University Regulations

Sanctioning certain — relating to the finances of the University of Madras.

READ—the following paper:—

Letter—from F. DEWSBURY, Esq., B.A., LL.B., Registrar, University of Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—Senate House, the 28th March 1917.

No.—2094.

I have the honour, by direction of the Syndicate, to submit for the sanction of the Government under section 25 (1) of the Indian Universities Act, 1904, the enclosed regulations relating to finance which were adopted by the Senate at its meeting held on the 9th March 1917.

At the adjourned meeting of the Senate held on the 25th November 1916 a Committee of the Senate was appointed to consider and report upon the following proposal of Mr. C. P. Kamaswami Ayyar:—

“That the following be passed as Regulation 98 A:—

“The Syndicate shall prepare annually a budget with reference to the income and expenditure of the University for the ensuing year and shall submit the same to the Senate for its sanction at its meeting in the month of March, the Senate being at liberty to modify, add to or omit any of the items specified therein. The draft budget shall be circulated to the members at least three weeks before the meeting and any member of the Senate is at liberty to move any resolution relating to any question covered by any of the heads therein of which he has given ten days' notice to the Registrar. The allotments sanctioned in the budget shall not be exceeded except by a resolution of the Senate to be passed at an ordinary or special meeting thereof.”

and this Committee of the Senate recommended the adoption of the last three of the proposed new regulations. A Committee appointed by the Syndicate to revise the regulations sitting about the same time not only approved of these three regulations relating to the University budget, which were presented to them for consideration, but recommended to the Syndicate that they be incorporated in a new section in which should appear general regulations relating to University finance, and the remaining regulations now submitted for sanction were submitted by the Syndicate to the Senate on the recommendation of that Committee.

With the exception of the three regulations relating to the University budget, under which provision is made for the first time for the consideration of the budget by the Senate, the proposed regulations are mainly explanatory. The powers of the Syndicate in whom the executive Government of the University is invested by section 15 of the Indian Universities Act, 1904, are, as regards finance, defined in these regulations in which are embodied in outline the procedure and practice which have hitherto obtained in matters of University receipts and expenditure.

The regulations, if sanctioned, will form a new section with appropriate number in the body of the University regulations, the whole arrangement of which is now under reconsideration.

FINANCE.

Mr. C.P. Ramaswami Aiyar explained that at a meeting held on the 25th November 1916 he brought forward a proposition for the framing of the Budget and the keeping of the University accounts subject to the Budget. The matter was referred to a Committee. The Committee met and passed certain resolutions. Subsequent to that the Syndicate had appointed a Committee and it was found that under Section 115 the accounts of the University should be generally subject to the audit as the Governor-in-Council might direct. Certain other small defects were also pointed out. The Regulation now framed relating to Finance practically comprehended all the provisions necessary. He, the speaker, explained items 1 to 9 of the recommendations of the Committee, and concluded by saying that the object was partly to regularise things that had been done in the past and partly to frame Budget and maintain accounts according to Budget.

Khan Bahadur Azizuddin Sahib seconded the proposition which was put to the meeting and carried.

Item 4 on the agenda was covered by item 5 and was not moved.
