Q. 128. In view of the later part of the answer given by the Government in reply to question No. 92 dated 21st November 1916 [and also in consideration of the fact that the claims of the members of the Subordinate Educational Service especially of the Collegiate branch, consisting of the Masters of Arts and distinguished graduates, are overlooked now and then by direct recruitments from outside to the Provincial service,] will the Government be pleased to consider the desirability of affording facilities to the members of the Subordinate service to attain the maximum grade within 5 or 7 years instead of in ten years.

NOTES.

Home (Education) Department.

The Subordinate Educational Service consists of two branches - the Collegiate branch and the Inspection branch. The following statement gives in one view the grades and the number of appointments in each grade in the two branches:-

	Class.	No. of posts	Pay Rs.
A. Collegiate branch	I	3	200
	II	6	175
	III	7+1 (temporary)	150
	IV	8+2 - do. -	125
	V	12+3 - do. -	100
B. Inspection branch	I	5	200
	II	11	175
	III	30	150
	IV	31	125
	V	48	100
	VI Probationary	56	75
	Temporary	49	

2. It will be seen from the above statement that the appointments in the Subordinate Educational Service are not on an incremental or time scale but that they are graded. There is no time limit for attaining the maximum. Promotion depends on vacancies. The Additional Member's assumption that at present the members of the Subordinate Educational Service reach the maximum in ten years is therefore incorrect. His proposal (based on incorrect information) cannot therefore be accepted.

3. The following draft answer is submitted for approval:-

"128. The posts in the Subordinate Educational Service

are
 "Service ~~is~~ divided into grades and the promotion
 "of an officer from a lower to a higher grade
 "depends on the occurrence of vacancies in the
 "latter and his own fitness for promotion. It is
 "not a fact that a member of the service attains
 "his maximum pay in a period of ten years or any
 "other defined period. The Government are unable
 "to entertain the Honourable Member's suggestion"

the question and answer as finally approved were as follows:—

Prospects of the Subordinate Educational service.

140 Q.—In view of the latter part of the answer given by the Government in reply to question No. 92, dated 21st November 1916, will the Government be pleased to consider the desirability of affording facilities to the members of the Subordinate service to attain the maximum grade within five or seven years instead of in ten years?

140 A.—The posts in the Subordinate Educational Service are divided into grades and the promotion of an officer from a lower to a higher grade depends on the occurrence of vacancies in the latter and his own fitness for promotion. It is not a fact that a member of the service attains his maximum pay in a period of ten years or any other defined period. The Government are unable to entertain the Honourable Member's suggestion.
