Please see item 3 of the list in the draft order below. The expression "fagethers of lunddaph" is vague - that Mr. Richards wants is ^{apparently} ~~presently~~ A and B volumes of the lunddaph & fagethers. Submitted that the Home (ED) Dept may be asked to substitute "A + B volumes of the lunddaph & fagethers" for "fagethers of lunddaph" mentioned in item 3. With this modification the draft order may, it is submitted, be accepted in this Dept and the file returned to the Home (ED) Dept.
