To The Secretary to the Government of Madras,

Department.

Sir,

In his letter R.C.No. 6259/13, dated 17th July
1913, Sir A.G. Bourne proposed to Government, on the
recommendation of the Inspectress of Girls' Schools,
Northern Circle, the employment of a Drawing master on
Rs.25-1-30 per mensem in the Government Training School for
mistresses, Rajahmundry, and thereupon Government enquired
in their Memo. No. 2389-2 Edl., dated 6th September 1913
whether it would not be possible to transfer to this school
a mistress from any other school who could teach drawing.
As this however was not possible an alternative arrangement
was suggested by him Viz., that a Drawing master from one
of the two Government Training Schools for masters at

6259-13-13 (E)

6.3 - do

2

Rajahmundry or from the Government Model Secondary school there might be required to work as a tentative arrangement in the Training School for mistresses and given an allowance not exceeding Rs.10 per mensem, and this arrangement which was sanctioned in G.O.No. 1062 Edl., dated 19th November 1916 continues to be still in force.

(E)

Mrs. Shrinivasa now reports that the above arrangement has been found to be very unsatisfactory as the services of one of the Drawing masters can be had for the school only at stated hours and no more, while in the interests of efficiency the services of such a teacher are required not only for the higher standards of the Model school but also to the three standards of the higher Elementary section attached to the Training school for mistresses. She points out that Drawing is a subject that is but differently taught in Elementary girls' schools and that the training students who come from all over the Northern districts require special teaching in the subject to bring them up to the standard required and she therefore urges the need for the employment of a separate Drawing teacher for the school.

The proposal seems to be reasonable and I have the honour accordingly to request that Government will be pleased to sanction the employment in the school of a Drawing master on Rs.30 per mensem with effect from 1st July 1917.

2. The extra charge involved by the above proposal will be Rs.20 (Rs.30-Rs.10 the allowance now paid to a part-time teacher) or Rs.160 during the next official year and I shall submit the necessary reappropriation statement for meeting the charge on receipt of the final issue of the Civil Budget estimate for 1917-18 if it is not possible to include the necessary provision therein before its final

issue.

For Reqr.

The Dir. of Pub. Instr. has clearly
explained the necessity for the employ-

For the reasons given, the proposal may
be approved. The pay proposed ^(Rs 30) is
also reasonable when compared with
the pay given to the Drawing Mistresses
in the Training schools at Egmore and
Royapettah, who get Rs 40-4-60 and Rs 40-2-50
respy. A draft order sancg. the proposal
is subd. It may be sent to the Finl.

For A.S.

Financial Dept.

In the circumstances explained by the D. P. I. in his letter on pp 1-2 of Financial may, it is submitted, agree to the permanent employment of a drawing master in the Govt Training school for mistresses at Rajahmundry with effect from 1st July 1917. The D. P. I. and Home (Edn) propose to fix the pay of the drawing master at Rs 30. In 1913 when the D. P. I. came up with a similar request he proposed only a pay of Rs 25 + 30 - para : 1 of letter a p. 2 of G.O. 1062 Edt 8/15/11. It is also submitted that the drawing master of the Govt Training school for mistresses at Narandahangudi gets only a pay of Rs 25 + 30 and that there are drawing masters elsewhere who are paid only Rs 20 p.m. The D. P. I. has not stated that the services of a drawing master could not be secured on a pay less than Rs 30 p.m. In view of the above circumstances, Home (Edn) may be requested to consider whether a pay of (inclusive of g.c.s) Rs 25 + 30 is not be sufficient in the present case.

If the suggestion in para : 1 above is agreed to, the net extra cost, after deducting the allowance of Rs 10 p.m. now
