Madras.

Sir,

I beg to submit that Mr. V. Rangachari M.A., who was entrusted with the preparation of an index to the inscriptions edited by the Madras Archaeological Department, informs me that the compilation is nearing completion, and hopes to submit the manuscript to Government very soon. I have the honour to request that Government will be pleased to order an early publication of the work. Mr. Rangachari thinks and I agree with him, that a glossary at the end of the treatise will be very useful. If the Government sanctions the proposal the glossary will be sent as the book proper is being printed.

I have the honour to be,

Sir,

Your most obedient servant,

H. Krishna Sastri.
