Sir, (Through the Accountant - General).

I have the honour to request that you will be so
good as to obtain the sanction of Government for the employ-
ment from the 1st March 1917 for a period of one year or until
the reorganization of Government Girls' Schools, whichever is
earlier, of an additional teacher on Rs. 14/- per mensem in
the Government Girls' School, Chowghat.

2. In their order No. 495 Educational, dated 29th May
1913 Government were pleased to sanction the proposal to
transfer the Government Girls' School, Manjeri, to Chowghat
and to reduce the number of teachers sanctioned for the school

from three on Rs. 12/-, 10/- and 10/- to two on Rs. 12/- and 10/-, the saving of Rs. 10/- thus effected having been utilized for the rent of the school house. The school has since

and the Inspectress considers the employment of a third teacher to be very necessary, it being her intention to place the new teacher in charge of the three highest standards in the school. It is stated that there is a boys' school within a mile from the Government Girls' School but that as the boys are very young it will not be possible for them to cross the bridge which they will have to do for going to the boys' school. The proposal seems reasonable and I beg accordingly to recommend it for the sanction of Government.

3. The extra cost involved amounting to Rs. 168/- a year and I beg to request that the necessary provision may be included in the Budget Estimate for 1917-1918.

Sir,

With reference to Government memorandum No.557-1 dated
15th February 1917, enquiring whether the additional appointment pro-
posed for the Government Girls' School, Chowghat, cannot be placed on
Rs.10/ grade leaving the existing teacher on Rs.12/ in charge of the
higher standards I have the honour to state that it has been repeated-
ly brought to my notice and to the notice of Government that it is
almost impossible to secure even a trained Elementary school mis-
tress for a salary of Rs.10/ per mensem and that it is, therefore, in-
advisable to multiply the number of mistresses on this rate of pay.
Further under rules 81 and 82 of the Madras Educational Rules this
school which has a strength of 83 pupils in five standards might have
four teachers on Rs.15, 12, 10 and 8 and the proposal to have three --

-2-

teachers on Rs.14,12 and 10 seems to me therefore quite reasonable and is the lowest scale that is likely to make the school worth maintaining.

I have the honour to be,

S i r,

Your most obedient servant.

NOTES.

Under Rule 81 of the Madras Edu. Rules, a staff of three teachers would be admissible to the Govt. girls' school, Chavghat. and under Rule 82 the salary that may be given to these three teachers would be Rs 12, Rs 10 and Rs 10. The two teachers employed at present in the school draw Rs 12 and Rs 10 p.m. and the pay admissible to the adol. teacher would be only Rs 10 p.m. But in view of the fact that it is difficult to secure teachers on this salary and as the adol. teacher ^{is to be in charge of the three highest standards} ~~is to be in charge of the three highest standards~~ ~~is to be in charge of the three highest standards~~, it seems sufficient if the pay of the ~~adul. teacher~~ ~~highest~~ ^{highest} is fixed at Rs 14 p.m., inclusive of grain compensation allowance. A draft

order is subd. It may be sent to the Finl. Dept for acceptance and that Dept. may be requested to make the requisite addl. provision in the Budget.

 ent letter leaves us only to surmise.

For Regr.

Please see the D.P.F.'s reply on pp 5-6 C.F. For the reasons given therein his proposal to employ an adol. teacher on Polt, exclusive of grain compensation allowance, temporarily for one year may be approved.

2. With reference to the D.P.F.'s observation that the school might have under Rule 81 of the Madras Educ. Rules four teachers for its present strength of 83, it is subd. that though this is strictly correct, yet as there are only 20 pupils in the four standards other than the infant the number of teachers that may be actually required for the school may be taken to be only three.

3. A draft order is subd., which may be sent to Financial for acceptance. That Dept. will have to include the necessary provision in the Budget Estimate for 1917-18.
