Station Madras, Dated the 5th February 1917

From (Name) Major W.A. Justice, M.B.C.M., D.P.H., I.M.S.,

(Designation) Sanitary Commissioner for Madras.

To The Secretary to the Government of Madras,
Local and Municipal Department.

Sir,

I have the honour to forward for the favourable consideration of Government the accompanying letter (with its enclosure) from the Director, King Institute, Guindy R.C.No.112-1/B dated the 10th. January 1917 recommending that B. Hari Shenol of the Institute be exempted from the educational qualifications for his permanent employment as 3rd. Assistant in the Bacteriological Section on Rs.20-2-30 per mensem which has now fallen vacant consequent on the promotion of the present incumbent to the

post

pp 304 infra

6-2

post of Laboratory Assistant sanctioned in G.O.No. 1793-L.Mis., dated 14th. December 1916.

2. The Director has explained in sufficient detail his reasons for the recommendation made on behalf of the applicant. Hari Shenoi has been specially trained in the technique of the 3rd. Assistant's work and his permanent appointment to the post would be a distinct advantage to the Institute. I therefore strongly support the recommendation.

3. With reference to G.O.No.969,Home (Education), dated the 13th. September 1916, this is an appointment which the G.O. cannot apply to. It is a mechanic's appointment and can only be held by men with particular training apart from any educational qualifications.

I have the honour to be,

Sir,

Your most obedient servant,

M. A. Justice
Major, I.M.S.,

Sanitary Commissioner for Madras.

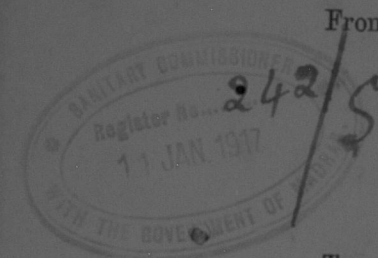

H.V.31-1-17.

R.C. No. 112-1
B.

THE KING INSTITUTE OF PREVENTIVE MEDICINE.

Guindy, 10th January 1917.

From

Dr. F. Maitland Gibson, M.B., B.Sc.,

DIRECTOR,

The King Institute of Preventive Medicine.

To

THE Sanitary Commissioner,

Madras.

Enclosure. Sir,

Two.

In forwarding herewith an application received from B.Hari Shenoi, Dr.M.Kesava Pai's attendant temporarily employed on Rs.17/-/- per mensem under G.O.No.845 L., dated 13-6-16, I have the honour to state that his claim may be considered and sanction of Government may be applied for to get him exempted from the necessary educational qualification required under rule 1 of the Public Service Notification so as to enable him to hold the place of the 3rd Assistant on Rs.20-2-30 in the Laboratory of this Institute.

2.B.Hari Shenoi does not possess the required educational qualification but he is a young and active worker, speaks and writes English, and is well fitted for the post of the 3rd Assistant. He has done laboratory work for nearly 8 years and has had special training in the preparation of media (the routine work of the 3rd Assistant), bacteriological cultivations, staining and microscopic examinations of specimens and identification of organisms in cultures and by microscope. He has been a temporary attendant here for over 3½ years and has acted for 3rd Assistant and sample-taker's places. He is the type of man I had in mind when I suggested the employment of men on special terms. Vide para 4 in page 3 of G.O.No.1296 L., dated 6-10-10. Once trained the value of such men is greatly increased and it would be well to give them some incentive which would

4
would tempt them to stay for their entire career. The ordinary educationally qualified man is older, is not so receptive to experimental training and, when trained, is very apt to leave for a better paid post. All the training given has then to be begun over again with a new man. In consideration of the fact that the work of the appointment is purely technical and not clerical, I would strongly recommend that Hari Shenoi may be exempted from the prescribed educational qualification and the post of the 3rd Assistant conferred upon him.

I have the honour to be,

Sir,

Your most obedient servant,

Pupailand Pitson

M.B., B.Sc.,

DIRECTOR.

Tpd. R.M.

The King Institute, Guindy,

5th January 1917.

To

The Director,

King Institute, Guindy,

Through

The Senior Assistant

&

Dr. M. Kesava Pai

Sir,

I beg leave to place before you the following facts with the request that my claims may be considered in connection with the 3rd Assistant's place which, I learn, has fallen vacant consequent on the permanent incumbent having been appointed to the serum assistant's place.

I was employed in the Pasteur Institute Laboratory, Coonoor, from September 1908 to December 1911 and being anxious to improve my prospects by learning new branches of laboratory work, I got berthed under Captain Cragg, I.M.S. at the King Institute and was assisting him in his entomological research work. Through his kindness I was subsequently posted to the Institute media room when the 3rd Assistant went on deputation to Puri. I worked there for 9 months giving satisfaction to my superiors in every way. On the 3rd Assistant's return, I was made to act for the sample-taker for 3 months. In the meanwhile through your kindness, I was given a berth in the Institute Laboratory on Rs.15/-/- which was subsequently raised to Rs.17/-/- as a result of your kind solicitude on my behalf. During the period I have worked in the Institute from 1913 up to now, I have had ample scope and opportunities of picking up every branch of work, from the preparation of ordinary and special media to the making up of vaccine emulsions, etc. I am quite confident that, in the event of my being given a trial, I shall discharge my duties to your entire satisfaction.

I therefore beg to request that you may be pleased to confer on me the said post, for which act of kindness, I shall in duty

6
duty bound ever pray for your long life and prosperity.

I beg to remain,

Sir,

Your most obedient servant,

B. Hari Sheno

Vaccine Attendant, King Institute.

Recommended - The applicant has been doing good and intelligent work in this laboratory for the last 3 1/2 years, including bacteriological cultivation, staining and microscopic examination of specimens and identification of organisms in cultures & microscopically. He deserves encouragement.

W. S. S. S.

5/1/17

The applicant has made himself very useful. In my opinion he will be a good acquisition to the laboratory. The appointment sought for may be given him if feasible.

OFFICE NOTE.

6

SUBJECT. Exemption of B. Hari Shenoï from general educational qualification for employment as 3rd assistant in the King Institute, Guindy.

From the Sanitary Comm^{ee}, No 299/S, dated 5th Feb-
ruary 1917.

Register No. 877 L.

Please see para 2 of the letter of the Direc-
tor of the King Institute, Guindy, in which
the necessity for granting the exemption applied
for on behalf of B. Hari Shenoï has been
fully explained. The Sanitary Comm^{ee} supports
the Director's proposal. Submitted that the
file may be transferred to the Home (Hd) de-
partment w.o. with the recommendation that
the exemption applied for may be sanctioned
as the work of the 3rd Assistant in question
is purely technical.

para 2 of cf.

para 2 on p. 2 of cf.

H.S.

X Name Dept.
(Ed. 4)

There is no objection to the exemption of the present incumbent of the post as recommended by Lt. M. Since the Sanitary Commr.

para 3 on p. 2 of

X however states that the post in question is a mechanic's apt: and can only be held by men of particular training apart from any

educational qualification to be a point for consideration whether it the post cannot be appropriately excluded from the operation of Art. 1 of the Public Service Notice and included in col. B. of the table appended to Art. 2 of the Notice.

The advantage of following this course is that it will not necessitate the exemption of future incumbents of the post. Perhaps this suggestion may be submitted to Lt. M. for consideration.
