To The Secretary to the Government of Madras,

Department.

Sir,

In G.O.No. 212 Edl., dated 24th February 1915,
the Government sanctioned a grant of Rs.13,545/- towards the
cost of acquiring two houses and certain improvements there-
of for use of the Scottish Ladies Association Girls' school,
Georgetown, Madras. In calculating this grant the Govern-
ment appear to have taken the value of the houses purchased
as Rs.19,000 which was the valuation of the Executive
Engineer, while the price actually paid by the management
was Rs.23,000. The authorities of the school considered
that the Executive Engineer's valuation was low and address-
ed the Chief Engineer requesting a revaluation of the

buildings. This officer now states that the buildings have again been examined carefully and that a valuation of Rs.21,000/- may be taken as a fair approximation, Vide his letter No. 8423^c, dated 20th December 1916 (copy enclosed). The Correspondent in her letter dated 19th January 1917 (copy enclosed) requests that a half grant on the additional cost of Rs.4,000/- may be paid. As the Chief Engineer has increased the original valuation only by Rs.2,000/-, I have the honour to recommend that a half grant on this amount Viz., Rs.1,000/- may be sanctioned.

I have the honour to be,

1. Letter from the Chief Engineer, P.W.D. No. 8423 C., dated 20th November 1916, to the Correspondent, S.L.A Girls' School, Georgetown, Madras.

With reference to the correspondence ending with my letter No. 1633 Wks/B/15-19, dated 29th November 1916, regarding the valuation of the buildings acquired for the C.S.M. Girls' School, I have the honour to state that the buildings have again been examined carefully and that the valuation of Rs.21,000 though perhaps rather low, was on the whole a fair approximation, as it is understood that the actual purchase price was about Rs.23,000/-

2. Letter from the Correspondent, C.S.M.(S.L.A.) Girls' School, 39 and 40 General Muthaiya Mudali Street, Georgetown, Madras, to the Director of Public Instruction, Madras, dated 19th January 1917.

With reference to your Proceedings R.C.No. 8723/13, dated 4th March 1915, I have the honour to state that although the buildings for the C.S.M. Girls' School, Georgetown, were actually purchased for Rs.23,000 a building grant was given towards the purchase taking the valuation of the houses at Rs.19,000. ~~As the valuation of the houses at Rs.19,000.~~ As the valuation was very low, I addressed the Chief Engineer for a correct valuation. The Chief Engineer has now furnished a fresh valuation statement raising the valuation of the buildings to Rs.21,000 as against Rs.23,000 the amount actually paid by us.

The Chief Engineer's note No. 8423 C, dated 20th December 1916, is herewith submitted. He himself thinks that the valuation of Rs.21,000 is rather low.

I therefore, request that you will be so good as to sanction a half grant on the additional cost of Rs.4,000 actually paid for the building.
