Letter Ref. on C. No. 8714 of 1916, dated the 18th November 1916, from the Hon'ble Mr. J. H. Stone, M.A., C.I.E., F.R.H.S., -- Director of Public Instruction, Madras, to the Secretary to the -- Chief Commissioner of Coorg, Bangalore.

Two Coorg Government scholarships of the monthly value of Rs. 10 each were awarded by me in Proceedings Dis. No. 6735, dated 4th October 1916 on behalf of Coorg students studying in the Government College, Mangalore, and the sanction of the Chief Commissioner to the grant of a scholarship of Rs.15/- per mensem to a student in the Maharaja's College, Mysore, was communicated to the officers concerned in para 2 of those proceedings. In his letter No. S.C.4-13851, dated 19th October 1916, the Accountant General states that if the scholarships tenable in the Government College, Mangalore, should be disbursed from the Madras Government Treasury at Mangalore and the charges debited to the Coorg Revenues, the approval of the Comptroller General has to be obtained on the mutual agreement of the Chief Commissioner and the Madras Government for the necessary inter-provincial adjustment. In these circumstances, I have the honour to request that the Chief Commissioner will be pleased to address the Comptroller General on the matter with the concurrence of the Madras Government.

2. Copies of Proceedings Dis. No. 6735, dated 4th October 1916 and the Accountant General's letter referred to in para 1 above -- together with the extract from the rules defining the financial -- powers of Provincial Governments mentioned therein are submitted herewith for the Chief Commissioner's information.

4.

Letter Ref. on C. No. 9135 of 1916, dated the 5th December 1916, from the Hon'ble Mr. J. H. Stone, M.A., F.R.H.S., C.I.E., Director of Public Instruction, Madras, to the Secretary to the Chief Commissioner of Coorg, Bangalore.

3. In continuation of my letter R. C. No. 8714 of 1916, dated 18th ultimo, regarding the payment of certain Coorg Scholarships in the Madras Government Treasury and the debit of the expenditure relating thereto to the Coorg revenues, I have the honour to submit herewith copies of the marginally noted communications in respect of the payment at the Mangalore Treasury of the Coorg

Letter Dis. C. No. 1663, dated the 7th January 1917, from F. Hannington, Esq., I.C.S., Commissioner of Coorg, Mercara, to the Secretary to the Chief Commissioner of Coorg, Bangalore.

With reference to your letter No.3552, dated the 30th - - November 1916, I have the honour to state that the stipend - - sanctioned to the Probationary Sub Inspector of Police under training at Vellore is being remitted by Remittance Transfer Receipt/a procedure permitted under article 143 B of the - - Civil Account Code. In the case of the Forest Department, the pay and allowances of students deputed to the Forest College Coimbatore, are disbursed at the suggestion of the Comptroller of India Treasuries from the Madras Treasury and the charges debited to the Coorg Forest Department under head III items adjustable by Madras (Account between India and Madras).

Letter No. S.C.4.2035, dated the 12th February 1917, from the Accountant General, Madras, to the Secretary to the Chief Commissioner of Coorg, Bangalore.

January

With reference to your No.264 of 18th ~~February~~ 1917 forwarding copies of correspondence on the subject of payment of Coorg scholarships to the students in the Government College, Mangalore, I have the honour to state that the issue of Remittance Transfer Receipts for remitting scholarships is not permitted by the revised article 143-Civil Account Code. Either the scholarships should therefore be drawn in Coorg and remitted to the Principal, Government College, Mangalore, by postal money order, or arrangements should be made with the Madras Government to their being drawn from the Mangalore Treasury and treated as a final charge against the Madras Provincial Revenues. Please see Rule 1-2 of the rules in Annexure to the - - Government of India Resolution No.361-E.A., dated the 24th July 1916, which prohibits interprovincial adjustments, except by mutual agreement in special cases mentioned therein, and with the approval of the Comptroller-General.

2. The payment of the stipend to the Probationary Sub Inspector of Police under training at Vellore by means of Remittance Transfer Receipts also seems objectionable, but apparently the issue of - - - Remittance Transfer Receipts has not been objected to by the - - - Comptroller, India Treasuries, as the remittance was described as being on account of the pay of the Probationary Sub Inspector (Vide article 143-B(1), Civil Account Code.)

3. In the case of the pay and allowances of students deputed from Coorg to the Forest College, Coimbatore interprovincial adjustments are permissible under article 1190, Civil Account Code, Volume II.

4. I may mention that recently the Madras Government arranged with the Government of Bihar and Orissa to the scholarships sanctioned by the Director of Public Instruction, Madras, to certain Oriya - students of Ganjam District reading at Cuttack, being disbursed and adjusted as a final charge in the accounts of that province.
