Please see the notes recorded in G.O. No. 318, Edw, of 5th March 1917 in connection with a resolution on the same subject which the same Additional Member <sup>(proposed)</sup> moved at the meeting of the Legislative Council of the 13th March last. It will be seen from the notes on p. 3 of the G.O. that if Mr Hall's duties in connection with European schools were found not to occupy his time fully, he might be required to supervise the gymnastic instructor's training class in the Teacher's College at Laidapet. It is not definitely known whether Mr Hall's duties were limited to European schools only or whether his services are utilised also for the supervision of the gymnastic instructor's training class in the Teacher's College at Laidapet.
