Home (Education) Department.

Sir,

With reference to my application dated 30th Jan 1917 and (C) the G.O No.139 dated the 7th instant thereon, I pray that the Government will be pleased to encourage my work of research in Sanskrit Literature by allowing me at least the loan of printed catalogues and reports of sanskrit manuscripts, preserved in the Oriental Manuscripts Library, as they are not available elsewhere, though under the rules the manuscripts cannot be lent out of the library. My needs will be sufficiently served, if three or four catalogues are lent to me at a time, on any guarantee that the Curator may prescribe for their due return within any limited time.

MR. M. Krishna
Achariyar is requested to state
whether he is not at present
receiving copies of the printed

time to time since his name
was included in
~~in the list~~ the list of persons
and institutions interested
in Sanskrit learning and
if so why he requires the
loan of these catalogues. He
is also requested to state
whether by "reports of
Sanskrit manuscripts"
he means "publications of

To

Madras.

Sir,

With reference to the memorandum No. 665-1 dated the 28th February 1917, I beg to state that my name is included in the list of persons interested in Sanskrit Learning, but the catalogues of the manuscripts ^{in the} Oriental Manuscripts Library have not been sent to me regularly since the middle of 1914. I have recently made a request to the Superintendent, Government Press, Madras, but the catalogues have not yet been received.

My present request to the Government is not for these catalogues, for the Government were already pleased to include my name in their list and the catalogues, I expect, will be sent to me in the usual course. The catalogues, which I require for reference, relate to various other libraries, private and public, both in India and England, of which copies are available in the Oriental Manuscripts Library. For instance there are the catalogues of Manuscripts in the Tanjore Palace Library, Jaipur Library, Bodkian Library and the India Office Library. By reports of Sanskrit Manuscripts, I mean the reports by scholars, like Buhler, Peterson and Bhandarkar, on the results of their tours in search of sanskrit manuscripts.

3 Many of these catalogues & reports are now out of print and if available, they are too costly for a private person of my position to purchase. My purpose is only for reference and I shall be done with them in a few days. I requested the Curator personally and by letter and though he did appreciate the merit of my request, he could not, under the rules, lend me the books, without the leave of the Government.

4. I beg to add that the books I now require are rarely referred to by visitors to the library and a loan to me for a few days will not in any way interfere with the work of the library. Being the only person in this presidency, doing research work in this branch of literature, for the compilation of a comprehensive book on the subject, I pray that the Government will be pleased to grant me the concession.

NOTES.

[C.No.665] From M.R.B. M. Krishnanaachariyar,
dated the 10th Febr'y 1917.

Subject - Loan of printed catalogues
and reports of Sanskrit manuscripts
from the Oriental MSS. Library.

As the name of M.R.B. M. Krishnanaachariyar has been included in the list of persons interested in Sanskrit learning (GO No. 519 Edl. of the 6th May 1914), he is entitled ^{for the purpose} ~~for~~ a copy of the catalogue of Sanskrit Manuscripts issued from time to time. (Vide ^{GO No. 135} Edl. dated the 14th Febr'y 1913). It is not therefore clear why he requires the loan of printed catalogues of the Oriental MSS. Library.

As regards the loan of printed reports of Sanskrit Manuscripts, which M.R.B. Krishnanaachariyar requires, it is probable that ~~what is wanted is~~ he wants publications of the Oriental MSS. Library. If so, there is no objection to his being supplied with such publications free of cost. For precedents please see GO No. 129 Edl. dated the 2nd Febr'y 1914 and No. 752 Edl. dated the

(T) (M) (Q) (J) ~~(M)~~

9th July 1915.

It seems however desirable to ascertain from Krishnania Acharyya what he actually wants.

A draft memo is submitted for approval.

M. Krishnamachariar's current letter.

Apparently the kind of Catalogues and reports required by him belong to that category of Manuscript books which are not lent out of the Oriental MSS. Library.

Since no exception can be made to the long standing rule (as it forms an inconvenient precedent, M. R. Ry. Krishnania Acharyya may be informed that his request cannot be complied with. A

draft order is submitted below for approval. C. f. G. O. No. 1115 of the 6th Oct. 1915

Though the standing rule is specially with reference

to manuscript & manuscript books,
the rule of prohibition is probably
applicable to the case of the books in
question, especially as ~~the~~ Mr. Kuthumalai
himself ^{app} that most of them are out of
print or too costly.

Will D.P.D kindly advise in the
matter?

Mr Kuthumalai as a distinct library
has his own collection every year so that
he is well able to come up to books and
conserve books in the library. I think
it would be a mistake to depart from
the rules and in this instance
I see no need necessary.
