G.O. No. 437, 4th April 1917

University Regulations.

Sanctioning certain alterations in the — relating to the B.A. Honours degree in branch (vi).

READ—the following paper :—

Letter—from F. DEWSBURY, Esq., B.A., LL.B., Registrar, University of Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—Senate House, the 22nd March 1917.

No.—1950.

I have the honour, by direction of the Syndicate, to submit for the sanction of the Government under section 25 (1) of the Indian Universities Act, 1904, the following alterations in the Regulations relating to the course and examination for the B.A. (Honours) degree in branch (vi)—Two languages other than English which, on the motion of Mr. S. Kuppuswami Sastri, were accepted by the Senate at its adjourned meetings held on November 24, 1916, and March 10, 1917 :—

(1) That, under Regulation 207, branch (vi)—Two languages other than English, the portion beginning with the words “In each language” and ending with the words “Translation and Composition,” be replaced by the following :—

“The course in each language, the text-books prescribed and the examination therein shall be identical with those prescribed for the same language when offered as the selected language in group (vi) of the B.A. Pass course, the related subjects and languages being excluded; provided that in the examination in each language in branch (vi) (Honours) there shall be an additional paper of three hours’ duration in composition, and provided that a candidate for the B.A. (Honours) degree in branch (vi) who has passed the B.A. Degree Examination in group (vi) shall be exempted from examination, except in composition, in his selected language of the B.A. Degree Examination, and he shall be credited with the percentage of marks which he obtained in that language in the B.A. Degree Examination.”

(2) That, under Regulation 207 the whole portion beginning with “The texts prescribed” in line 34 on page 187 of the University Calendar for 1916, volume I, and ending with the words “in the selected language,” in line 21 on page 190 of the same calendar be omitted.

(3) That, under Regulation 197, group (vi), the whole portion from “(1) Sanskrit (a)” to “(7) Hebrew (c)” be replaced by the following :—

“(a) Selected language,” “(b) Related subject or language.”

(4) That in Regulation 208, under branch (vi), the existing time-table be deleted and the following words be substituted :—

“The time-tables for the examinations in languages will be identical with the time-tables detailed in Regulation 196, under group (vi) of the B.A. Degree courses, with the word ‘Composition’ substituted in the place of the related subject or language detailed under ‘Third day, 2-5.’ Candidates for Honours will each be required to answer the papers set for the B.A. Degree Examination in one of the languages selected for Honours, and to answer the papers in the remaining language on the first three days of the preceding week.”

The intention of these alterations in the Regulations is to provide for greater co-ordination in the courses of study and examinations in languages so as to make it possible for the affiliated colleges to provide more easily at one and the same time for the instruction both of students taking the B.A. Degree course and of students taking the B.A. (Honours) Degree course in languages other than English: also to
