Remarks. - Col. 10 of the application for Sanction

The vacancy is reported by the Inspectress to have been advertised in the Fort Saint George Gazette and that no application from a qualified candidate has been received. Both the present Inspectress and her predecessors have spoken highly of Narasimham's work and strongly recommended his permanent exemption on the ground that by virtue of his long experience in Girls' Schools, the teacher has proved his special fitness for employment in a Training School for mistresses and that it is extremely difficult, if not impossible, to find a competent qualified candidate for the post of Second Assistant. During my recent visit to Rajamundry, I have personally seen Narasimham's work and I am convinced that the teacher's exemption will be in the interests of the Public Service. He has passed the Government Technical Examinations in the following subjects:-

1. Botany	Intermediate
2. Physiology	Elementary
3. Hygiene	
4. Agriculture	
5. Physiography	
6. Freehand Outline and Model Drawing	
7. Drawing Painting	
8. Drawing Design	

He has also undergone a course for the First Aid to the Injured and in Kindergarten work in the Teachers' College, Saidapet. In the event of my recommendation being approved, it will be made clear to Narasimham that he has been exempted with regard to the post on Rs.25-1-30 only held by him and that it is not intended to promote him further.
