From

Kunwar Maharaj Singh, C.I.E.,

Asst. Secretary to the Government of India.

To

The Secretary to the Government of Madras,

Educational Department.

Sir,

The members of the Industries Commission have requested that they may be supplied with any information in regard to the after careers of State scholars which may have become available since the issue of the Report of the committee appointed by the Secretary of State for India to enquire into the existing system of State Technical Scholarships. As the information at the disposal of the Government of India on this point is somewhat incomplete, I am directed to forward a copy of six statements maintained in this Department in regard to State scholars and to request that, with the permission of the Governor-in Council, they may be brought up to date as far as possible by the addition of any further information which may have come into the possession of the local Government since the statements were last brought up to date as a result of the
