R. C. No. 1756/1917

Station Madras, Dated the 7th March 1944

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.

(Designation) Director of Public Instruction.
M A D R A S

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.
/THROUGH the Accountant-General, Madras).

Sir,

As the sanction accorded in G. O. No. 334 Educational, Mis. dated 28th March 1916 to the employment of a teacher on Rs. 30 per mensem in the Government Muhammadan Girls' School, Trichinopoly, expires with the 31st instant, I have the honour to request that Government will be pleased to sanction the retention of the post for another year from the 1st April 1917.

2. In this connection the Inspectress of Girls' Schools, Southern Circle, reports that the present strength of the school which is 146 in Standards Infant to Sixth warrants the

employment of six teachers and she requests therefore that the post of temporary teacher on Rs.30 may be added to the permanent staff and that an additional teacher on Rs.15 per mensem may be employed in view of the fact that the Infant Standard which is 74 strong requires not less than two teachers.

The staff of the school consists of five teachers - one temporary on Rs.30 and four permanent on Rs.25, 20, 15 and 12 -

and from the particulars regarding the strength and average attendance for the six months from August 1916 to January 1917 given in the enclosed statement it will be observed that four teachers at least will be necessary to manage standards First to Sixth and that the Infant Standard which is strong enough to be worked in two sections will require two teachers.

The Inspectress's proposal to employ an additional teacher for the Infant Class seems to me therefore reasonable, but I consider that the pay of the post may be fixed at Rs.12 per mensem this being the lowest scale of pay now obtaining in the school. I beg accordingly to request that you will be so good as to obtain the sanction of Government for the employment of an additional teacher on Rs.12 per mensem in the school for a period of one year from 1st July 1917.

As there is only one pupil in the Sixth Standard and none in the Seventh the present post on Rs.30 per mensem may continue to be temporary until the strength of these standards shows rise.

3. Provision for the salary of the temporary teacher on Rs.30 per mensem has been included in the Budget Estimates for 1917-18 and I shall submit a reappropriation statement for meeting the extra cost that will be involved by the employment of an additional teacher on Rs.12 per mensem on receipt of the final issue of the Civil Budget Estimates for the coming official year.

I have the Honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction
