In the absence of the Director at Delhi

the following information is submitted:-

Query (a) The confirmation of officers in the Supervisor's Cadre is being sanctioned from time to time in the case of Training Schools. But in the case of the Inspection Branch where the number of appointments included in the cadre is much greater, confirmations have been held in abeyance pending the reorganization of the Inspecting agency and the proposed abolition of Supervisors. The query relates to officers "appointed in 1909", which is the year in which the agency was provincialized. The number of officers appointed in that year, who have not yet been confirmed, though fully qualified (by passing the Supervisor's or Sub-Assistant's Test) is only 4 (four).

Query (b) The answer is in the negative. Appointments are permanently filled up in Model Sections of Training Schools.
