The establishment of the Madras Trade School has for the present been sanctioned only for six months. Its further continuance will depend upon the results achieved during these ~~six~~ months. Mr. Dunes states that the present course will be completed by the middle of April next & he proposes to send a report on the working of the school by the end of that month. If so, ~~then~~ some time may elapse between ~~that~~ the date on which the present term closes & the date of sanction of Govt.

for the ^{future} continuance of the school. During this interim period the school may practically cease to exist. If, however, Mr. Lums' report is received earlier, it may be possible to issue orders sanctioning the continuance of the school before the expiry of the present term. It is for orders whether Mr. Lums may be consulted on this point or his proposal may be approved.
