The Director of Public Instruction,

Through the Principal, College of Engineering.

Sir,

With reference to the proceedings of the Director of Public Instruction, Dis. No. 360 of 1917, dated the 19th January 1917, communicating the order of Government in the Home (Educational) Department permitting me to draw an acting allowance of Rs. 60 per mensem in addition to the pay of my substantive appointment during the period I officiate as Instructor in Mechanical Engineering, I beg most respectfully to submit the following few lines for your consideration with the request that my case be placed again before Government for consideration.

My substantive appointment is that of Supervisor, 1st grade, in the P.W.D. My pay as such is Rs. 200 with a Presidency allowance of Rs. 30 and a house rent allowance of Rs. 10 or a total of Rs. 240 which I was drawing as Assistant Instructor in Mechanical Engineering. When appointed to officiate as Instructor in Mechanical Engineering, I naturally expected that my salary would be increased to an amount equal to that drawn by an officer of corresponding rank in the College, viz., Instructor in Civil Engineering who is a Sub Engineer of the P.W.D. with a minimum salary of Rs. 320 and a maximum salary of Rs. 570 a month. When the post I now hold fell temporarily vacant on a previous occasion by the deputation of Mr. Webster to other duty, an Assistant Engineer at

was appointed to it and he was given the salary of his rank and allowed to draw in addition the local allowance attached to his appointment.

It is extremely disappointing to me to see that Government have sanctioned an acting allowance of Rs.60 a month which is only Rs.20 more than what I drew in my substantive appointment. My duties and responsibilities in my present appointment have considerably increased. The fact that the salary of the post was first fixed at Rs.350 and then raised to Rs.450 and subsequently to Rs.450 to 700 is, I submit, ample ^{recognition} ~~proof~~ that its duties are sufficiently ^{onerous} ~~excessive~~, and to remunerate such onerous duties by Rs.20 a month or about 10 annas a day is, I submit, a great hardship to me. I therefore pray that I may be permitted to draw in addition to the acting allowance now sanctioned, the Presidency and House rent allowances of Rs.40 a month which I was drawing in my substantive appointment.

I beg to remain,

Sir,

Your most chedient servant,

College of
 Engineering.
