Sir,

Adverting to Government Memorandum No.267-1

dated 10th February 1917, I have the honour to state -- that the owners are willing to part with the lands. The lands are enfranchised inams and it is reported that a valid and clear title to the property can be secured --- without the application of the Land Acquisition Act. -- The owner of S.No. 674 which is one of the fields wanted by the Mission, however, demands an exorbitant price -- for the land and it does not appear that he will come to any reasonable agreement by private negotiation. The owner of S.No. 675-A asks Rs. 130 per acre which the -- Divisional Officer considers reasonable; it has been suggested to the Rev. Mr. Bird, the Manager of the ---- Mission, that, in these circumstances the whole area --

might be secured by him from the owner of 675 but he objects that this arrangement will bring the latrines too near the School kitchens and refectory. It appears therefore necessary to have recourse to the Land Acquisition Act.

1. A plan of the site required is herewith submitted.

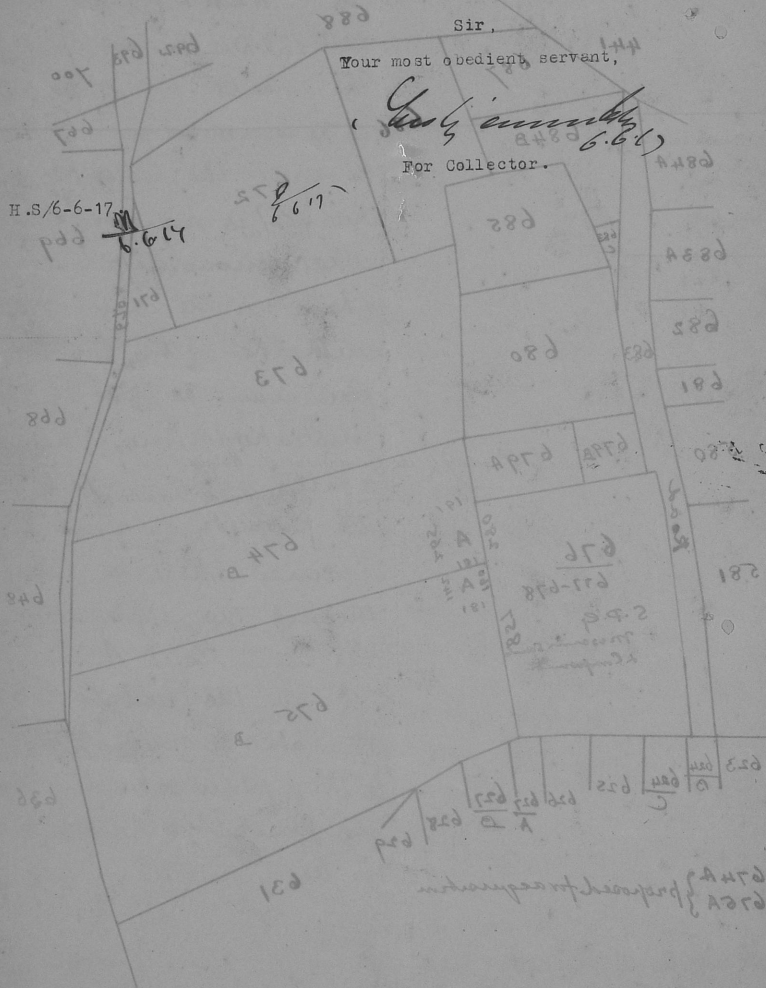

I have the honour to be,

Acquisition of land required for the construction of latrines to the S.P.G. mission high school and training school, Nandyal

[C.267] From the Board of Revenue, Land Revenue, Res. No. 129 R., of the 16th Jan 1917.
~~For Repr.~~

An application for the acquisition of the ~~very~~ sites now proposed was submitted by the Board of Rev., Land Rev., with its Ref. No. 4707-15-1, of the 8th Nov 1915 [p. 1-3 of O.M. No. 2797C/15.2 Res. of the 7th Dec 1915] when it was observed in this dept [p. 6 of memo above] that no grant for the purpose of acquiring land for the S.P.G. mission high school and training school, Nandyal, had been sanctioned by the Govt and that the collector of Kurnool ^{would} ~~and perhaps~~ be called on by the Revenue Dept. to report further. The Revenue dept. thereupon requested the Board of Revenue, in O.M. No. 2797C/15.2, dated the 7th Dec 1915, to resubmit the notification for the acquisition of the land after the school

authorities had applied for and obtained a grant for the purpose of defraying part of the cost of acquisition.

2. The notification for the acquisition of the land estimated to cost Rs 77-10-0 has now been resubmitted and the collector of Kurnool reports in para 2 of his letter on p 2 C.F. that the D.P.F. has sanctioned a grant not exceeding Rs 800 for the construction of the latrines and the acquisition of the sites.

3. The collector has not stated whether the school authorities cannot acquire the lands by private negotiations. A draft memo calling for this information is subd.

(I)

Please see G.O. No. 529 Etd. the 27. 6. 13 under which the application of the Land Acq. Act should ordinarily be restricted to cases in which it has been proved to the satisfaction of Govt. that serious difficulties stand in the way of private purchase or that a valid and clear title to the property is otherwise impossible of attainment. In the present case the Collector of Kurnool reports that the owners are willing to part with their lands and that a valid and clear title to the property can be secured without the application of the Land Acq. Act. The fact that the owner of one of the lands ^{wanted G.O. No. 674 B} demands an exorbitant price is perhaps a reason for acquiring that land; the other land ^(S. No. 175 A) should, it is submitted, be secured by the school authorities by private negotiations.

2. Before, however, passing final orders on the matter it appears desirable to investigate further how far the school manager's objection to secure the entire area he wants from S. No. 674 is valid. A draft memo. to the Collector is sub-
for approval.
