Department.

Sir,

In submitting herewith the letter No.1366 dated 12th April 1917 of the Correspondent, Central High School, Tiruvad with a copy of the Tanjore Divisional Officer's letter referring to therein, I have the honour to state that Government, in their order No.1360 Home (Education) dated 12th December 1916 sanctioned the application of the Land Acquisition Act for acquiring the site marked A in the enclosed plan for a playground for the School. The Divisional Officer states that the si

marked B, C, D, E, F, G and H have also to be acquired. All these sites are now held on lease by the School and they contain the school buildings. The Inspector of Schools, VI Circle, also thinks that the acquisition of these sites is highly desirable. In these circumstances, I recommend that they may also be acquired under the Act and that a grant not exceeding one-half of the cost of their acquisition may be sanctioned.

Sir,

With reference to R. C. No. 4364/14 dated 9-1-17 of the Director of Public Instruction, directing that a sum of Rs. 443 should be remitted into the Tanjore Treasury, on the Collector's calling upon the School authorities to do so, for the acquisition of the play ground site for the school as notified in the St. George Gazette dated 19-12-16 pages 875+876, I have the honor to submit that the Divisional Officer, Tanjore, in his R. C. No. 1940 E/16 dated March 1917, informs me that the Receiver of the Palace Estate, Tanjore objects to the acquisition of the site in question on the ground that access to it cannot be had except through the palace grounds, (all of which are now held on lease by the School) and presses for the acquisition of the whole premises as shown in the plan.

The cost of the whole comes to Rs. 3490 as estimated by the Divisional Officer; Rs 900 for the portion marked A, for which a grant of Rs. 450 has been sanctioned in G. O. No. 47,

Educational, dated 15-1-1915 and Rs. 2590 for the portions marked B. C. D. F. G. and E. & H. which include some play ground also.

In the interest of the School, it is highly desirable to purchase the whole premises, for, when the premises become the property of the School, the accommodation of the School can be greatly improved by the construction of new blocks and there will be reduction in the annual net cost of the School to the extent of Rs. 500-the amount now paid in the shape of rent year after year.

I am quite willing to have the premises acquired under Land Acquisition Act and I therefore request you will kindly sanction a grant of Rupees. 1295 being half the cost of the portions B. C. D. F. G. and E. & H.

Copies of D. P. I. R.C. No. 4364 of 14 dated 9-1-17, and Tanjore, Divisional Officer's communication No. R. C. 1940 E/16, together with the plan of the site to be acquired are herewith sent for favour of your kind reference.

I have the honour to be,
