Sir,

In submitting herewith a copy of letter No. 530,
dated 16th November 1916 of the Correspondent of the Gopala-
samudram High School, with the sketch plan and statement
referred to therein, I have the honour to state that the
site marked A is required for the extension of the hostel
and the site D has to be acquired on hygienic grounds as
it is said to be now used as a latrine. The purchase of
these two sites by private negotiations is reported to be
impossible and I therefore recommend that they may be
acquired under the Land Acquisition Act and that a grant
not exceeding one-half of the estimated cost of acquisition

may also be sanctioned.

I have the honour to be,

S i r,

Your most obedient servant,

R. A. Grieve

From the Correspondent, High School, Gopalasamudram,
No. 530, dated 16th December 1916, to the Inspector of
Schools, 7th Circle.

With reference to your R.O.C. 495 Ty of 1914, dated
13th November 1916, I have the honour to submit herewith
a copy of the communication No. 293 dated 3rd June 1914
and to state that all the plots except A and D have been
bought for the school, the owners of the said plots A and
D are vindictively persisting in refusing their sale for
the school. They are urgently wanted for the school use
and they are now in a condition prejudicial to the sanita-
tion of the school.

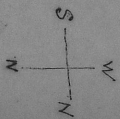

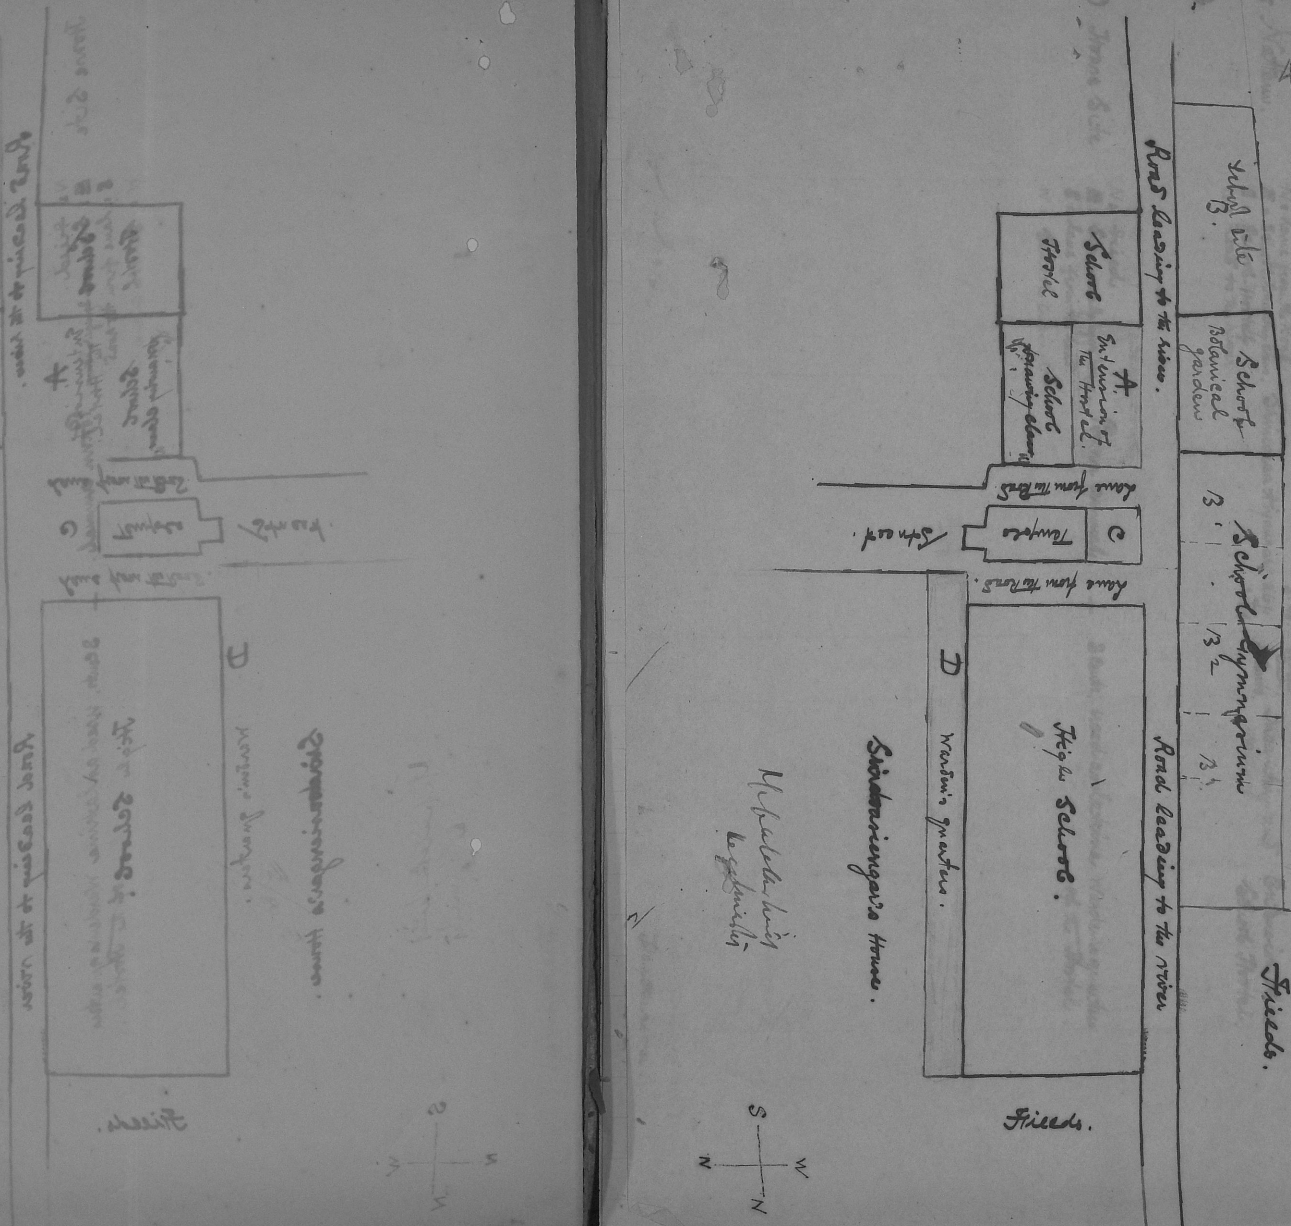

It is therefore requested that the Director of Public
Instruction be kindly moved to acquire the said plots for
the school under the Land Acquisition Act. A tabular state-
ment and a sketch plan are herewith appended for information.

(Designation) Assistant Collector in Charge,
Tinnevely.

To The Secretary to the Government of Madras,
HOME (Educational) Department.

Sir,

I have the honour to resubmit the papers referred to me for remarks with Government endorsement No. 649-1, dated 14-2-1917 ~~and~~ about the proposal to acquire some lands for the Gopalamudram High School, Amcasamudram taluk and to offer the following remarks:-

- (1). The owners of the sites object to part with them on the ground that they are their ancestral property and that they want them for their own use.
- (2). The owners being unwilling to part with the sites for any price it is not possible to make private arrangements for the purchase.
- (3). Of the two plots proposed for acquisition, the

owner of one plot declines to sell it and the owner of the other is a widow who has only a life interest in the property. The application of the Act is therefore necessary.

2. With reference to the recommendation of the Director of Public Instruction that one half of the estimated cost of acquisition might be sanctioned as grant, I submit that the cost of acquisition is estimated at Rs.163-14-0.

I have the honour to be,
