From (Name) M. Young, Esq., I.C.S.,
(Designation) Paymaster, Carnatic Stipends, Madras.
Chief
To The Secretary to the Government of Madras,
Public Department.

Sir,

I have the honour to submit for the orders of Government
a petition dated 23rd October 1916 from Abdul Aziz applying for
Government help to enable him to proceed to England to undergo
a course of study in Commerce. The applicant is the son of
Carnatic stipendiary No. 1317 F Amatul Bari Raziat-un-nisa Begam
who is in receipt of a pension of Rs. 150 per mensem under G.O's
308 Pol, dated 17th May 1893 and 884 Pol, dated 30th December 1893.
He is now studying in the M.A.O. College, Aligarh, and is in the
senior B.A. class. I have seen the applicant and seems to be an
intelligent young man.

I have the honour to be,
Sir,
Your most obedient servant,
Paymaster, Carnatic Stipends.

To

The Honourable The Chief Secretary
to the Government of Madras,

Madras.

Through

The Paymaster, Carnatic Stipends,

George Town,

Madras.

Sir,

With sentiments of the most profound respect I beg leave to approach your honour with this humble representation of mine, in the hope that it will evoke your kind consideration on behalf of one belonging, as he does, to a most backward community in point of education and material prosperity to wit the most loyal and respectable 'Khandani family' descended from the first and foremost ally of the British His Highness The Nawab Walajah, struggling hard to come to the front rank in the keen competition rampant every where around.

I beg to submit that I am the son of the late 'Khansahib' Azam Hussain Sahib Bahadur, who after serving in the Madras Accountant General's Office for a period of about 15 years, entered the service of the 14th prince of Arcot at his urgent and pressing request as his Private Secretary, which position he held till his death. Thus he was the Private Secretary to the 4th prince and the present prince of Arcot. His services and character were recognised by the benevolent Govt. and the title of 'Khansahib' was conferred on him in 1910.

Forwarded to the
Paymaster, C.S.
I recommended strongly
for favourable consideration

My mother, Amatul-Bari Raziath-Un-Nissa Begum Sahiba Carnatic Stipendiary No. 1317. F. is the granddaughter of Nawab Ahmad-Un-Nissa Begum Sahiba who is the niece of His Highness Nawab Azim Jah Behadur the first prince of Arcot and grand daughter of His Highness Nawab Azimud-daula Behadur the First Titular Nawab of the Carnatic. She is in receipt of a stipend of Rs150/- P.M. which is the only means of our support since the death of my father.

Thus it will be seen that I am connected with both the Carnatic and Arcot families.

My mother with an income of Rs150/- and with a large family and dependants looking to her alone for support endeavoured her utmost, in these hard days in which the value of the rupee has so mightily fallen, to impart to me sound and liberal education by sending me to the M.A.O. College Aligarh - the nerve centre of the Muhammedan education. I am now in the B. A. senior and to appear for the B.A. Degree Examination of the Allahabad University about the end of March next.

I have taken up Mathematics and Economics with the object of qualifying myself either for the Engineering Department or Accounts. Now I have decided to join the Davar's College of Commerce at Bombay after qualifying myself for the Degree. There I wish to study for the Diploma of 'F.A.A.' which costs Rs600/- and the London course which costs Rs2500/- exclusive of the cost of my stay at Bombay. I will have to go to England and stay there for 4 months to appear for the London course examinations (The Institute of Chartered Accountant and The Society of accounts and Auditors.) Thus the whole course in all costs Rs4000/-.

It is just here that ^{my} humble aspirations meet with a bewilderment of a nature unknown to me as a student

31 6 C
at College under the fostering care of my mother. It is just here that my mother is unable to help me as her slender resources have become all spent. It is just here that I have to seek help, having qualified myself so far to take up the Technical Course and come out successful with distinction.

Where could help be found and where from could I expect it? Surely I do not pitch upon a costly course - my aspiration is simply modest, perhaps this is the cheapest English training that I could have, and Rs4000/- have to be secured. In this difficulty I have no course left but to trust in the Almighty and appeal to the benevolent Government for help. I feel rather encouraged by the willingness of our benign Government to help the descendants of His Highness the Newab Walajah, found in whatever ramification of the family, that help themselves.

In these circumstances, I most humbly request your honour will be graciously pleased to obtain for me the requisite help to prosecute my studies in the special branches as aforesaid and thus enable me to rise higher in the social scale of the family to which I have the honour to belong.

For which act of immense kindness, I shall, in duty bound, ever pray most devoutly for the success and glory of the British Raj and Arms.

I beg to remain,

Sir,

Your most obedient servant

Mohamed Abdul Aziz

The D.P.I. states that the case of the applicant is as good as that of Muhammad Abdul Azim to whom a special scholarship of £ 200 per annum tenable in England for 3 years, was granted in G.O.No.31, dated the 8th January 1917 (vide the D.P.I's endorsement on page 6 c.f.) When Muhammad Abdul Azim first applied for a scholarship in 1914 he was an undergraduate and was told that his case would be considered if he renewed his application after obtaining a good or very fair degree at an Indian University.

2. Abdul Aziz whose application is now under consideration is a student in the senior B.A. class of the M.A.O. College, Aligarh, and desires to study in England with a view to become a Chartered Accountant. It is for consideration whether State help should be extended for this purpose. If his request is to be favourably considered, perhaps he may be asked to renew his application after he has obtained his B.A. degree.
