From (Name) The Hon. Mr. J. H. Stone, M.A., C.I.E., F.R.H.S.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The SECRETARY TO GOVERNMENT,
HOME DEPARTMENT (EDUCATION).
(Through the Accountant - General).

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment for a period of one year from the 1st March 1917 of two additional teachers, one on Rs. 50/- per mensem and the other on Rs. 25/- per mensem in the Government Girls' School, Tellicherry.

2. The present staff of the school consists of six teachers on Rs. 20/-, 14/-, 12/- and 3 (10/-) and the Inspectress of Girls' Schools, Southern Circle, reports that this

staff which was sanctioned when there were only standards

and that none of the existing teachers is competent to teach English. She further states that if English is taught in this school it will become a good feeder to the Government Secondary Girls' School, Cannanore, and requests therefore sanction for the employment of two additional teachers, one an Anglo-Indian Headmistress on Rs. 50/- for which post the services of an Anglo-Indian lady are, it is reported, now available, and the other an assistant on Rs. 25/- per mensem.

Judging from the strength of the several standards I consider that the present staff is inadequate and I agree with the Inspectress in thinking that two additional teachers are absolutely necessary and that their pay should not be less than Rs. 50/- and Rs. 25/- per mensem respectively in view of the strength of the higher standards and of the fact that an Anglo-Indian lady competent to teach English is required.

3. The extra cost involved will amount to Rs. 75/- per mensem or Rs. 900/- a year and I beg to request that the necessary provision may be included in the Budget Estimate for 1917-1918.

I have the honour to be,

S i r,

Your most obedient servant,

G. S. S. S.
for Director of Public Instruction.

Temporary additional establishment to the
Govt. girls' school, Fellicherry.

[C 592] From the D.P.T., P.C. No 10042, & the 25th Jan 1917
End of the Acct Genl., No. Mal. 3/19193, & the 5th Feb 1917.
For Regn.

The Govt. girls' school, Fellicherry, contains
183 pupils in eight standards and under Rule 81
of the Madras code. Rules there should be
at least nine teachers. The proposal of
the Director of Public Instruction to employ
two additional teachers in the school
may therefore be ~~accepted~~ approved.

2 For the two temporary teachers
the D.P.T. proposes a salary of Rs 50 & Rs 25 p.m
and his reasons are given in para 2
of his current letter. For the former post
the Director proposes to employ an Anglo-
Indian headmistress as the services of
an Anglo-Indian lady are now available.
It may be noted in this connection that
the principle that in centres where it
is desired to attract caste girls to
Govt. girls' schools, European or European
headmistresses must be employed until
a sufficient number of caste mistresses
is available, has long been accepted

(B) [vide G. O. No. 608, Est., & 10th Oct 1904 and.

⑤ p5 of notes with G. O. No. 479 Est. 4 31st May 1912
This arrangement is being adopted in the case of the girls' schools at Vellore, Vellore, Andalore ~~and~~ Kumbakonam, and Salem, where the headmistresses, who are Anglo Indians, are paid Rs 65 + 25 per m. allice. Apparently no qualified Hindu ladies are available for the post of Headmistress at Jellicherry and the proposal to employ an Anglo Indian mistress here may be accepted especially in view of the fact that the school is to be a feeder to the Govt. secondary girls' school at Bannanore and that an Anglo Indian lady is available for the low rate of Rs 50. The pay of Rs 25 p.m. proposed for the other teacher is also reasonable and may be accepted. Presumably this teacher will be of the secondary grade

3 Before orders are passed, the file may be sent to the Finl. Dept. for remarks & if that dept. agrees to the proposals, it will have to make the necessary provision in the Budget Estimate for 1917-18.

2. The latter portion of Rule 81 of the Madras Educational Rules runs as follows:-

"In a school with more than five
"Standards there should be an extra teacher for
"every 35 pupils in the higher standards or for
"any one standard containing more than 20 pupils
"If in any ~~one~~ standard there are more than
"35 pupils it should, wherever possible, be divided
"into sections and no section should contain more
"than 35 pupils. An extra teacher should be
"entertained for each new section."

It will thus be seen that the number of teachers in an elementary school depends upon the number of students in any standard and on the number of students in higher standards.

3. If rule 81 of the Educational rules is applied strictly to the present case, the number
