E. W. NOTE

The proposal to construct at an estimated cost of Rs.26,000/- a Hostel in connection with the High School at Tirukkattupalli, Tanjore District was approved in G.O.No.1304-Home(Education) dated 6-12-1916.

II. The plans and the estimate have been reexamined and the following modifications with respect to paragraphs 2(5), 3, and 4 of the Chief Engineer's Note No.7938-C dated 2-12-1916 embodied in this G.O. are recommended to be adopted:-

(1) Cement concrete for floors previously omitted is now allowed to stand.
(2) In order that there may be sufficient headway under the landings, the stairs should be rearranged as shewn in red on the plan D.P.I. 192(b).

(3) The original design for the front projection is accepted instead of that shewn on C.A.No.235/1916, provided the abutments of the end arches are increased from 2'-3" to 3'-9" and the arch openings reduced in width from 8 feet to 7 feet.

The total amount of the estimate remains unaffected by these alterations.

For Repr.

Respectfully submit that the C.E's note is invariably communicated in full in cases like the one now under disposal - vide ~~the C.E's~~ at Flaps (X) to (XV). It is for orders whether this practice should be deviated from in the present case?

21.2.17

These notes by the C.E. are drafted in P.O.D as "notes" mainly for purposes of communication, and of office notes by the C.E.

Very well - only omit the first two lines & the last two. (The note seems to be a mixture of a C.E.'s note & a Secretarial note).
