(Designation) President, Taluk Board,

To The Secretary to the Government of Madras,
Local and Municipal Department.

Sir, Through.

The President,
District Board,
South Canara.

I have the honor to state that the Board Elementary School at South Tricarapur is maintained with the aid of the Provincial subsidy, is conducted in a building belonging to Mr. Nilakantha Tirumala. The building is badly in need of repairs and the owner is not willing to carry them out or to spare the building for school purposes any longer. No other suitable building conveniently situated is reported to be available in the locality. The school is a thriving one. It has therefore become absolutely necessary

that the Board should undertake the construction of a new building at once on the site already obtained for the purpose. The District Board Engineer estimates the cost of the building at Rs 2500/- but no funds are available. It is therefore proposed, as a last resource, to allot for the work a sum of Rs 1500/- by transfer from the current year's budget provision of Rs 2720/- under "Elementary schools" (II) Purchase of furniture and apparatus" and (III) Library books and maps, as advised by the Educational Officers. I request that Government may be pleased to accord sanction to the proposal.

2. A copy of Taluk Board's Resolution no. 26 is herewith submitted.
