of} a Govt. scholarship to enable him to study mechanical engineering in the Victoria Technical Institute, Bombay. One of the three scholarships tenable in the Institute is still unawarded, but since the institution in the College of Engineering of special scholarships for the study of mechanical and electrical engineering, no scholarships are to be awarded for a course in either of the subjects in the Victoria Technical Institute. Recently however an exception was made in the case of N. Sundararajan who had already joined the Institute to undergo a course in electrical engineering. It is for consideration whether the applicant's request should be entertained.

2. Applications for admission into the Institute should reach the Principal on or before the 7th of June and it appears doubtful whether the candidate ^{will} ~~shall~~ be able to secure admission into the Institute at this late hour (please see notes on pages 6 & 7 of notes to G.O. 825 Edcl. dated the 2nd August 1915).

3. If it is decided to negative the request, the draft below is for approval.

The applicant does not appear to be a suitable candidate for the ~~scholarship~~ ; no is he in time.
