Sanctioning, with effect from the 1st March 1917, increases of pay to the first and second assistants of the —, and the grant of a local allowance of Rs. 2 each per mensem to the third and fourth assistants of the school.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department (through the Accountant-General).

Dated—Madras, the 22nd January 1917.

No.—Ref. on Cur. 9864/16.

I have the honour to request that you will be so good as to obtain the sanction of Government for the revision of the scale of salaries of the staff in the Government Girls' school, Ranganaikepet, Nellore, as shown in the margin with effect from 1st March 1917.

	Present scale.	Proposed scale.

2. The Inspectress of Girls' Schools, Central Circle, reported last year that it was difficult to fill the posts on Rs. 10 in the school with trained teachers and proposed that instead of the then temporary post on Rs. 10 and the last assistant's post on Rs. 10, a post on Rs. 20 might be created which would not involve any

extra cost, and proposal was recommended to Government for sanction in this office letter R.C. No. 2180, dated 3rd May 1915, but as that would have the effect of reducing the number of teachers on the staff from six to five, the employment of a temporary teacher on Rs. 12 per mensem in lieu of the one on Rs. 10 was sanctioned (vide G.O. Mis. No. 827, Educational, dated 2nd August 1915). The continuance of this temporary teacher was however not proposed last year, as the strength of the school did not warrant it—vide my letter R.C. No. 452, dated 1st February 1916.

There are thus still two posts on Rs. 10 in the school and the Inspectress reports that they have been vacant for several months, as it has not been found possible to secure qualified Telugu women teachers on that pay and that there has consequently been a fall in the attendance of the school as will be observed from the particulars

	Strength.	Average attendance.

noted in the margin regarding the strength and average attendance for October 1916. She therefore requests that of the two posts on Rs. 10 one may be converted into a post on Rs. 20 and the other into one on Rs. 15 per mensem, as it will then be possible to staff the school adequately and improve the attendance of the several standards and the general efficiency. The Inspectress's request seems to me to be reasonable, as the present strength and average attendance

point to the need for the employment of at least five qualified teachers.

3. The extra cost involved will be Rs. 15 per mensem and should Government approve the proposal, I request that the necessary provision for the purpose may be included in the budget estimate for 1917-18.

II

Endorsement of the Accountant-General, No. Nel./3-19447,
dated 30th January 1917.

Forwarded to Government.

2. The present scale of the pay of the staff given in paragraph 1 of the Director's letter has been compared with the audit registers and is found correct.

3. There is no audit objection to the proposal being sanctioned by Government.

4. A reference is, however, solicited to Government Memorandum Confidential No. 8349-1, Financial, dated 28th December 1915.

5. The necessary extra provision will be included in the budget estimates for 1917-18, if orders are issued by Government in the Financial Department to that effect.

H. BHIMASENA RAO,
Deputy Accountant-General.

To the Secretary to Government, Home (Education) Department.

Order—No. 360, Home (Education), dated the 14th March 1917.

The Government sanction, with effect from the 1st March 1917, the proposal of the Director of Public Instruction to fix the pay of the first and second assistants of the Government Girls' school, Ranganaiakpet, Nellore, at Rs. 20 and Rs. 15 per mensem respectively, inclusive of grain compensation allowance. The Government also sanction with effect from the same date the grant of a local allowance of Rs. 2 each per mensem to the third and fourth assistants of the school.

2. This sanction has been registered as No. 18 of 1917-18.

Endorsement of the Accountant-General, dated the 30th January 1917,
No. Nel. 3/19447.

The present staff of the Government girls' school, Ranganaiakpet, Nellore, the staff as proposed by the Director of Public Instruction and as it would stand under rule 82 of the Madras Educational Rules are given below :—

Staff.	Present pay.	Pay now proposed by the Director of Public Instruction.	Pay under rule 82 of Madras Educational Rules.

2. Attention is requested to G.O. No. 1002, Home (Education), dated the 21st September 1916, in which the temporary teacher's post on Rs. 36 in the school was raised to Rs. 40 with effect from the 1st October 1916 as the teacher threatened to resign her post unless her salary was raised. The teacher will in the usual course continue up to the 31st March 1917—vide G.O. No. 119, Educational, dated the 5th February 1916. The Director of Public Instruction will presumably address Government again for sanction for the retention of the mistress.

3. The Director of Public Instruction proposes to raise the pay of the two teachers on Rs. 10 per mensem to Rs. 20 and Rs. 15 per mensem for the reasons explained by him in paragraph 2 of his letter. In view of the difficulty experienced in securing qualified Telugu teachers, there seems to be sufficient justification for an

increase in the salaries of these teachers. The scale of salaries however appears to be somewhat high and it is for consideration whether the following scale may be adopted in lieu of that proposed by the Director of Public Instruction :—

	RS.
First assistant	15
Second "	14
Third "	10 + 2 local allowance.
Fourth "	10 + 2 "

For a precedent for the grant of a local allowance of Rs. 2 each per mensem to teachers on Rs. 10, please see G.O. No. 79, dated the 18th January 1917.

4. Submitted that the file may be forwarded to the Financial Department for remarks.

Will the Director of Public Instruction please say whether the scale adopted at Gudur may not suffice for the Nellore school?

C. RAMANUJA ACHARIYAR—14-2-17.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

The scale proposed above will not secure the object in view—the staffing of the school with qualified teachers (women). I see no great objection, however, to the two last posts being on Rs. 10 + 2 personal allowance.

J. H. STONE—19-2-17.

HOME (EDUCATION) DEPARTMENT.

Since the notes above were sent to the Director of Public Instruction orders have been issued in G.O. No. 216, Home (Education), dated the 21st February 1917, sanctioning the retention of the temporary teacher on Rs. 40 in this school up to the 31st March 1918.

2. The Director of Public Instruction now accepts the pay proposed for the third and fourth assistants but, in view of the staffing of the school with qualified women teachers, desires that his original proposal to fix the pay of the first and second assistants at Rs. 20 and Rs. 15 (as against Rs. 15 and Rs. 14 proposed by this department) may be accepted. It is submitted that the pay proposed by the Director may be accepted and the case sent to the Financial Department for acceptance of the draft order put up and for making the necessary provision in the budget estimate for 1917-18.

The proposal of the Educational Department, which has the acceptance of the Director of Public Instruction, to grant a local allowance of Rs. 2 each per mensem to the third and fourth assistants in the Government girls' school at Ranganaickspet, L.E.K.—9-3-17. Nellore, may be accepted, as there have been difficulties to secure qualified women teachers on Rs. 10 per mensem to fill the posts—vide paragraph 2 of the Director of Public Instruction's letter. J.P.B.—10-3-17.

2. *Pay proposed for the first and second assistants.*—These assistants now receive Rs. 14 and Rs. 12 respectively. The Director of Public Instruction proposes to raise their pay to Rs. 20 and Rs. 15 per mensem respectively. These rates are in excess of those admissible under rule 82 of the Madras Educational Rules. The Director of Public Instruction states that even the scales proposed by the Education Department, viz., Rs. 15 for the first assistant and Rs. 14 for the second assistant, will not

tend to secure qualified women teachers for the posts. In the circumstances, this department need not, it is submitted,

object to the pay of the first and second assistants being fixed at Rs. 20 and Rs. 15 per mensem respectively inclusive of grain compensation allowance.

3. *Provision of funds.*—On receipt of a copy of the Educational Department proceedings in this case, the Accountant-General may be requested to enter the necessary provision in the budget for 1917-18 by manipulation of probable savings.
