OFFICE NOTE.

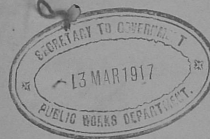

SUBJECT. Acquisition of land for the construction of a school building at Kummavaram, Godavari.

From the Collector, Godavari R.O. no 5717 the 12.2.17

Register No. 903 EN.

No sanction appears to have been accorded to the construction of a pukka building for the Govt. Elementary School, Kummavaram. The Govt. Agent, Godavari is however competent to sanction new works or repairs up to a limit of Rs 2,500. Vide appendix F on p. 87 of the Treasury Manual Vol II. But in the Agency report for the year 1913-14 it was stated that the school was located in a private building which had collapsed during that year and that the school had therefore to be held under a tree until another building could be obtained or built. It was further stated that fresh estimates were being prepared by the P.W.D. for the erection of permanent buildings for these agency schools. (Vide pages 17-18 of G.O. 2685 pub. dt. 2.12.14). Submitted that before publishing the notification now submitted by the Government Agent, Godavari, the P.W.D. may be asked whether there are any papers in that dept. relating to the construction of a pukka building for the school.

Apparently the Govt. Agent will be able to meet
the cost of the acquisition of the Site from the grounds
to Agency Schools placed at his disposal by the D.P.S.
It is not likely that the cost of the new school build-
ing will exceed Rs 2500/- and in that case the Govt.
Agent can himself accord administrative approval to the
work (of the note on p-1 ante)

2. A draft order directing the publication of the notifi-
cation in the Gazette is tabulated for approval.

grants for Agency Schools.

With reference to the Secretary's marginal remarks on
p-3 of G.O. 417 of 28.1.17, attention is solicited to the proceedings
of the D.P.D. at Slip (XVI) from which it will appear be seen
that the D.P.D. has allotted out of the provision in the C.B.E.
for 1916-17 under 22-E. "Govt. Elementary Schools for boys
and for girls" separate amounts for expenditure on behalf
of the Agency Schools in Ganjam, Vizagapatnam and Godavari.
These allotments are placed at the disposal of the
Inspector of Schools I Circle to whom apparently the Agency
officers will apply whenever funds are required. The cost
of acquisition of land for the extension of the School compound
at Panasala has met from the allotment of Rs 4,000 for
petty construction and repairs" for the Agency Schools in Godavari.
The cost of the acquisition of site for Kumbavarani School
will also be met from similar allotments for the current
year.
