Building Grant

Sanctioning a — of Rs. 18,630 towards the cost of the construction of class rooms for the college department of the Findlay College at Mannārgudi, Tanjore district.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 8th January 1917.

No.—Ref. on Cur. 10158/1916.

I have the honour to submit herewith the plans bearing Nos. 194 (a) and 194 (b) with estimates amounting to Rs. 35,848 for the construction of class rooms for the college department of the Findlay College, Mannārgudi, and to recommend that a grant not exceeding one-half of the estimated cost may be sanctioned to be paid when funds become available.

2. A copy of the Principal's letter No. 37, dated 10th May 1916, explaining the necessity for the proposed work is also enclosed.

ENCLOSURE

Letter—from the Principal, Findlay College, Mannārgudi.

To—the Director of Public Instruction.

Dated—the 10th May 1916.

No.—E.D. 37.

With reference to the enclosed application for building grant, I have the honour to state that it is proposed to erect on a plot of land adjoining the present college compound a new building at a cost of Rs. 34,848 plus Rs. 1,000 for the purchase of land for the site.

The new building is very urgently needed as the college classes have greatly increased in number during recent years and especially the addition of B.A. classes now makes it necessary that additional accommodation should be provided. The provision of a new building will set free for high school use several class rooms in the main building which was finished in 1912 thus enabling us to comply with the recommendation of the Inspector that temporary sheds in the compound should be done away with. To effect this has been the aim of the college council for several years, but the rapid growth of the college has rendered it impossible up to the present time.

The provision of this new addition to the college premises is a part of the fulfilment of the pledge given by the college council to the University authorities when application was made for affiliation to the first grade. If the college is to fulfil its functions under the new conditions with efficiency and thoroughness, it is eminently desirable that improved class accommodation should be provided as early as possible.

It is possible that under the existing conditions the Government may not feel that at present it can sanction the grant of such a large amount as is now applied for. If this is the case, may I most respectfully ask that the plans may be approved and a grant sanctioned to be paid when funds are available either at the close of the war or a later date?

The additional class rooms are so urgently needed and the work of the college is carried on at present under such difficult conditions that I cannot but ask your careful and sympathetic consideration of the request contained in the foregoing paragraph.

Not to be printed

ENCLOSURE
Letter—from the Principal, Findlay College, Mannargudi.
To—the Director of Public Instruction.
Dated—the 10th May 1916.
No.—E.D. 37.

With reference to the enclosed application for building grant, I have the honour to state that it is proposed to erect on a plot of land adjoining the present college compound a new building at a cost of Rs. 34,848 plus Rs. 1,000 for the purchase of land for the site.

The new building is very urgently needed as the college classes have greatly increased in number during recent years and especially the addition of B.A. classes now makes it necessary that additional accommodation should be provided. The provision of a new building will set free for high-school use several class rooms in the main building which was finished in 1912 thus enabling us to comply with the recommendation of the Inspector that temporary sheds in the compound should be done away with. To effect this has been the aim of the college council for several years, but the rapid growth of the college has rendered it impossible up to the present time.

The provision of this new addition to the college premises is a part of the fulfilment of the pledge given by the college council to the University authorities when application was made for affiliation to the first grade. If the college is to fulfil its functions under the new conditions with efficiency and thoroughness, it is eminently desirable that improved class accommodation should be provided as early as possible.

It is possible that under the existing conditions the Government may not feel that at present it can sanction the grant of such a large amount as is now applied for. If this is the case, may I most respectfully ask that the plans may be approved and a grant sanctioned to be paid when funds are available either at the close of the war or a later date?

The additional class rooms are so urgently needed and the work of the college is carried on at present under such difficult conditions that I cannot but ask your careful and sympathetic consideration of the request contained in the foregoing paragraph.

II Note by the Chief Engineer, Public Works Department, No. 2018 C., dated 17th March 1917.

The Director of Public Instruction submits two plans bearing D.P.I. Nos. 194 (a) and 194 (b) and a detailed estimate amounting to Rs. 35,848 for a grant-in-aid towards the cost of constructing class rooms for the college department of the Findlay College at Mannargudi, Tanjore district.

2. The plans and the estimate have been scrutinized in the Chief Engineer's office and the following alterations carried out :—

- (1) Correcting, where necessary, the sizes of rolled steel girders and the scantlings of timbers supporting floors and roofs.
- (2) Omitting the provision for wall plates under ends of joists which is considered unnecessary.

(3) Increasing the rate for rolled steel girders from Rs. 230 to Rs. 300 per ton in accordance with the current market rate.

(4) Reducing the amount provided for unforeseen works from Rs. 2,966 to Rs. 1,612.

By these alterations the total amount of the estimate has been increased from Rs. 35,843 to Rs. 37,260.

3. The staircase as shown on D.P.I. plan No. 194 (b) will not have sufficient light and ventilation. It is recommended that a window should be provided in the rear wall above the landing.

4. The number of students each class room is proposed to accommodate is not known, and no information is given as to what purpose the various rooms are intended for.

5. The site plan D.P.I. No. 194 (a) does not show the disposition of the existing buildings, roads, etc., in relation to the proposed building.

6. The maximum pressure on the soil is, as calculated in the Chief Engineer's office, 1.12 tons per square foot. The Superintending Engineer, VII Circle, should satisfy himself about the nature of the soil and the suitability of the foundations.

7. With these remarks, the plans and the estimate, as altered in the Chief Engineer's office, the latter amounting to Rs. 37,260, are recommended for approval.

S. B. MURRAY,
Chief Engineer, P.W.D.

Order—No. 416, Home (Education), dated 28th March 1917.

The Government are pleased to sanction a grant not exceeding one-half of the actual expenditure, nor Rs. 18,630, towards the cost of the construction of class rooms for the college department of the Findlay College at Mannārgudi, Tanjore district, subject to the following conditions:—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note, dated 17th March 1917, are adopted; and

(2) that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(c) For rules regarding printing of notes, see rule 315 of the office Manual.

(d) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(e) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(f) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.

TO PRESS, MADRAS OOTY.

A

Please send proof in duplicate. The papers have been carefully edited.

B

Proof returned corrected. Please strike off and send number of copies as indicated.

Type may be released after usual interval at once.
