Sir,

In their order No. 1138 Edl., dated 13th October 1915 Government were pleased to sanction the proposals for the opening of a hostel for the Non-Brahman Caste Hindu students in connection with the Government Secondary and Training School for Mistresses, Triplicane, and for the payment of an allowance of Rs. 30/- per mensem to the Superintendent inclusive of the wages of a cook and a servant. There are at present 11 students in the hostel and the boarding charges amount to Rs. 9/- per mensem on an average. The present menial establishment consists of a cook on Rs. 8/-

a sweeper on Rs. 4/- and a servant on Rs. 3/-. The Inspectress reports that an additional cook on Rs. 10/- is very necessary for the three Vaishnavite students of the Sathani caste who have been persuaded to live in the hostel and who being strict vegetarians are now cooking for themselves at the sacrifice of their studies. As it is impossible for the students to meet also the wages of the hostel servants out of their stipends after paying the boarding charges, and as the Superintendent cannot be expected to pay for the additional cook out of the allowance of Rs. 30/- sanctioned for her, the Inspectress proposes that the Superintendent's allowance be raised from Rs. 30/- to Rs. 40/- per mensem in view to the employment of a Brahman cook on Rs. 10/- per mensem for the Sathani students. It is represented that a common cook cannot serve both the Sathanis and other Non-Brahmans as the former are strict vegetarians and would not take food cooked by any but a Vaishnavite Brahman. Miss Lynch adds that it is with the greatest difficulty she has been able to induce the better class of Sathanis who are very conservative and backward to come up for training and live in the school and that it would be unfair not to allow them a Brahman cook.

In the circumstances explained I beg to support the Inspectress's proposal and have the honour to recommend it for sanction with effect from 15th January 1917. The extra charge amounting to Rs. 15/- during the current year can be met from the contingent allotment of the school.

I have the honour to be,

Sir,

With reference to Government memorandum No.178-2 dated 14th February 1917, enquiring whether a common Brahman cook for the eleven non-Brahman and three Sathani students cannot be employed as an experimental measure in the non-Brahman Hindu hostel attached to the Government Secondary and Training School for mistresses, Triplicane, I have the honour to submit herewith the enclosed copy of letter R.C.No.261 D of 1916 dated 10th instant from the Inspectress of Girls' Schools, Central Circle, whom I have consulted on the matter. I consider the objection pointed out by Miss Lynch to be reasonable.

Letter from the Inspectress of Girls' Schools, Central
Circle, R.C.No.261 D of 1916 dated 10th March 1917. b

With reference to your Proceedings R.C.No.5033 Of 1916
dated 21st February 1917 I have the honour to state that the
main objection for employing one brahman cook for both the non-
brahman and sathani students is that the former who are non-
vegetarians are not willing to have purely vegetable food.
Further, a Brahman cook cannot be had for anything less than
Rs.12 per mensem plus food (Rs.4-0-0) and she will demand a
sudra assistant for purposes of grinding, cleaning the vessels
etc, and that such a servant cannot be had for anything less
than Rs.4/ per mensem.

Under the circumstances I consider it more economical
and advantageous to have a separate Brahman cook for the --
sathani students and request you to be good enough to address
Government to raise the remuneration of the Superintendent to
Rs.40 per mensem, with a view to enable her to meet the wages
of the additional cook engaged for the sathani students.

(True Copy)

Evidently in view of the smallness
of the no. of sathani students,
Rs.10 p.m (with food etc)
is a sufficient wage that
can attract a cook

Raising from Rs 30 to Rs 40 p.m. the allowance of the Supot of the non-Brahman Hindu hostel attached to the Govt. secy. and training school for mistresses, Triplicane, with effect from the 15th Jan 1917.

[C:178] From the Dir. of Pub. Instr., R.C. No. 5033, dated the 8th Jan 1917.

For Regr.

Please see notes and orders in G.O. No. 1138, dated the 13th Oct 1915, in which the Govt. sanctioned the proposals of the D.P.S. for the opening of a hostel for the non-Brahman caste Hindu students in connection with the Govt. secondary and training school for mistresses, Triplicane. The proposals involved among others ^(the proposal) an allowance of Rs 30 p.m. to the Supot. of the hostel, which covered the wages of a Sudra cook on Rs 8 p.m. It will appear from the D.P.S.'s letters read in the above G.O. that he originally proposed an allowance of Rs 40 p.m. to the Supot. which included the wages of a Brahman cook on Rs 10 p.m. but that he subsequently ~~in~~ ^{reduced} to Rs 30 p.m. omitting

the provision for a Brahman cook as he then considered that one Suora cook on Rs 8 p.m. was sufficient.

2. The D.P.P. now proposes to raise with effect from the 15th Jan 1917 the allowance of the Supt from Rs 20 to Rs 40 p.m. with a view to employ a Brahman cook on Rs 10 p.m. for the three Gathani Students living in the hostel. The reasons for the proposal are clearly explained in para 1 of the Director's letter. On view of the peculiar nature of the institution and of the fact that these Students find it difficult to pay the cook out of their stipends, it is subd. that the proposal may be accepted.

3. The D.P.P. has not stated how the extra cost involved in the proposal is to be met during 1917-18. Perhaps he ^{will be able} ~~propose~~ meet it from the contingent allotment of the school as the amount is small.

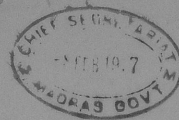

4. A draft. is subd. for approval & may be sent to Finl. for acceptance

It is submitted that there is a seeming inconsistency in the statements in paras 1 and 2 of the Inspector's letter at p. 6 c. 7. What she apparently means is that to cook for all the 11 students in the hotel a Brahman cook would demand nothing less than Rs 12 per mensem plus food (Rs 4 - "...") and also an Assistant at Rs 4 per mensem, while to cook for ^(a small no. of) 3 sathani students it would be possible to engage a Brahman cook on Rs 10 without food and that this latter would be a more economical arrangement. It is for orders whether in the above circumstances the proposed increase in the allowance of the Superintendent of the hotel will be accepted.

I suppose we must.

Ths agree though it appears 3.4.7 a very superior arrangement.

W.H. 3/17 Yr: it seems to C.S. 4.4.7

but under the circumstances permit

Total cost of this arrangement = Rs 20 p.m.

12.07

+ Total cooking charges in this case is Rs 10 + Rs 8 for cost of non-Brahman cook for the other students Rs 18 p.m.
+ Saving Rs 2 p.m. (20-18)
