Attention is solicited to the notes flagged & in connection with the resolution which the Hon'ble Mr. A. Suryanarayana Rao Pantulu proposes to move at the next meeting of the Legislative Council, recommending that girls' high schools on the model of the Queen Mary's high school at Vizagapatam may be opened at one or more other centres in the Presidency. From this it will appear that the scheme formulated by the Inspectresses for the establishment of secondary schools in certain important centres in the existing three circles is now under the consideration of the D.P.I. The following draft answer is for approval:--

"The question of establishing additional secondary schools for girls is engaging the attention of the D.P.I. The claims of the Telugu districts will receive due consideration along with those of other portions of the Presidency".
