Q.19 In view of the answer to my interpellation No.188 at the meeting of the Council of 21st November 1916 will the Government be pleased to sanction and direct expenditure of an amount at least up to the original grant of Rs.40,000 for meeting the immediate actual needs of the Brennen College, Tellicherry at an early date?

1. The Brennen College building for improving the Brennen college building has already been under way partly by of funds and partly by the grant of a subsidy as to the actual accommodation required which latter is a separate one quaged by July 1917.

2. The Brennen college is one of the few institutions proposed to be taken over by Govt in the model scheme scheme in 1917. It has been made a part of the scheme.

Please see the notes on page 3 of G.O. No. 1353 Home (Edn), dt the 12th December 1916. The proposals for improving the Breunnen college buildings have been allowed to lie over owing partly to want of funds and partly to the present uncertainty as to the actual accommodation required which latter, it is expected, can be quaged ^{only after the re-opening of the college in} July 1917.

2. The Breunnen college is one of the four institutions proposed to be taken over by the Govt in the model school scheme - para. 2 of letter No. 537 Ed of the 16.5.16. A provision of Rs. 20000 has been made in the C.B. 2 for 1917-18 under "45- Civil Works, P.W.D." for the additional buildings

buildings required for all the four institutions to be so taken over. The Additional Member's request for an immediate expenditure of Rs.40,000 on Brennen College alone cannot therefore be complied with. Moreover it will not be profitable to carry on the improvements piece-meal.

3. The following draft answer is suggested for approval:—

we not prepared to sanction expenditure until the actual needs of the college, which are being investigated, are ascertained.

"19. The Government feel that they ~~should determine with accuracy the actual needs of the college before sanctioning any large expenditure on improvements to the buildings. Action is being taken accordingly.~~"
