M a d r a s.

Sir,

I have the honour to submit for the favourable consideration of Government the case of V. Shaik Badai Sahib, first Audit Clerk on Rs. 35/-, who, though fit for higher appointments, is disqualified by examination rules for promotion.

2. The clerk entered service in 1891 when he was only 16 years old and had passed the old Middle School examination in the second class. He held the post of Dufterbund in the Deputy Tahsildar's Office at Chengam for nearly four years from October 1891, during which period, however, he was employed on clerical duties, and

2

his exceptionally good work there attracted the attention of successive Sub Collectors who recorded their appreciation of it in high terms in their inspection notes. In his letter of 16th February 1895, R.O.C. No. 6277--A.C. - of 1894, Mr. A. E. Castlestuart Stuart, then acting - Collector, moved the Board of Revenue for the exemption of Badai Sahib from examination rules to enable him to - appear for tests qualifying for the Tahsildar's grade and to be appointed to the post of Taluk Gumastah up to Rs. - 20/- which, it may be noted, was then the pay of the Taluk Head Gumastah since raised to Rs. 35/-. The Government was pleased to sanction his appointment as a clerk on pay up to Rs. 20/- but said nothing with regard to the other recommendation. (G.O. No. 228--Educational dated 15th March 1895). His appointment as a clerk, however, - helped him to pass the Precise Writing test and the Account test (Lower) in 1896 when a chance was given to all - permanent men then in superior service to appear for - certain special tests. (Vide Notification on page 307 of the Port St. George Gazette Part I--B, dated 14th July 1896). As this concession was not allowed again, the - clerk sought for permission to appear for the Revenue and the Translation tests (Lower Grade) in 1897, when he was an accountant under the Treasury Deputy Collector, who - supported his request with the remark that the clerk was an excellent worker of good and steady business habits. Mr. Castlestuart Stuart addressed the Board a second time in his letter R. O. C. No. 344--Ver. Sup. dated 5th May 1897 recommending the grant of the clerk's prayer. The permission however, was not granted. (G. O. No. 325--Educational, dated 12th June 1897). He continued to - work in this office as an accountant and then as Local - Fund Audit Clerk, his good work having been specially - commended by successive Deputy Collectors. In 1911 he submitted a memorial to Government which I forwarded with

my endorsement R. O. C. No. 23--Camp dated 7th May 1911, - recommending his exemption from the examination rules for - two years to enable him to pass the Revenue and the Criminal tests, Lower Grade and to declare him eligible for promotion in the clerical line up to Rs. 35/-. The Government was - pleased to grant him exemption to permit his promotion up - to Rs. 30/- and expressed that it saw no reason to permit - him to appear for the Criminal and the Revenue tests (G.O. No. 351--Educational, dated 6th June 1911). This exemption was extended however, in G.O. No. 539--Mis. Educational, - dated 18th May 1915 to admit of his promotion to Rs. 35/- - when an additional audit clerk on that pay had been sanctioned by Government.

3. Having worked in the account and audit sections of - this office for over 20 years, he has acquired an exception- ally good knowledge of account and audit work and has always maintained a high level of efficiency in any work entrusted to him. My present Treasury Deputy Collector considers him to be the main strength of the Audit Section and, to be a - most suitable man for promotion to higher grades in either Account or Audit section. The clerk is able to draft with facility and it is significant that he passed over 20 years ago the Precise Writing test which, as Government may be - aware, many a graduate has failed to pass. I enclose for the perusal of Government an extract of some of the opinions available on record regarding this clerk. I continue to - hold the same high opinion which I expressed of him in my - endorsement of 7th May 1911 and he has fully justified the good words said of him by the various officers under whom he worked.

4. I venture to think in the above circumstances that - it will be to the interest of service to permit this capable clerk of excellent character to qualify himself for higher appointments by passing the Revenue and the Criminal tests

(Lower Grade) and the Translation test. I therefore -
recommend that Government may be pleased to reconsider -
his case and exempt him accordingly, or at least to -
extend the present exemption to admit of his promotion -
to Rs. 70/- in the account or audit section.

I have the honour to be,

Sir,

Your most obedient servant,

The Collector of S. West - recommends that V. Shaikh Badai Sahib, first audit clerk on Rs 35 in the Collector's office may be exempted from examination rules to qualify himself for higher appointments & to be promoted to Rs 70 in the Accounts & audit section of the Collector's office. The clerk stated as a sufferer in the deputy tahildar's office at Changan. In L.O. 228 dated 15.3.1895 he was exempted from the examination rules in view to his employment as a clerk on Rs 15 to Rs 20. In 1896 he passed the Precise writing test & the Accounts test (Lower). Again in 1911 (L.O. 351 dated 6.6.1911) the exemption from the examination rules was extended so as to allow of his appointment to a post the salary of which does not exceed Rs 30 p.m. Later on in L.O. 539 dated 18.5.1915 the exemption was extended so as to admit of his

It appears to be the intention
to keep him in the account
& credit sections.

In his note on p. 18 of the
notes to go 351 Fol. 8. 6. 6. 11.

Mr. Shivers that it was un-
deniable to admit him to
further special tests unless
he is also allowed to run
other exp. Evidently it is
intended to keep him that
branch of the Collector's office
in which he has displayed
particular good qualities.

If the claim is "the main strength of the Andes
Section" it seems rather hard to deny him the
promotion in the Account Section to which he
works & capacity would appear to entitle
him. I would accept the Collector's recommendation.
Will Home Dept kindly circulate to
State Res. who has seen the previous
papers in this main case.
