Sanctioning certain addition to the — with a view to enabling candidates who have completed the course for the old F.A. examination to appear for the Intermediate examination in certain branches without the production of further attendance certificates.

READ—the following paper:—

Letter—from F. DEWSBURY, Esq., B.A., LL.B., Registrar, University of Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—Senate House, the 20th March 1917.

No.—1878.

I have the honour, by direction of the Syndicate, to submit for the sanction of the Government under section 25 (1) of the Indian Universities Act, 1904, the following addition to transitory regulation 419, second paragraph, which was adopted by the Senate on the motion of M.R.Ry K. B. Ramanathan Avargal, M.A., B.L., L.T., seconded by M.R.Ry. G. A. Natesan Avargal, B.A., at its adjourned meeting held on March 10, 1917:—

“provided he offers for the examination the following optional groups: (i) (a) Mathematics, (b) Physics, (c) Chemistry or (ii) (a) Natural Science, (b) Physics, (c) Chemistry. In case he offers any three of the subjects of (iii) group, the production of a certificate or certificates of having attended an additional year shall not be required.”

Under the existing transitory regulation provision is made for students who have earned all the certificates required under the old by-laws for production by candidates for the F.A. examination to appear for the Intermediate examination in Arts under the new regulations after an additional year's study. The addition to the regulation is intended to make provision for such candidates taking any combination of the subjects in optional group (iii), viz., Ancient History, Modern History, Logic, a classical language, and a second classical language or a vernacular language, to appear for the Intermediate examination in Arts without producing such certificate of further attendance in an affiliated college. The concession is not intended to apply to candidates who elect to appear in Physical or Natural Sciences.

Order—No. 454, Home (Education), dated 8th April 1917.

Under section 25 (1) of the Indian Universities Act, 1904, the Government sanction the addition to transitory regulation 419 proposed in the Registrar's letter read above.
