The Honourable Mr. P. Siva Rao :

Home (Educational) Department.

80. Will the Government be pleased to state --

(i) whether the question of the buildings for the Government College at Anantapur and the hostel thereto has been settled?

(ii) whether it is intended to construct new buildings for the College and the hostel attached thereto, or whether it is proposed to continue the College in the present buildings intended for the High School?

(iii) If a new building is proposed, whether a site has been ~~shown~~ chosen and whether due provision will be made in this year's Budget for the cost of the buildings?

(iv) Will the Government be pleased to state --

(a) whether they propose to open the (Science Group) in the Intermediate Class in the Government College at Anantapur this year?

(b) whether the provision has been made in the last year's Budget for the purpose, and whether the same will be continued this year also?

(c) If so, whether they will sanction the construction of the workshop and the laboratory forthwith in connection with the new group?

The Ceded Districts College at Anantapur is now temporarily located in the new building constructed by the Government for the Municipal High School, the latter being temporarily located in the Munro's Cutcherry (Please see notes on pages 23, 24 and 30 of notes to G.O.No.649, Educational, dated the 13th June 1916). As regards the hostel, it appears from the D.P.I.'s note on page 11 of notes to G.O.No.958, Home (Education), dated the 11th September 1916, that the Principal proposed to locate it in a rented building.

In paragraph 7 of this letter No.3222, dated the 21st September 1914, printed on page 4 of G.O.No. 1252, Educational, dated the 9th November 1914, the D.P.I. stated that good sites for the permanent location of the college and hostel were available in the municipal extension. Apparently the question of providing permanent buildings for the college and the hostel is to be considered only after some experience has been gained of the working of the college. No provision has been made in the budget for 1917-18 for the construction of permanent buildings. The College was opened only in July last and the Director will move in the matter when the need for permanent buildings arises.

2. The Government have approved the opening of science classes in the College in July 1917 and have sanctioned a sum of Rs.27,000 to meet the cost of gas and electric fittings and furniture required for the laboratory. The D.P.I. has also been requested to take steps for the affiliation of the college to the University of Madras in the Science Group.

3. The following draft answer is submitted for approval:-

The Ceded Districts College at Anantapur is temporarily located in the new buildings intended for the Municipal High School and the college hostel is in a rented building. The question of the construction of permanent buildings for the college and its hostel will be considered after some experience is gained of the working of the college and therefore no provision for the purpose has been made in this or the next year's budget. The Government have approved the opening of science classes in the college in July next and have provided a sum of Rs.27,000 in the budget for 1917-18 to meet the cost of gas and electric fittings and furniture required for the laboratory.
