(EDUCATION)

Sir,

As the sanction accorded in G.O. No. 221 Edl. Mis.,
(N) dated 24th March 1916 to the retention of the four temporary
assistant instructors in the College of Engineering, Madras,
expires in the case of two of them on the 1st April 1917 and
in the case of the other two on the 28th June 1917, I have the
honour to request that Government will be pleased to sanction
the retention of these posts for another year from the dates
mentioned above. The Principal reports that the services of
all the four additional assistant instructors will be required
for the college also during the next official year as there
will be a larger number of students in the next session

007

(i.e., 536 as against 515) and that he hopes to be able to carry on the work of the college without asking for additional instructors.

I beg to add that in reply to a reference from the Chief Engineer on the subject I have informed him that the services of all the four temporary assistant instructors will be required during the next official year to enable him to include the demands in the consolidated statement of requirements of the Public Works Department for 1917-1918 in respect of temporary upper subordinates.

2. Provision for the salaries of the instructors has been included in the Budget Estimate for 1917-1918.

I have the honour to be,

S i r,

Your most obedient servant,

W. S. S.
