Letter—from the Hon'ble Mr. J. H. Stone, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 5th January 1917.

No.—Ref. on Cur. 10324 of 1916.

In submitting herewith a copy of letter No. 98, dated 2nd December 1916, of the Secretary, Madura College Board, with the application for building grant and the sketch plan referred to therein, I have the honour to state that the land which the College authorities want to acquire is suitably situated. It is of course more than is required for the immediate purposes of the college; but it is desirable that there should be space for expansion and that they should be free from the possibility of undesirable neighbours. I therefore recommend that the land in question may be acquired under the Land Acquisition Act and that a grant not exceeding one-half of the total cost of acquisition may also be sanctioned. I understand that it is not possible to acquire it by private negotiations.

ENCLOSURE

Letter—from the Secretary, Madura College Board, Madura.

To—the Director of Public Instruction (through the Inspector of Schools, 7th Circle, Madura).

Dated—the 2nd December 1916.

No.—98.

I have the honour to send herewith an application for site grants under article 50 (3), Chapter VIII of the Grant-in-Aid Code.

The site which is about 46 acres in extent is required for the construction of buildings for locating the College Department of the Madura College.

A letter of application for affiliation to the University in the B.A. Degree courses in Group IV—Psychology, Ethics and Logic, Group V—History and Economics and Group VI (Sanskrit and Tamil) has been sent to the Registrar of the University (copy enclosed).

The Collector of the district has been applied for to arrange to acquire the site in question for the college.

The Hon'ble Mr. J. H. Stone, M.A., the Director of Public Instruction, H. Champion, Esq., M.A., Inspector of Schools, 7th Circle, and G. F. Paddison, Esq., M.A., Collector, were pleased to inspect the site on the 29th November 1916, and approve of it.

A rough sketch of the site is herein enclosed.

I request, therefore, that you will be pleased to sanction Government grants at an early date to enable the Government to acquire the said site for the college under the Land Acquisition Act and to help this educational institution. A copy of the G.O. Mis. No. 547, Educational, dated the 18th May 1916, in reply to the memorial of the College Board for a liberal grant-in-aid of the college is herein enclosed.

Endorsement No. 52-1, Home (Education), dated 11th January 1917.

Referred to the Collector of Madura for remarks as to—

- (1) whether the owners of the sites which it is proposed to acquire under the Land Acquisition Act have any, and if so, what objections to their acquisition;
- (2) whether any serious difficulties stand in the way of the authorities of the college purchasing the sites by private negotiations; and
- (3) whether a valid and clear title to the sites cannot be secured otherwise than through the application of the Land Acquisition Act.

2. The Collector is also requested to report the approximate cost of the sites proposed to be acquired.

Secretary to Government.

Letter—from G. F. PADDISON, Esq., M.A., I.C.S., Collector of Madura.
To—the Secretary to Government, Home (Education) Department.
Dated—the 18th January 1917.
No.—R.O.C. 4782-Gl. of 1916.

In reply to the Government endorsement No. 52-1, dated the 11th January 1917, regarding the acquisition of land for the extension of the Madura College as a First-Grade College, I have the honour to report as follows.

The Madura College Board have selected, for the extension of the Madura College, a triangular block of land measuring 45.97 acres lying between the two railway lines (Tuticorin line and Pamban line). As the college authorities could not get the lands by private negotiations, they have applied to me for taking steps to acquire them under the Land Acquisition Act. The College Board is a body incorporated under the Indian Companies Act. Section 39 of the Act says that the provisions of sections 6 to 37 (both inclusive) shall not be put in force in order to acquire the land for any company unless with the previous consent of the Local Government nor unless the company shall have executed the agreement referred to in section 41 of the said Act. But as the College Board expect some contribution however small from the Government towards the cost of the acquisition and as the purpose is a public one, I understand that the provisions of the Act can be put in force.

2. Out of the extent applied for, an extent of 5.80 acres in S. Nos. 81, 82, 83 and 84 which abut the road is said to contain one Vivekanandaswami tomb, a flower garden attached to Sri Gudal Alagar temple and a Muhammadan burial ground. I have therefore excluded it from acquisition. Of the remaining extent (viz., 40.17 acres) an extent of 89 cents is odai poramboke, 37 cents assessed waste and 38.91 acres patta lands. As regards the poramboke and assessed waste lands they may be sold to the Madura College. These lands are valued at Rs. 300 an acre and I request that sanction for the sale under Board's Standing Order No. 24, paragraph 4 may be accorded.

3. In respect of the patta lands, a draft declaration and schedule for their acquisition is enclosed and I request that the Government will be pleased to publish the notification in the *Fort St. George Gazette*.

4. Registered notices have been issued to the owners of the lands to be acquired and no representations have been received from them. I do not think that the owners will have any objection to the proposed acquisition unless as to the rate of compensation.

5. The estimated cost of the land to be taken up may be omitted when publishing the notification in the *Fort St. George Gazette*.

6. The Divisional officer, Madura, may be authorised to perform the functions of a Collector under the Act and to take order for the acquisition of the lands.

7. The District Medical and Sanitary officer, Madura, has approved of the site. The Hon'ble Mr J. H. Stone, Director of Public Instruction and myself inspected the site and are of opinion that this block is well suited for this purpose.

8. I may add that a portion of the above block measuring 4.86 acres was originally proposed to be acquired for official quarters and other purposes connected with the Technical Institute and this was approved by Government, Public Works Department, in their order No. 1562 W., dated the 21st October 1916. The chief reason for choosing this place for the institute was that it faces the new buildings and that it was thought desirable that this site should not be taken up by squatted huts. The Director of Industries who also inspected the site has no objection to the acquisition of this plot for the college and has now selected a site close to the Technical Institute. I am now addressing the District Medical and Sanitary officer, Madura, to inspect it and give his opinion about its suitability. On receipt of his reply, I shall address the Government, Public Works Department, separately.

9. The enclosures received with the above reference are herewith resubmitted.

IV

Letter—from G. F. PADDISON, Esq., M.A., I.C.S., Collector of Madura.
To—the Secretary to Government, Home (Education) Department.
Dated—the 18th January 1917.
No.—R.O.C. 4782-Gl of 1916.

With reference to Government endorsement No. 52-1, dated the 11th January 1917, I have the honour to invite attention to my letter R.O.C. No. 4782 Gl of 1916, dated the 18th January 1917, in regard to the acquisition of the land. It will be seen that the owners have no objection to the acquisition of the land except with regard to the price. As regards the purchase of the site by private negotiations, I would point out that the land is owned by as many as 40 different persons. It would therefore be clearly a matter of the greatest difficulty for the College authorities to secure the land by private negotiations. Unless the bargains were all secured at exactly the same time, the holders of the portion which had not yet been secured would hold out for impossible prices. As regards the question of title there would be the same difficulty in dealing with 40 such owners whose land may be encumbered or sold to others. I submit that it would be almost impossible to secure the land on a good title in anything like a reasonable time if it is to be left to private negotiations.

Order—No. 325, Home (Education), dated 10th March 1917.

The Government consider that the private lands required by the authorities of the Madura College, Madura, measuring 38.91 acres and referred to in the Collector's letters read above, should be acquired under the Land Acquisition Act, 1894, and they are pleased to sanction a grant not exceeding Rs. 21,609, or one-half of the actual cost, whichever may be less, towards the cost of acquisition.

2. The draft notification submitted by the Collector with his first letter read above will be published in the *Fort St. George Gazette*.

3. The Collector is requested to call upon the authorities of the college to deposit in the treasury the sum of Rs. 21,610, or such larger amount as may be found necessary on actual determination of the award.

4. After acquisition the property should be conveyed to the authorities of the college by a formal deed of conveyance to be drawn up in consultation with the Government Solicitor.

5. Further orders will issue in the Revenue Department as regards the alienation to the College authorities of the sites belonging to the Government and measuring 1.26 acres.

NOTES CONNECTED WITH G.O. No. 325, HOME (EDUCATION),
DATED THE 10TH MARCH 1917

[SUBJECT.—*Acquisition of land for the Madura College, Madura*].

From the Director of Public Instruction, R.C. No. 10324, dated the 5th January 1917.

[Endorsement No. 52-1, dated the 11th January 1917.]

From the Collector of Madura, R.C. No. 4782, dated the 18th January 1917.

Do. do. do. do.

The Director of Public Instruction recommends the acquisition of certain sites for the construction of a building for the Madura College, Madura, and a grant not exceeding one-half the total cost of the acquisition.

2. The Collector of Madura states—

(i) that out of the proposed extent of 45.97 acres, 5.80 acres has been excluded, as these contain a tomb, a temple garden and a Muhammadan burial ground;

(ii) that out of the remaining 40.17 acres, 38.91 acres of patta land be acquired under the Land Acquisition Act, and

(iii) that sanction may be accorded to the sale to the College authorities under the Board's Standing Order No. 24, paragraph 4, of the balance of 1.26 acres of land, consisting of poramboke and assessed waste lands.

The above proposals of the Collector may be approved.

3. The Collector further states that 4.86 acres out of the 38.91 acres which it is now proposed to acquire was originally proposed for acquisition for the official quarters and other purposes connected with the Madura Technical Institute and that the Director of Industries has now no objection to their acquisition for the Madura College. The acquisition of these 4.86 acres for the Madura College need not therefore be objected to.

4. As regards the acquisition of the land under the Land Acquisition Act, the Collector is satisfied as to the necessity for putting the Act into operation—vide paragraph 1 of the Collector's first letter and his second letter.

5. The notification for the acquisition of 38.91 acres of land submitted by the Collector may be published in the *Fort St. George Gazette*. The sites are estimated to cost Rs. 43,219 and a half grant on this, viz., Rs. 21,609 may be sanctioned.

6. A draft order is submitted, which may be sent un-officially to the Revenue and the Public Works Departments, for acceptance. The Revenue Department may also be requested to accord the necessary sanction for the sale to the College authorities under Board's Standing Order No. 24, paragraph 4, of 1.26 acres of Government land referred to in paragraph 2 (iii) above.

Letter—from the Secretary, Madura College Board, Madura.

To—the Director of Public Instruction (through the Inspector of Schools, 7th Circle, Madras).

Dated—the 2nd December 1916.

No.—98.

I have the honour to send herewith an application for site grants under article 50 (3), Chapter VIII of the Grant-in-Aid Code.

The site which is about 46 acres in extent is required for the construction of buildings for locating the College Department of the Madura College.

A letter of application for affiliation to the University in the B.A. Degree courses in Group IV—Psychology, Ethics and Logic, Group V—History and Economics and Group VI (Sanskrit and Tamil) has been sent to the Registrar of the University (copy enclosed).

The Collector of the district has been applied for to arrange to acquire the site in question for the college.

The Hon'ble Mr. J. H. Stone, M.A., the Director of Public Instruction, H. Champion, Esq., M.A., Inspector of Schools, 7th Circle, and G. F. Paddison, Esq., M.A., Collector, were pleased to inspect the site on the 29th November 1916, and approve of it.

A rough sketch of the site is herein enclosed.

I request, therefore, that you will be pleased to sanction Government grants at an early date to enable the Government to acquire the said site for the college under the Land Acquisition Act and to help this educational institution. A copy of the G.O. Mis. No. 547, Educational, dated the 18th May 1916, in reply to the memorial of the College Board for a liberal grant-in-aid of the college is herein enclosed.

Endorsement No. 52-1, Home (Education), dated 11th January 1917.

Referred to the Collector of Madura for remarks as to—

- (1) whether the owners of the sites which it is proposed to acquire under the Land Acquisition Act have any, and if so, what objections to their acquisition;
- (2) whether any serious difficulties stand in the way of the authorities of the college purchasing the sites by private negotiations; and
- (3) whether a valid and clear title to the sites cannot be secured otherwise than through the application of the Land Acquisition Act.

2. The Collector is also requested to report the approximate cost of the sites proposed to be acquired.

The Madura College Board have selected, for the extension of the Madura College, a triangular block of land measuring 45.97 acres lying between the two railway lines (Tuticorin line and Pamban line). As the college authorities could not get the lands by private negotiations, they have applied to me for taking steps to acquire them under the Land Acquisition Act. The College Board is a body incorporated under the Indian Companies Act. Section 39 of the Act says that the provisions of sections 6 to 37 (both inclusive) shall not be put in force in order to acquire the land for any company unless with the previous consent of the Local Government nor unless the company shall have executed the agreement referred to in section 41 of the said Act. But as the College Board expect some contribution however small from the Government towards the cost of the acquisition and as the purpose is a public one, I understand that the provisions of the Act can be put in force.

2. Out of the extent applied for, an extent of 5.80 acres in S. Nos. 81, 82, 83 and 84 which abut the road is said to contain one Vivekanandaswami tomb, a flower garden attached to Sri Gudal Alagar temple and a Muhammadan burial ground. I have therefore excluded it from acquisition. Of the remaining extent (viz., 40.17 acres) an extent of 89 cents is odai poramboke, 37 cents assessed waste and 38.91 acres patta lands. As regards the poramboke and assessed waste lands they may be sold to the Madura College. These lands are valued at Rs. 300 an acre and I request that sanction for the sale under Board's Standing Order No. 24, paragraph 4 may be accorded.

3. In respect of the patta lands, a draft declaration and schedule for their acquisition is enclosed and I request that the Government will be pleased to publish the notification in the Fort St. George Gazette.

4. Registered notices have been issued to the owners of the lands to be acquired and no representations have been received from them. I do not think that the owners will have any objection to the proposed acquisition unless as to the rate of compensation.

5. The estimated cost of the land to be taken up may be omitted when publishing the notification in the Fort St. George Gazette.

6. The Divisional officer, Madura, may be authorised to perform the functions of a Collector under the Act and to take order for the acquisition of the lands.

7. The District Medical and Sanitary officer, Madura, has approved of the site. Hon'ble Mr. J. H. Stone, Director of Public Instruction and myself inspected the site and are of opinion that this block is well suited for this purpose.

8. I may add that a portion of the above block measuring 4.86 acres was originally proposed to be acquired for official quarters and other purposes connected with the Technical Institute and this was approved by Government, Public Works Department, in their order No. 1562 W., dated the 21st October 1916. The chief reason for choosing this place for the institute was that it faces the new buildings and that it was thought desirable that this site should not be taken up by squatted huts. The Director of Industries who also inspected the site has no objection to the acquisition of this plot for the college and has now selected a site close to the Technical Institute. I am now addressing the District Medical and Sanitary officer, Madura, to inspect it and give his opinion about its suitability. On receipt of his reply, I shall address the Government, Public Works Department, separately.

9. The enclosures received with the above reference are herewith resubmitted.

Letter—from G. F. PADDISON, Esq., M.A., I.C.S., Collector of Madura.

To—the Secretary to Government, Home (Education) Department.

Dated—the 18th January 1917.

No.—R.O.C. 4782-G1 of 1916.

With reference to Government endorsement No. 52-1, dated the 11th January 1917, I have the honour to invite attention to my letter R.O.C. No. 4782 G1 of 1916, dated the 18th January 1917, in regard to the acquisition of the land. It will be seen that the owners have no objection to the acquisition of the land except with regard to the price. As regards the purchase of the site by private negotiations, I would point out that the land is owned by as many as 40 different persons. It would therefore be clearly a matter of the greatest difficulty for the College authorities to secure the land by private negotiations. Unless the bargains were all secured at exactly the same time, the holders of the portion which had not yet been secured would hold out for impossible prices. As regards the question of title there would

Edt.

be the same difficulty in dealing with 40 such owners whose land may be encumbered or sold to others. I submit that it would be almost impossible to secure the land on a good title in anything like a reasonable time if it is to be left to private negotiations.

Order—No. 325, Home (Education), dated 10th March 1917.

The Government consider that the private lands required by the authorities of the Madura College, Madura, measuring 38.91 acres and referred to in the Collector's letters read above, should be acquired under the Land Acquisition Act, 1894, and they are pleased to sanction a grant not exceeding Rs. 21,609, or one-half of the actual cost, whichever may be less, towards the cost of acquisition.

2. The draft notification submitted by the Collector with his first letter read above will be published in the *Fort St. George Gazette*.

3. The Collector is requested to call upon the authorities of the college to deposit in the treasury the sum of Rs. 21,610, or such larger amount as may be found necessary on actual determination of the award.

4. After acquisition the property should be conveyed to the authorities of the college by a formal deed of conveyance to be drawn up in consultation with the Government Solicitor.

5. Further orders will issue in the Revenue Department as regards the alienation to the College authorities of the sites belonging to the Government and measuring 1.26 acres.

The Madura College Board have submitted for the consideration of the Government a proposal to acquire certain lands measuring 38.91 acres and referred to in the Collector's letters read above. The Board state that the lands are situated in the village of Madura, and are at present in the possession of private owners. The Board state that the lands are required for the purpose of extending the college grounds, and that the acquisition of the lands is essential for the proper functioning of the college. The Board state that the lands are situated in a convenient position for the college, and that the acquisition of the lands will be of great benefit to the college. NOTES CONNECTED WITH G.O. No. 325, HOME (EDUCATION),
DATED THE 10TH MARCH 1917.

[SUBJECT.—Acquisition of land for the Madura College, Madura].
From the Director of Public Instruction, R.C. No. 10324, dated the 5th
January 1917.

[Endorsement No. 52-1, dated the 11th January 1917.]
From the Collector of Madura, R.C. No. 4782, dated the 18th January 1917.
Do. do. do. do.

The Director of Public Instruction recommends the acquisition of certain sites
for the construction of a building for the Madura College, Madura, and a grant not
exceeding one-half the total cost of the acquisition.

2. The Collector of Madura states—

(i) that out of the proposed extent of 45.97 acres, 5.80 acres has been
excluded, as these contain a tomb, a temple garden and a Muhammadan burial
ground;

(ii) that out of the remaining 40.17 acres, 38.91 acres of patta land be
acquired under the Land Acquisition Act, and

(iii) that sanction may be accorded to the sale to the College authorities under
the Board's Standing Order No. 24, paragraph 4, of the balance of 1.26 acres of land,
consisting of poramboke and assessed waste lands.

The above proposals of the Collector may be approved.

3. The Collector further states that 4.86 acres out of the 38.91 acres which it
is now proposed to acquire was originally proposed for acquisition for the official
quarters and other purposes connected with the Madura Technical Institute and that
the Director of Industries has now no objection to ~~the~~ acquisition for the Madura
College. The acquisition of the 4.86 acres for the Madura College need not therefore
be objected to.

4. As regards the acquisition of the land under the Land Acquisition Act, the
Collector is satisfied as to the necessity for putting the Act into operation—vide
paragraph 1 on pages 17 and 18 and pages 22-23 current file.

5. The notification for the acquisition of 38.91 acres of land submitted by the
Collector may be published in the Fort St. George Gazette. The sites are estimated
to cost Rs. 43,219 and a half grant on this, viz., Rs. 21,601 may be sanctioned.

6. A draft order is submitted, which may be sent un-officially to the Revenue and
the Public Works Departments, for acceptance. The Revenue Department may also
be requested to accord the necessary sanction for the sale to the College authorities
under Board's Standing Order No. 24, paragraph 4, of 1.26 acres of Government land
referred to in paragraph 2 (iii) ~~ante. above~~.

REVENUE DEPARTMENT.

Submitted that the draft order may be accepted in Revenue and the file passed on to the Public Works Department.

With reference to ~~page 2~~ the Collector's ~~letter at page 13~~ ^{first paragraph 2} and paragraph 5 of the draft, it is submitted, that orders for the sale of the 1.26 acres of land may be sent on receipt of a copy of the Home (Education) Department's proceedings on the case with notes. For precedent for sale (i.e., alienation on payment of value) of land for educational purposes, please see G.O. 2707, dated 8th November 1907 and G.O. No. 2866, dated 21st November 1907.

A.S.R.—15-2-17.

There have been several cases of alienations of land for educational purpose free of charge on account of occupancy right but subject to resumption in the event of the land being used for other purposes. The question whether the 1.26 acres now under reference may be alienated on those terms or as in the precedents of 1907 may, it is submitted, be considered when orders issue in Revenue on paragraph 5 of Home (Education's) draft Government Order. Outright sale for full value as recommended by the Collector may not enable Government to resume the land if the land should at any time be used for other purposes. In these circumstances it is for orders whether

Yes.

A.R.K.—17-2-17.

A Home (Education) may be requested to substitute "alienation" or "disposal" for the word "sale" in paragraph 5 of the draft.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b) For rules regarding printing of notes, see rule 315 of the office Manual.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the righthand side, only the first time when they appear on the left side, the initials alone being printed later.

* Copies distributed on (Press Clerk).

† Copies distributed on (Press Despatcher).

† To be initialled and dated.

[P.T.O.]

TO PRESS, MADRAS OOTY.

A
Please send proof in duplicate. The papers have been carefully edited.

B
Proof returned corrected. Please strike off and send number of copies as indicated.

C
As the matter is clear manuscript and has been carefully edited, (b) proof need not be sent. Please print and supply number of copies as indicated.

Type may be released after usual interval at once.
