Edl., dated 7th May 1915. The Inspectress of Girls'

Schools, Northern Circle, reports that this school which

has standards Infant to Fourth is one of the largest in the Guntur District and that its strength and average attendance have increased from 190 and 173 in 1913-14 to 241 and 217 respectively in 1915-16 as per details given in the margin,

|           | 1913-14.    |                    | 1915-16.    |                     |

| Standard. | Average No. | Average attendance | Average No. | Average attendance. |
| Infant    | 73          | 68                 | 95          | 87                  |
| First     | 49          | 45                 | 58          | 53                  |
| Second    | 32          | 29                 | 47          | 41                  |
| Third     | 24          | 21                 | 25          | 23                  |
| Fourth    | 12          | 10                 | 16          | 13                  |
| Total     | 190         | 173                | 241         | 217                 |

owing to the untiring efforts of the Head master who has been in the school for the past 22 years and been ably assisted by the 1st Assistant,

while there are several schools in the Circle with a strength far below that of the Kollur school where the salaries of the Head teacher and the First Assistant are higher. As an incentive to good work and in view of the importance of the school she requests that the pay of the two posts may be raised from Rs.14 and 12 to Rs.20 and 15, respectively.

The proposal commends itself to me as the average attendance of the school is very encouraging and the increased rates of pay proposed by the Inspectress as reasonable as they are well within the scale recommended in rule 82 of the Madras Educational Rules. The scale of salaries of the six teachers will then be Rs.20, 15, 12 and 3(10).

3. The extra cost involved by the proposal will be Rs.9 per mensem and I request that the necessary provision may be included in the budget estimate for 1917-18.

I have the honour to be,
