Sir,

I have the honour to submit for the orders of Government copy of a letter dated 13-12-1916 received from the Editor and Publisher of the "Viveka Bodhini", a Tamil monthly, in which the Editor proposes to enhance the rate of Annual Subscription from Rs. 3/- to Rs. 4/- owing to the abnormal rise in the price of paper and other printing materials.

2. It will be seen from pages 90 and 91 of the list of periodicals revised up to 30-6-1915 that Government

3. It is true that the cost of paper has considerably risen and the request of the Editor deserves consideration. But, it must at the same time, be pointed out that if the Editors of the other periodicals in the Government list make similar requests, the cumulative effect will be serious.

I solicit the orders of Government in the matter.

I have the honour to be

Sir,

Your most obedient servant,

Enclosure.

Owing to the abnormal rise of the price of paper and other printing materials, we have raised the Annual subscription of our Periodical from Rs. 3/- to Rs. 4/-, and request that you will kindly take this to the notice of Government and order payment of our bill at the present enhanced rate of Rs. 4/-.

In this connection we beg to state that our Periodical is the cheapest and the best of the Tamil monthlies. The Madras Mail in one of its recent issues writes about our journal as follows :-

"This periodical has been in the front rank of Tamil Magazines and has always been known for the excellent and varied literature.

Educational authorities have spoken of it in terms of approbation.

To The Secretary to Government,

Education.

Sir,

With reference to Government Endorsement No.4805-1
dated 8th January 1917, I have the honour to state that the Editor
of "Viveka Bodhini" who was asked to report whether, in considera-
tion of the fact that so many as 59 copies of his journal are taken
for this Department, he would be willing to charge a special rate of
Rs.3/8/- per copy, inclusive of postage, informs me that he has
demanded only a moderate increase which will go only a very small
way towards meeting the additional expenditure caused by the increased
cost of printing materials and that his object in applying for an
increase of Rs.1/- is not to make any profit by the undertaking but
to save himself from sheer loss.

5

In these circumstances, I beg to recommend that the increased rate of subscription, viz., Rs.4 per copy, inclusive of postage, be sanctioned with effect from 1st July 1917, the date fixed by the Editor, in his communication, dated 17th February 1917 wherein he points out that he has been charging his constituents at the above enhanced rate from 1st July 1916, the date of commencement of the current volume of the journal.

2. I return herewith the enclosure received with the Endorsement under reply. *pp 1-2. and.*

Sir,
